BROLLACH

Tugadh isteach an Tionscnamh Frithdhumpála (ADI) in 2017 a bhí dírithe ar chur chuige comhoibríoch a spreagadh idir údaráis áitiúla, pobail agus Gníomhaireachtaí Stáit eile chun dul i ngleic le fadhb na dumpála mídhleathaí logánta. Go dtí seo tá maoiniú de bhreis is €12 milliún curtha ar fáil ag an Roinn Comhshaoil, Aeráide agus Cumarsáide (DECC) faoin tionscnamh seo, a thacaigh le seachadadh beagnach 1,300 tionscadal ar fud na 31 údarás áitiúil.

Is ceist freagrachta aonair agus comhlíonadh an dlí go príomha é dumpáil mhídhleathach. Cé go bhfuil údaráis áitiúla freagrach as forghníomhú sa réimse seo, spreagtar cur chuige ilghnéitheach trí fhorfheidhmiú, feasacht phoiblí agus oideachas agus rannpháirtíocht phoiblí a chomhcheangal trí na glantacháin ADI.

Déantar an ADI a chomhordú trí na Príomh-Údaráis Réigiúnacha um Fhorfheidhmiú Dramhaíola (WERLAs). Forbraíodh an Tionscnamh chun oibriú i gcomhpháirtíocht le húdaráis áitiúla agus eagraíochtaí pobail chun réimsí ardriosca nó fadhbanna a shainaithint, freagairtí forfheidhmithe cuí a fhorbairt agus oibríochtaí glantacháin a dhéanamh.

Cuireadh maoiniú €3 mhilliún ar fáil in 2021 agus maoiníodh 263 tionscadal san iomlán, agus sonraítear cuid acu sa tuarascáil seo. Ag tógáil ar fheachtas 2020, cuireadh maoiniú de €100,000 ar fáil do na hOifigí Réigiúnacha um Pleanáil Bainistíochta Dramhaíola (RWMPO) chun feachtas feasachta náisiúnta a dhéanamh ar dhumpáil mhídhleathach áitiúil. I measc na dtionscadal eile a fhaigheann maoiniú tá glantacháin pobail, tionscadail Bikes for Africa, amnestaí tochta & WEEE, feachtais áitiúla feasachta ilmheán agus bailiúcháin dramhaíola toirtiúla.

Aithníonn na WERLAanna an tiomantas trí mhaoiniú agus trí chlár bliantúil leanúnach DECC agus creideann siad go bhfuil an-tairbhe ag baint leis an tionscnamh seo go náisiúnta trí oibriú le pobail, údaráis áitiúla agus gníomhaireachtaí eile.

TIONSCNAMH FRITHDHUMPÁLA 2021

Bhí sé mar aidhm ag ADI 2021 teagmhais dumpála mídhleathaí a laghdú go náisiúnta trí mhaoiniú a sholáthar do thionscadail chun dul i ngleic leis an bhfadhb trí úsáid a bhaint as cur chuige comhoibríoch a bhaineann le húdaráis áitiúla, le pobail agus le Gníomhaireachtaí Stáit eile. In 2021, díríodh ar cheithre phríomhréimse agus rinneadh measúnú ar thionscadail, agus cuireadh maoiniú ar fáil bunaithe ar a dtionchar féideartha sna réimsí seo a leanas:

(i) Cosc,
(ii) Laghdú,
(iii) Oideachas agus
(iv) Forfheidhmiú..

Lean an Roinn freisin ag moladh go láidir do thionscadail nuálacha a d'aithin dramhaíl mar acmhainn a d'fhéadfaí a athúsáid le húsáid i nGeilleagar Ciorclach.

Tá infheistíocht i mbearta coisctheacha ina bunchuid straitéiseach den réiteach ar dhumpáil mhídhleathach. Is féidir le bearta ar nós comharthaíocht a sholáthar, soilsiú agus bacainní a shuiteáil, cothabháil tírdhreacha agus imeachtaí ollmhaithiúnas do shruthanna dramhaíola dúshlánacha ar nós troscán toirtiúil agus tochtanna a bheith ina n-uirlisí éifeachtacha chun gníomhaíochtaí dumpála mídhleathacha a theorannú. Beart coiscthe ríthábhachtach eile ar tugadh tacaíocht dó faoi chlár ADI 2021 is ea feidhmiú céimneach leanúnach na bhfodhlíthe um chur i láthair dramhaíola ag na húdaráis áitiúla go léir. Ba cheart a thabhairt faoi deara nach dtacaítear go sainráite le soláthar bonneagair ghnáthaimh ar nós boscaí bruscair caighdeánacha ar an tsráid faoin tionscnamh ADI.

Próiseas Iarratais

Thug an ciorclán ADI a fuarthas ón Roinn breac-chuntas ar na Critéir Roghnaithe Tionscadal agus ar an bPróiseas Iarratais agus tugadh cuireadh d'údaráis áitiúla tionscadail a chur isteach lena mbreithniú ag an WERLA ábhartha.

Cuireadh na tionscadail isteach trí Google Docs a bhunaigh oifig WERLA chun an próiseas iarratais a chuíchóiriú.

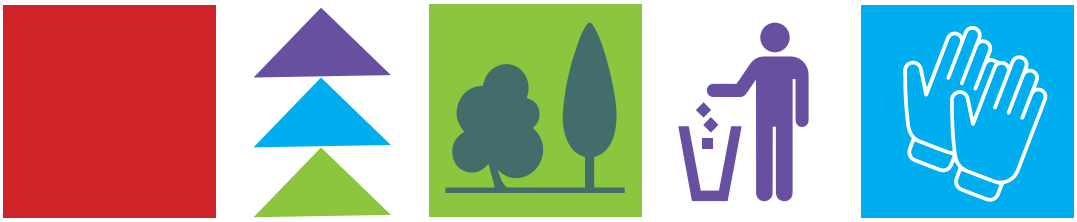

Ba é an 5 Bealtaine an spriocdháta chun iarratais a fháil agus chuir an WERLA cuí na hiarratasóirí rathúla ar an eolas faoi cheann míosa ón dáta deiridh seo. Ceanglaíodh ar roinnt iarratasóirí tuilleadh faisnéise a chur isteach sular cuireadh tús leis na hoibreacha agus bhí ar gach iarratasóir dul i dteagmháil leis an WERLA ábhartha ar feadh thréimhse an tionscadail.

Ceanglaíodh ar iarratasóirí ar thionscadail cheadaithe an fhaisnéis seo a leanas a chur faoi bhráid an WERLA cuí.

Roimh thús an tionscadail:
Plean tionscadail - lena n-áireofar sonraí faoin gcaoi a d'ardaigh an tionscadal feasacht ar thionchar na dumpála mídhleathaí.

Tar éis críochnú an tionscadail:
Bhí ar na tionscadail go léir a bheith críochnaithe faoin 8 Deireadh Fómhair, 2021, agus aighneacht a dhéanamh chuig na WERLAanna chun tuarascáil tionscadail, tuarascáil airgeadais deiridh agus sonrasc ar theimpléad a sholáthair an DECC a chur san áireamh.

Critéir Roghnaithe Tionscadal

I bhFoscríbhinn II sa chiorclán atá leagtha amach, dhéanfaí na hiarratais sin a gheofar faoin Tionscnamh Frithdhumpála 2021 a mheasúnú faoi na critéir seo a leanas do 2021

1. Gníomhartha beartaithe a dhírigh ar na ceithre phríomhbheart dá dtagraítear i gCiorclán WP 04.21 i.e.

   (i) cosc,
   (ii) laghdú,
   (iii) oideachas & feasacht agus
   (iv) forfheidhmiú.

2. Réimsí a aithníodh faoin dtuarascáil le déanaí maidir le Gnó na hÉireann i gCoinne an Bhruscair (IBAL).

3. Ailíniú le Tosaíochtaí Náisiúnta Forfheidhmithe Dramhaíola 2021

4. Méid na dumpála mídhleathaí sa limistéar tionscadail atá beartaithe. B'éigean grianghraif a chur isteach chun tacú leis an gcritéar seo.

5. Cóngaracht do LSCanna/NHAanna etc.

6. Gníomhaíochtaí beartaithe a dhaingnigh an teachtaireacht náisiúnta um fhorghníomhú dramhaíola agus a spreag úsáid na n-uirlisí náisiúnta forfheidhmithe dramhaíola atá ann cheana e.g. an líne náisiúnta gearán, an Fhoireann Uirlisí Frithdhumpála nuafhorbartha agus an Fheicim É? Abair amach é! Aip (www.epa.ie).

7. Gníomhartha molta a d'fhéach le cur leis an tuiscint náisiúnta ar na cúiseanna atá leis an dumpáil mhídhleathach, i.e. cad iad na fachtóirí sóisialta agus eacnamaíocha a spreagann an iompar seo?

8. I gcomhthéacs na bainistíochta dramhaíola, is féidir le húsáid na teicneolaíochta nua-aimseartha an tionchar a laghdú agus rannchuidiú le laghdú fadtéarmach ar eachtraí dumpála mídhleathacha. D'fhéadfadh táirgí, seirbhísí nó feidhmchláir a bheith san áireamh sna tograí, amhail boscaí bruscair ghrianchumhachtaithe agus uirlisí aeríomhánna amhail drones.

9. Gníomhaíochtaí beartaithe a léirigh tionchar intomhaiste ar an riosca sonrach – díothú nó maolú substaintiúil.

10. Sonraí maidir le haon chomhpháirtíochtaí tionscadail atá beartaithe le heagraíochtaí deonacha amhail:

    a. Grúpaí Pobail
    b. Coistí na mBailte Slachtmhara
    c. Clubanna Spóirt.

agus/nó ó Ghníomhaireachtaí Stáit eile mar:

    d. An tSeirbhís Phromhaidh.
    e. Cosaint Shibhialta etc.

11. Sonraí faoin gcaoi a ndéanfaí an tionscadal a mheas chun a éifeachtúlacht a chinneadh tar éis é a bheith críochnaithe.

12. Miondealú buiséid.

TIONSCADAIL

Bhí nádúr agus scála na dtionscadal a cuireadh isteach lena mbreithniú éagsúil agus curtha san áireamh.

- Tionscadail i Limistéir Chaomhantais Speisialta / Limistéir Oidhreachta Náisiúnta Beartaithe
- Aibhneacha / Siúlóidí Abhann
- Tránna
- Oileáin Áitrithe
- Bealaí Sárscéimhe Siúlóide / Díol spéise do Thurasóirí
- Limistéir Chónaithe i mbaol dumpála
- Limistéir atá i mbaol lonnaíochta mídhleathach
- Bainc Beir Chuige
- Taobhshráideanna i gCeantair Uirbeacha atá i mbaol dumpála mídhleathach.
- Amnesty tochta
- Amnesty Dramhaíola Guaisí
- Dramhaíl toirtiúil a bhaint
- Feistí Closamhairc a Cheannach.
- Rothair don Afraic

D'fhorbair údaráis áitiúla comhpháirtíochtaí le go leor gníomhaireachtaí stáit ar go leor tionscadal

Critéir Mhaoinithe Deontais

1. Ní mór limistéir tionscadail a bheith suite ar thalamh atá inrochtana don phobal nó in áit ar bith atá infheicthe go pointe ar bith ó áit phoiblí.
2. Ba cheart do thionscadail a bhaineann le hábhar a dhumpáiltear go mídhleathach a ghlanadh, machnamh a dhéanamh ar bhearta coisctheacha a chur chun feidhme tuilleadh chun atarlú ar bith a laghdú.
3. Breathnófar go fabhrach ar thionscadail a léiríonn cur chuige comhtháite a bhaineann le Gníomhaireachtaí Stáit eile mar An Garda Síochána, Aonad Imscrúdaithe Speisialta na Roinne Coimirce Sóisialaí agus/nó Ioncaim/ Custam.
4. Ní mór d'iarratasóirí a bheith in ann sonraí a sholáthar ar mhéid na dumpála mídhleathaí atá ag tarlú laistigh de limistéar an tionscadail. Ba cheart go n-áireodh sé seo léarscáil de limistéar an tionscadail ina léireofar an láthair dumpála reatha agus meastachán ar mhéid agus ar chineál na dramhaíola atá le glanadh.
5. Ní chuirfear maoiniú ar fáil do thionscadail a bhfuil maoiniú eile ar fáil ina leith – e.g. glantacháin sciúrtha díosail, láithreáin stairiúla, Scéim Deontais Feasachta Frithbhruscair & Frith-Ghaifití srl.
6. Ní mhaoineofar Tuarastail/Pá.
7. Ní mór don iarratasóir a léiriú go dtabharfar gníomhaíochtaí tionscadail chun críche le linn 2021 agus go dtacóidh sé le tionscnaimh amhail:
   - Glantachán Náisiúnta an Earraigh, a bhí ar siúl go traidisiúnta i rith mhí Aibreáin, ach is dócha a bheidh ar siúl i rith an tsamhraidh mar gheall ar staid leanúnach Covid Spreagann an feachtas seo gach earnáil den tsochaí a bheith rannpháirteach go gníomhach agus freagracht a ghlacadh as glantacháin bruscair a dhéanamh ina gcuid. timpeallacht áitiúil agus tacaíonn an Roinn go láidir leis.
   - Tionscadail Chósta Ghlan.
   - Seachtainí Glantacháin na nÚdarás Áitiúil.
8. Ní mór don iarratasóir a léiriú go bhfuil imscrúduithe curtha i gcrích agus gur tionscnaíodh gníomhartha forfheidhmithe nuair is cuí.
9. Ní mór d'iarratasóirí rathúla dul i dteagmháil go rialta leis an WERLA ina Réigiún agus tuairisc a thabhairt ar dhul chun cinn agus ar chur chun cinn an tionscadail sna meáin araon.

Tionscnamh Cumarsáide

Tugann oideachas comhshaoil deis do dhaoine aonair saincheisteanna comhshaoil a iniúchadh, dul i ngleic le réiteach fadhbanna agus beart a dhéanamh chun an comhshaol a fheabhsú. Mar thoradh air sin, forbraíonn daoine aonair tuiscint níos doimhne ar shaincheisteanna comhshaoil agus bíonn na scileanna acu chun cinntí eolasacha a dhéanamh. I gcomhthéacs na hÉireann thacaigh an Rialtas leis an iarracht chun oideachas a chur ar an bpobal faoi dhramhaíl trí fhorbairt www.mywaste.ie – Treoir Oifigiúil na hÉireann um Bainistiú Dramhaíola a mhaoiniú.

Tá an tairseach seo agus na cuntais meán sóisialta gaolmhara ar thús cadhnaíochta maidir le míniú a thabhairt ar cén fáth agus conas is féidir le saoránaigh dul i mbun bainistíochta dramhaíola réamhghníomhach. Trí eolas agus oideachas a chur ar ghníomhartha dearfacha aonair agus comhchoiteanna chun dramhaíl agus úsáid acmhainní a bhainistiú, a chuireann go mór leis an iarracht náisiúnta ar ghníomhaíocht aeráide. Roimh bhunú www.mywaste.ie bhí neamhréireachtaí maidir le teachtaireachtaí dramhaíola agus ní raibh aon fhoinse oifigiúil lárnach ann.

Chun é seo a chur ina cheart, bunaíodh www.mywaste.ie in 2018 agus tá ábhar á fhorbairt i gcónaí aige ar gach ábhar a bhaineann le dramhaíl. Mar thoradh ar fhorbairt feachtais náisiúnta agus sócmhainní cumarsáide ag Foireann na nOifigeach Coiscthe faoi chuimsiú Mo Dhramhaíl tá coigilteas suntasach ar chostais ar fud earnáil na n-údarás áitiúil. Baintear coigilteas amach trí ábhar cruthaitheach a fhorbairt go náisiúnta seachas gach údarás áitiúil a bheith ag foinsiú sócmhainní go háitiúil. Baineann buntáiste suntasach freisin le forbairt teachtaireachtaí comhsheasmhacha; má nochtar an teachtaireacht chéanna in áiteanna iolracha nó thar roinnt ardán digiteach, tagann feasacht níos fearr ar an ábhar.

The campaign material produced also reflect WERLA priorities including:	
Bulky goods	Abandoned Vehicles
"Man in a van" illegal activities	Waste Presentation Byelaws/Accessing a waste collection service
C&D Waste	

For local authorities customised press adverts and posters each containing contact details for each local authority were complimented with additional generic assets including a flyer, GIFS, video & social media assets.

For community groups the assets produced are generic and were designed to allow groups to download & customise accordingly.

2021 ADI

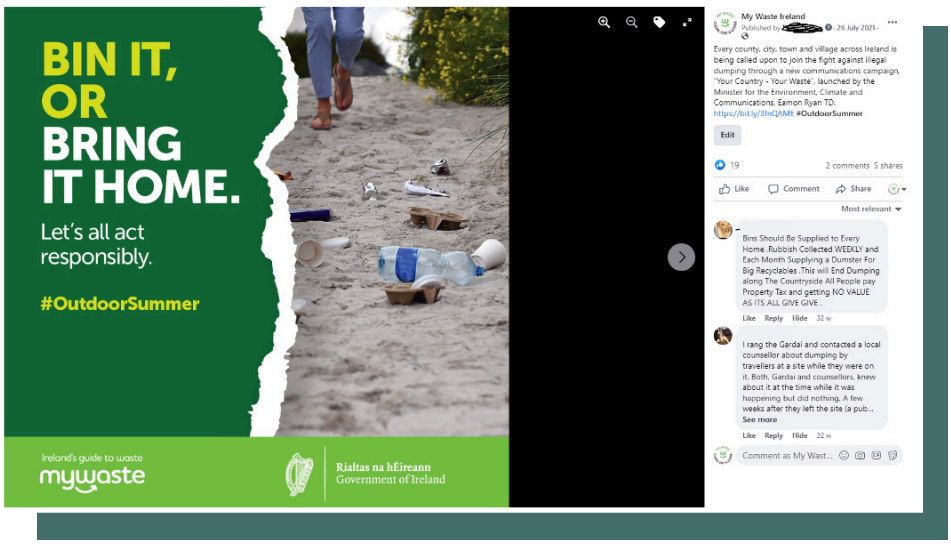

In 2021 leithdháileadh €100,000 den mhaoiniú ADI chun feachtas feasachta náisiúnta a reáchtáil ag baint úsáide as na sócmhainní a cruthaíodh in 2020, rud a dhaingneodh an teachtaireacht a thuilleadh. Bhí sócmhainní breise ann chomh maith le fógra raidió nua a cruthaíodh a dhírigh ar bhruscar a chaitheamh ar thránna agus ar bhailte.

Chomh maith leis an 1,000 sócmhainn breise a cruthaíodh in 2020 cruthaíodh ábhar nua a dhírigh ar bhruscar tránna agus bailte.

Is féidir na sócmhainní go léir a íoslódáil ón mol ADI ar mywaste.ie. Tá leathanach an údaráis áitiúil cosanta ag pasfhocal agus tá rochtain oscailte do ghrúpaí pobail.

Bhí feachtas fógraíochta ar siúl ar fud na gcainéal sóisialta My Waste go léir, idir dhigiteach agus raidió i rith an tsamhraidh; agus béim á leagan ar bhruscar a chaitheamh ar thránna, ar bhailte agus ar áiteanna áilleachta áitiúla.

Tionscadal um Chosc agus Oideachas Dramhaíola

Ag tabhairt oideachais do na glúnta atá le teacht.

Am Tionscadail: 36 uair

(ní fholaíonn sé am a chaitheann scoileanna ar an gClár Picker Pals)

Achoimre

Tionscadal um chosc agus oideachas dramhaíola a bhí anseo a rinne Comhairle Contae an Chabháin i gcomhar le VOICE Ireland agus an Picker Pals Programme. Is éard atá i gceist leis ná idirghníomhú lenár "glúin amach anseo" trí Chlár na Scoileanna Glasa agus uirlisí bailithe bruscair a sholáthar do mhic léinn agus a dteaghlaigh agus oideachas a chur orthu trí cheol, leabhair scéalta agus gníomhaíochtaí ranga chun leanaí bunscoile a spreagadh chun a dteaghlaigh a bhailiú bruscair agus daoine eile a spreagadh. ag insint scéal a gcuid eachtraí. Bearta breise lena n-áirítear leabhráin eolais a phriontáil a scaipfear ar Líonra na Scoileanna Glasa mar chuid dár gClár Scoileanna Glasa agus feachtais feasachta lena n-áirítear Fodhlíthe Cur i Láthair Dramhaíola na Comhairle a tugadh isteach i mí na Nollag 2019 a chur chun cinn.

Costas an Tionscadail

€10,479.37

Sonraí Foriomlána

I mí an Mhárta 2021, chuaigh Comhairle Contae an Chabháin i dteagmháil le VOICE Ireland chun clár píolótach Picker Pals a reáchtáil
le Bunscoil Naomh Mogue, Currin, Baile Conaill. Mar gheall ar chomh maith agus a d'éirigh leis an gclár sin agus an leibhéal suime a d'ardaigh sé i measc múinteoirí agus scoláirí araon, rinne Comhairle Contae an Chabháin iarracht an clár seo a leathnú chuig oiread bunscoileanna agus ab fhéidir sa Chontae trí mhaoiniú a fuarthas trí Thionscnamh Frithdhumpála 2021.

I mí Aibreáin 2021, reáchtáil Comhairle Contae an Chabháin comórtas póstaer feasachta frithbhruscair do bhunscoileanna uile an Chontae. Ba é ceann de na duaiseanna a bhain leis na hiontrálacha buaiteacha ná go bhfuair a rang uirlisí bailithe bruscair agus rannpháirtíocht sa chlár oideachais idirghníomhach trí Picker Pals. Roghnaíodh trí iontráil bhuaiteach in aghaidh an Cheantair Bhardasaigh agus tairgeadh an clár do 9 mbunscoil éagsúil ar fud an Chontae i Meán Fómhair 2021.

Is clár comhtháite comhshaoil ábhar agus gníomhaíochta é Picker Pals atá deartha do leanaí bunscoile agus a dteaghlaigh. Tar éis gníomhaíocht spreagtha bailithe bruscair trí thumadh i scéal Picker Pals world agus Pacáiste Picker ina bhfuil uirlisí bailithe bruscair do dhaoine fásta agus do leanaí, a thugann dalta eile abhaile gach seachtain. Tá imní ar phobail Éireannacha faoi bhruscar agus féachann siad air mar réimse ina mbíonn fíor-thionchar ag gníomhaíocht.

Chomh maith leis an gClár Picker Pals, d'athlíon an Chomhairle a stoc bileoga eolais agus leabhráin a bheidh ar fáil don phobal ar fud leabharlanna uile an Chontae agus a scaipfear ar Líonra na Scoileanna Glasa i rith na scoilbhliana.

Mar fhocal scoir, reáchtáileamar feachtas feasachta fairsing i rith mhí Mheán Fómhair 2021 chun a mheabhrú don phobal go bhfuil Fodhlíthe Cur i Láthair Dramhaíola i bhfeidhm sa Chontae agus chun a mheabhrú dóibh conas is féidir leo cloí leis na Fodhlíthe seo agus na pionóis as neamhchomhlíonadh.

Roghnú Póstaeir Bhuaiteacha

Torthaí

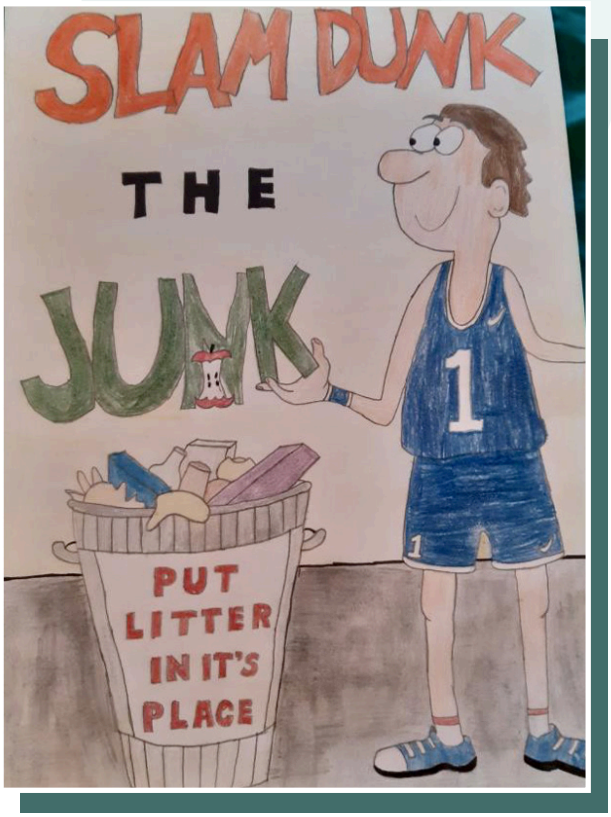

Tugann Picker Pals pointe tosaigh do scoileanna agus do phobail, ag gabháil do leanaí níos óige ná cláir ghníomhaíochta eile dá samhail. Is iad leanaí an teaghlaigh a stiúrann Picker Pals, rud a thugann mothú úinéireachta dóibh ar a ngníomhaíocht agus freagracht as a dtionchar ar an gcomhshaol. Trí mhaoiniú ADI, cuirfidh Comhairle Contae an Chabháin 12 rang ar fáil leis an gclár oideachais seo. Tá maoiniú breise ón Roinn Comhshaoil, Aeráide agus Cumarsáide á chur leis an gclár seo, rud a ligeann do 18 rang eile a bheith rannpháirteach. Tá sonraí iomlána leagtha amach thíos:

Ainm na Scoile	Líon na Ranganna	Líon na nDaltaí	Maoiniú
SN Measctha Chill na Leice	2	31	Comhairle Contae an Chabháin
SN Phádraig, Caisleán na Tara	4	35	Comhairle Contae an Chabháin
SN Chill Chonáin, An tSráid Dúin	2	23	Comhairle Contae an Chabháin
Scoil Naomh Muire, Arva	2	22	Comhairle Contae an Chabháin
Scoil Bhríde, Cill Seanrátha	2	9	Comhairle Contae an Chabháin
SN Naomh Felim, An Cabhán	5	22	DECC
Mharaigh NS	2	25	DECC
NS Droichead an Bhuitléaraigh	4	31	DECC
SN Naomh Clár, Baile Shéamais Dhuibh	6	18	DECC
SN Naomh Mogue, Currin (leanúint ón mbunlitir scéim phíolótach)	1	19	DECC
Iomlán	**30**	**235**	

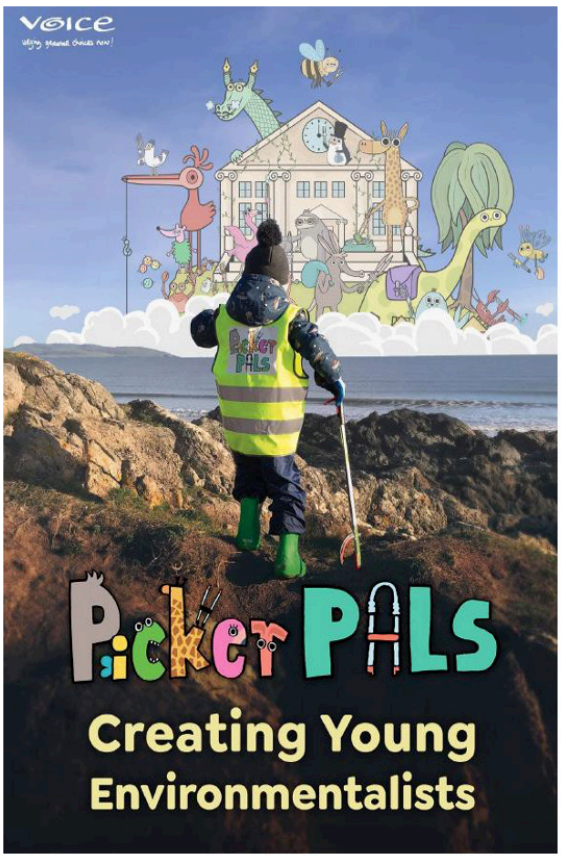

Bhain ár straitéis um ardú feasachta úsáid as raon leathan bealaí éagsúla chun cumarsáid a dhéanamh faoin tionscadal, ó na meáin chlóite go dtí na meáin dhigiteacha agus ó bhéal go béal trí idirghníomhaíochtaí le Bailte Slachtmhara, Scoileanna Glasa, ranna eile laistigh den Chomhairle agus páirtithe leasmhara eile. Beimid ag cur na straitéise seo i bhfeidhm ar feadh ré iomlán an tionscadail agus ina dhiaidh sin chun a chinntiú go mbeidh rochtain leathan ann i measc páirtithe leasmhara eile agus an phobail i gcoitinne.

On 13th December 2019, Cavan County Council introduced Bye-Laws in relation to the segregation, storage and presentation of household & commercial waste within its functional area pursuant to Part 19 of the Local Government Act 2001, as amended and Section 35(1) of the Waste Management Act 1996, as amended.

Who do these bye-laws apply to?
- These bye-laws apply to all households, apartments and commercial premises in County Cavan.

Why do we need these bye-laws?
- To help you manage your waste in an environmentally acceptable manner.
- To ensure that your waste is only given to an authorised door-to-door waste collector or brought to an authorised waste facility e.g. civic amenity sites, bring centre.
- To help ensure your waste is correctly segregated.
- To reduce illegal dumping and backyard burning.
- By correctly managing your waste you will:
  - Make a contribution to meeting the climate challenge.
  - Improve the quantity and quality of recyclable material collected.
  - Reduce the amount of waste going to landfill and incineration.
  - Help conserve planet Earth's finite resources.

How do I comply with the bye-laws?
In order to manage your waste correctly you must either:
- Have a contract in place with an authorised door-to-door waste collector.
- Have a bin sharing agreement in place. Ensure that the account holder has provided you with proof of agreement.
- Demonstrate regular use of an authorised waste facility e.g. civic amenity site.

Whichever option you choose, you must be able to provide documentary evidence, such as receipts, statements or other proof of payment or for bin sharing a signed letter of consent from the person who holds the contract.

What else do I have to do?
- You must segregate recyclable waste from your residual waste and present these separately. Note: If you are living in an urban area, small town or village with a population of over 500, you must also segregate your food waste.
- When using a permitted door-to-door waste collector you must ensure that your waste is presented for collection in a wheeled bin on the day designated by your collector. The wheeled bin cannot be presented for collection before 6pm on the day preceding the collection and must be removed no later than 9pm on the designated waste collection day.
- The wheeled bin presented for collection, must:
  - Be maintained in a good state of repair.
  - Not be overfilled.
  - Not contain any hazardous waste e.g. batteries, aerosols.
  - Not contain waste electrical and electronic equipment.
  - Be removed from the kerbside when the collection has been completed.

How do I comply if I live in an apartment?
If you live in an apartment, the bye-laws apply to you as described above. The bye-laws require your management company/apartment owner to ensure adequate containers are provided for all segregated waste fractions within the apartments designated waste storage point. You are obliged to segregate waste within your own apartment.

What happens if I don't comply?
Failure to comply with any of the requirements of the bye-laws may result in a Fixed Penalty Notice of €75 being issued by a member of Cavan County Council or a fine on conviction of up to €2,500.

You will find everything you need and want to know about managing your waste responsibly, efficiently and in the way that suits you at www.mywaste.ie.

You can visit www.cavancoco.ie to find your nearest civic amenity sites and recycling bring centres.

Fodhlíthe Cur i Láthair Dramhaíola a Chur Chun Cinn – Bileoga eolais a phriontáil, Fógra i Nuachtán Anglo Celt, feachtas feasachta ar na meáin shóisialta

Riosca agus Tionchar

Ba thruailliú comhshaoil agus baoil do shláinte an duine é dramhaíl tí a dhumpáil ó eastát comhairle go dtí na páirceanna in aice leis.

Costas Foriomlán

€2,780.75

Achoimre

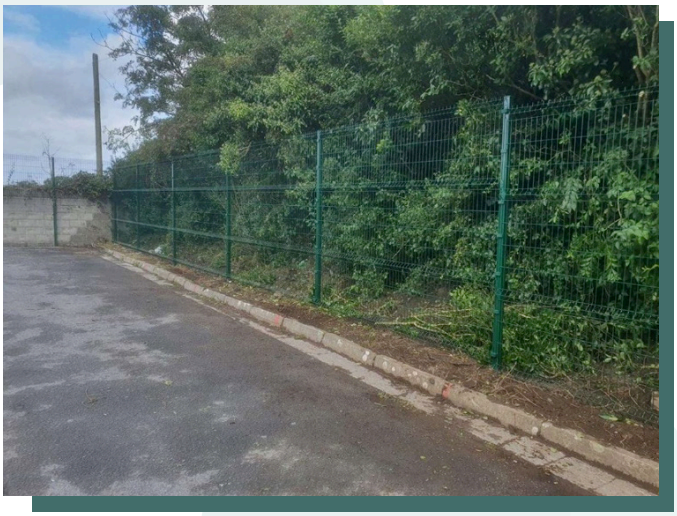

Bhí fadhb leanúnach le dumpáil ag Plás Mhichíl, Cill Mhichíl. Anuraidh úsáideadh €7,771.35 d'airgead ADI chun fál a chur suas feadh teorainn an eastáit seo, rud a chuir cosc ar dhumpáil thar an mballa isteach sa pháirc in aice láimhe. I mbliana aistríodh an dumpáil níos faide feadh teorainn an eastáit, go dtí cuid neamhfhálaithe de mhaoin chomharsanachta agus mar sin caitheadh €2,780.75 breise ar shíneadh líne an chlaí, agus an t-eastát faoi iamh go hiomlán. Scríobhadh chuig gach cónaitheoir san eastát faoi na Fodhlíthe um Bainistiú Dramhaíola ag iarraidh orthu fianaise a sholáthar ar a modh diúscartha dramhaíola.

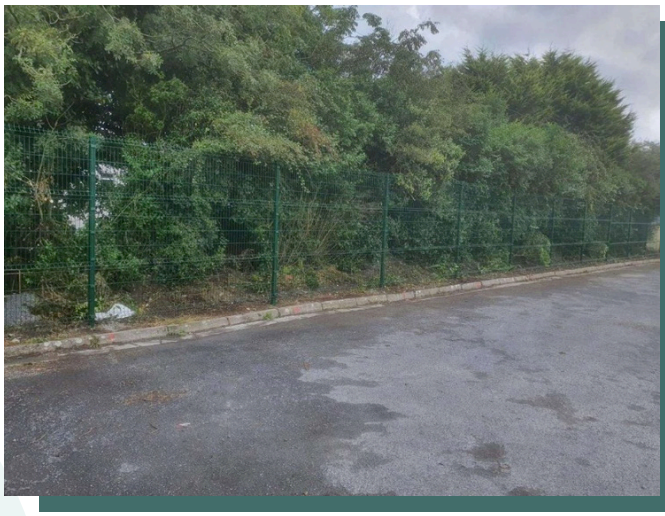

Sonraí Foriomlána

Is eastát faoi úinéireacht na comhairle go príomha é Plás Mhichíl, Cill Mhichíl, in aice le páirc agus clós súgartha do leanaí. Bhí fadhb leanúnach le dumpáil mhídhleathach ón eastát seo thar bhalla teorann an eastáit. Anuraidh cuireadh claí ar an limistéar oscailte a fheictear thuas. Ansin bhog an dumpáil go dtí cuid gan fhál den teorainn. I mbliana cuireadh fál ar an gcuid neamhfhálaithe, rud a scar an t-eastát go hiomlán ó réadmhaoine in aice láimhe. Mar a dúradh thuas, tá scríofa anois freisin chuig gach cónaitheoir san eastát faoi na Fodhlíthe um Bainistiú Dramhaíola ag iarraidh orthu fianaise a sholáthar ar a modh diúscartha dramhaíola, agus leanann ár Maor Pobail ag patról ar an eastát mar iarracht chun an fhadhb a réiteach.

A. Torthaí:

Cuireadh cosc ar thruailliú comhshaoil féideartha trí fhál a chur suas timpeall teorainn iomlán an eastáit seo. Cuireadh na Fodhlíthe um Bainistiú Dramhaíola i bhfeidhm anseo trí iarraidh ar chónaitheoirí fianaise a sholáthar ar a modhanna diúscartha dramhaíola. Táthar ag súil go laghdófar an fhadhb trí na Fodhlíthe a úsáid i gcomhar leis an gclaí.

Fencing Erected

Riosca agus Tionchar

Feasacht comhshaoil chun oideachas a chur ar bhruscar agus é a chosc agus chun deighilt cheart i gcoimpléisc árasán a chur chun cinn.

Costas Foriomlán

€3,152

Achoimre

Tháinig rannóg forfheidhmithe dramhaíola Chomhairle Cathrach Chorcaí i gcomhar le VOICE le chéile chun tionscadal Uasghrádú Eispéireas Araidí Comhroinnte a thabhairt isteach, chun scrúdú a dhéanamh ar na saincheisteanna uathúla a bhaineann le saoráidí bruscair roinnte i bhForbairtí Ilaonad agus chun réitigh a fhorbairt ar éilliú sa bhosca bruscair roinnte. Tá an tionscadal seo á reáchtáil go rathúil cheana féin ag eagraíochtaí eile agus mar sin cheapamar go bhféadfadh sé a bheith tairbheach maidir le roinnt bloc árasán ina bhfuil fadhbanna againn faoi láthair agus a bhfuil teagmháil déanta againn cheana féin leis na cuideachtaí bainistíochta.

Sonraí Foriomlána

Cuspóir agus Scóip
Tá fostú VOICE chun na nithe seo a leanas a sholáthar do Chomhairle Cathrach Chorcaí:

• An treoirthionscadal USE a reáchtáil le 2 shuíomh breise: Árasáin Elderwood (50 aonad) agus Ascaill Manor Wood (142 aonad). Go dtí iomlán de 192 aonad.

Áireoidh sé seo na hábhair agus an tacaíocht seo a leanas in aghaidh an láithreáin:
• 1 mhála athchúrsála in aghaidh an aonaid (192 san iomlán)
• 1 bhosca dramhaíola bia in aghaidh an aonaid le rolla amháin de mhálaí múirín agus greamán dramhaíola bia
• Ceardlann amháin d'fhoireann gníomhaireachta bainistíochta agus don fhoireann talún
• Ceardlann amháin do chónaitheoirí
• 3 chomhartha limistéir araidí a chlúdaíonn athchúrsáil, dramhaíl bia agus dramhaíl ghinearálta
• 6 chomhartha comhlimistéir
• 1 phlean cumarsáide don ghníomhaireacht bhainistíochta
• Tacaíocht leanúnach a bhaineann leis an gclár go dtí Eanáir 2022.

Torthaí

Scaradh dramhaíola níos fearr

Tuilleadh boscaí bruscair ar fáil

Tuilleadh oideachais agus feasachta i measc tionóntaí agus cuideachtaí bainistíochta

Comhairle Contae Chorcaí

Sherkin and Heir Island Clean Up

Comhairle Contae Chorcaí
Cork County Council

Riosca agus Tionchar

Déanfar iniúchadh ar dhramhaíl a bhailítear le haghaidh fianaise inaitheanta agus déanfar gníomh forfheidhmithe nuair is féidir.
Má dhéantar na láithreáin a ghlanadh, cuirfear cosc ar a thuilleadh trealaimh iascaireachta nach bhfuil in úsáid agus bainfear úsáid as comharthaíocht frithdhumpála.

Costas Foriomlán

€5,001.94

Achoimre

Tá grúpaí an-ghníomhach Cósta Glan ag an dá oileán atá i mbun glantacháin ar na hoileáin go leanúnach. Go stairiúil bhí sé beagnach dodhéanta earraí dramhaíola a dhiúscairt ó oileán. Mar sin féin, d'athraigh feabhsuithe ar iompar agus ar bhonneagar é seo. Is bealach inacmhainne agus inrochtana é earraí a dhiúscairt ar bhád farantóireachta lasta, i gcomhpháirtíocht le Comhairle Contae Chorcaí le dramhaíl a bhaint den oileán agus tá rochtain ag cách air.

Sonraí Foriomlána

I gcomhpháirtíocht le Comhairle Contae Chorcaí, glanadh limistéar an chuain mar aon leis na limistéir thaitneamhachta. Tógadh smionagar agus bruscar muirí a glanadh suas ar an gcladach agus limistéar an chuain ón oileán lena dhiúscairt ag oibritheoirí dramhaíola ceadúnaithe.

Ghlac na páirtithe leasmhara seo a leanas páirt sa tionscadal seo t.

- Comhairle Contae Chorcaí
- Cónaitheoirí an oileáin
- Grúpaí Forbartha na nOileán

Toisc nach dócha go réiteofar ceist an bhruscair mhuirí go luath, oibríonn na páirtithe go léir go dian dícheallach gach bliain chun na tránna, na céanna agus cois an bhóthair a ghlanadh chun a chinntiú go mbíonn cuma mhaith ar na hoileáin do mhíonna an tsamhraidh.

Tá an t-iarratas seo á dhéanamh ar son dhá oileán, is iad sin Oileán Sherkin & Oileán Heir. Tá fadhb leanúnach ag an dá oileán maidir le smionagar bruscair taoide a nitear aníos ón Aigéan Atlantach tar éis drochaimsire agus stoirmeacha farraige. Nuair a thagann sé ar an gcladach, níl aon rogha eile ann ach é a phiocadh agus é a bhaint den Oileán(í).
Níl aon áis ag Oileán Heir inar féidir earraí caite a stóráil nó a dhiúscairt. Tá an t-ádh dearg ar Sherkin Island go bhfuil ionad beag ann atá in ann dramhearraí a stóráil.

- Mar is amhlaidh le gach gné de shaol an Oileáin, tá gach rud ag brath ar an taoide agus ar an aimsir. Mar sin, b'fhéidir nach mbeadh duine in ann míreanna níos mó a dhiúscairt ar feadh míonna ag an am.

- Bailiú/diúscairt smionagar bruscair plaisteach cois cósta/muirí a nite suas ar chósta / tránna Sherkin & Oileáin na hIorua. Seanlíonta iascaireachta/trealamh iascaireachta nach bhfuil in úsáid a bhaint as na tránna.

- Ag tacú le hOibrithe Deonacha Phobal an Oileáin & Cósta Glan.

WERLA Chonnacht Uladh

WERLA Chonnacht Uladh – Teicneolaíocht SMART

Riosca agus Tionchar

Cuirfidh ceannach drone ag an CU WERLA le cumas forfheidhmithe dramhaíola d'Údaráis Áitiúla ar fud an réigiúin agus iad ag fiosrú agus ag measúnú saoráidí dramhaíola údaraithe agus neamhúdaraithe faoin Acht um Bainistiú Dramhaíola 1996, arna leasú.

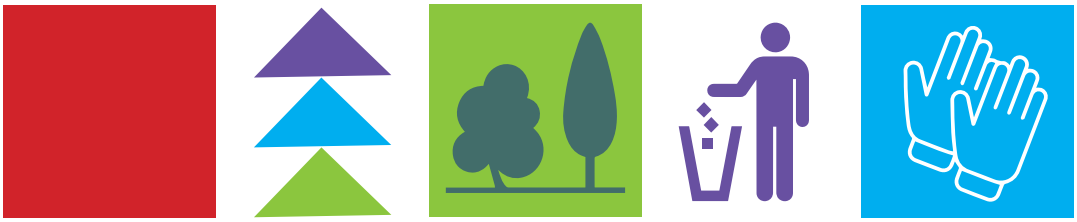

Costas Foriomlán

€20,642.49

Achoimre

Cheannaigh an CU WERLA drone suirbhé Matrice 300 RTK chun cumas seirbhíse na hoifige don réigiún a fheabhsú. Tá sonraíocht tráchtála ag an drone ar féidir leis íomhánna ardchaighdeáin a ghabháil ag baint úsáide as ceamara fráma iomlán. Ceadaíonn an íomháineachas seo in éineacht le feidhmiúlacht RTK ardchruinneas agus an cumas mapáil 3D agus ríomhanna toirtmhéadracha dramhaíola a éascú. Tá gnéithe feabhsaithe ag an drone cosúil le ham eitilte 55 nóiméad, rátáil IP45, tacaíonn sé le hualaí pá iolracha, córas bainistíochta sláinte agus braiteadh treo 6 agus suíomh le haghaidh sábháilteacht fheabhsaithe eitilte.

Sonraí Foriomlána

I mí Aibreáin 2021 d'fhoilsigh an WERLA CU Measúnú Tionchair ar Chosaint Sonraí (DPIA) chun drones a úsáid go follasach ag saoráidí dramhaíola údaraithe agus neamhúdaraithe chun sáruithe ar an reachtaíocht um bainistiú dramhaíola a chosc, a bhrath agus a ionchúiseamh. Tá an DPIA bunaithe ar oibríochtaí CU WERLA, agus forbraíodh é i gcomhairle leis an gCoimisiún um Chosaint Sonraí (DPC). Bhí formhuiniú an DPIA ag an CCS mar thaca le húsáid na teicneolaíochta drone le haghaidh forfheidhmiú dramhaíola agus cheannaigh an WERLA CU drone sonraíochta tráchtála nua chun cur le cumas forfheidhmithe d'Údaráis Áitiúla ar fud an réigiúin.

Torthaí

Thug an tAontas Eorpach isteach rialacháin nua (Rialachán (AE) 2019/947) le haghaidh oibriú na gCóras Aerárthaí Gan Foireann (UAS) a shonraíonn rialacha agus nósanna imeachta maidir le hoibriú UAS, cian-inniúlacht píolótach agus teorainneacha úsáide. Agus an t-athrú rialacháin seo á gcur san áireamh agus drone nua á cheannach, chuir an CU WERLA tús le hathbhreithniú ar lámhleabhair oibríochta dróin, measúnuithe riosca eitilte agus inniúlacht píolótach. Tar éis an athbhreithnithe seo, thug foireann CU WERLA faoi athoiliúint chun teastas inniúlachta cianphíolótach UAS a fháil mar a éilítear faoin gcóras rialála nua. Aithníodh an lámhleabhar oibríochta agus na measúnuithe riosca eitilte le haghaidh athdhréachtú chun ceanglais rialála níos airde a chomhlíonadh. Tá an obair seo ar siúl i gcomhairle le speisialtóir dróin agus táthar ag súil leis an tasc a chríochnú go luath in 2022. Scaipfidh an WERLA CU an méid a foghlaimíodh ón bpróiseas leis na hÚdaráis Áitiúla a chomhdhéanann é in am trátha.

Chomhairle Contae Dhún Laoghaire-Ráth an Dúin

Tionscadal 'Bailithe Dramhaíola Guaisí'

Riosca agus Tionchar

Riosca: Déantar dramhaíl ghuaiseach a dhiúscairt i mbailiúchán araidí rothaí, a dhumpáil nó a dhiúscairt síos draenacha.

Impact: Laghdaigh an méid dramhaíola guaisí tí a thugtar do bhailitheoirí dramhaíola neamhúdaraithe nó a dhumpáiltear go mídhleathach.

Costas Foriomlán

€21,562.56

Achoimre

Tionóladh Bailiúchán Dramhaíola Guaisí an 11 Meán Fómhair 2021 ag Cuan Dhún Laoghaire.

Sonraí Foriomlána

Is imeacht ollmhaithiúnas é seo do dhramhaíl ghuaiseach tí a reáchtáiltear mar bheart coiscthe. Láimhseálfar i gceart dramhaíl ghuaiseach a d'fhéadfadh a bheith tugtha do bhailitheoirí dramhaíola neamhúdaraithe agus cuirfidh sé sin cosc ar dhumpáil mhídhleathach na dramhaíola seo ar fud an Chontae.

A. Torthaí

Bailíodh 14.599 tonna de dhramhaíl ghuaiseach ar an lá.
Ní dhumpáiltear gach dramhaíl ghuaiseach go mídhleathach ach tá sé mar aidhm ag an imeacht seo an méid atá ann a laghdú.

- Fógraíodh ar na meáin shóisialta, facebook twitter agus instagram.
- Comharthaí ag Páirc Athchúrsála Bhaile Uí Ógáin, Ionad Athchúrsála Pháirc Éidin agus Ionad Athchúrsála Sheangánaí agus 10 n-ionad in aice leis an gceantar a fhógraíonn an ócáid.
- Cuireadh comhairleoirí ar an eolas roimh ré agus chuir siad an ócáid chun cinn.
- Cuireadh grúpaí pobail ar an eolas roimh ré agus chuir siad an ócáid chun cinn.

Riosca agus Tionchar

An feachtas Feasachta ADI arna fhorbairt ag www.mywaste.ie

Costas Foriomlán

€239.85

Achoimre

An feachtas Feasachta ADI arna fhorbairt ag mo dhramhaíl a chur chun cinn in 2020 trí íomhánna roghnaithe a thaispeáint trí chomharthaíocht roghnaithe Gateway ar feadh tréimhse coicíse. Bainfear úsáid as na comharthaí seo ansin in áiteanna straitéiseacha i nDún na nGall.

An feachtas Feasachta ADI arna fhorbairt ag www.mywaste.ie a chur chun cinn in 2020 trí íomhánna roghnaithe a thaispeáint in dhá pháipéar áitiúla.

Pléadh an tionscnamh seo ag Cruinnithe Oibríochtaí CUWERLA agus is tionscnamh é a bhfuiltear ag iarraidh air.

Sonraí Foriomlána

Úsáideadh na sócmhainní a d'fhorbair an fhoireann ag www.mywaste.ie chun díriú ar fhoinse na faidhbe trí íomhánna agus teachtaireachtaí an-mhaithe.

Torthaí

Úsáid a bhaint as íomhánna agus teachtaireachtaí a tháirgtear go náisiúnta chun aird an phobail i gCo. Dhún na nGall a mhealladh.

Táthar ag súil go gcabhróidh an tionscadal le haidhmeanna an Tionscnaimh Frithdhumpála a bhaint amach agus go bhfeicfear do dhaoine conas a dhéantar bainistiú ar dhramhaíl sa chontae agus go bhfeabhsófar an tseirbhís atá á cur ar fáil dár bpobal.

Comhairle Cathrach Bhaile Átha

Tionscadal um Athéileamh ar Ghríosú Gort na Silíní

Comhairle Cathrach Bhaile Átha Cliath
Dublin City Council

Riosca agus Tionchar

- Gort na Silíní - Athéileamh ar Graze
- Fálú le haghaidh cosc
- Glan suas agus athúsáid 200 tonna
- Feasacht agus tacaíocht For-rochtana Pobail.
- Oibríocht faireachais
- Bailiúchán dramhaíola mídhleathach agus dumpáil Gort na Silíní

Costas Foriomlán

€40,904.31
€15,623.00 á éileamh trí mhaoiniú ADI.

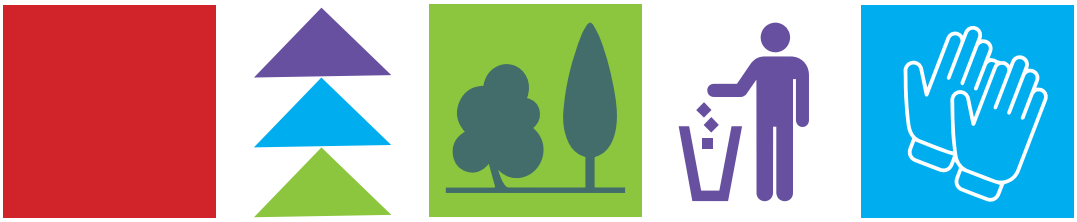

ROIMH - Dramhaíl capaill aoiligh agus ábhair a dumpáiltear go mídhleathach.

TAR ÉIS- Fál pailise glanta agus geata, teorainn ath-ailínithe.

Achoimre

Bhain 200 tonna de dhramhaíl mheasctha amach ag Thorntons agus cuireadh fálú suas chun na tailte breise a deonaíodh ar léas don Ionad Eachaí a dhaingniú chun talamh féaraigh a fháil ar ais dá n-ainmhithe. Glanadh an suíomh le hacmhainní breise curtha ar fáil ag Shane Thornton chun é seo a éascú. Tá Comhairle Cathrach Bhaile Átha Cliath le híoc as an bhFálú - Oifig Cheantair Bhaile Formaid ag tabhairt 5K & Rannóg Forbartha ag íoc an fuílleach. D'aontaigh an tIonad Eachaí €4,000 a thabhairt. Cuirfear síolú ar an talamh chun féarach a cheadú ar chostas thart ar 2k a sholáthróidh an tIonad Eachaí. Comhaontaíodh imréiteach breise ar thailte poiblí tadhlach a úsáideann lóistín an Lucht Siúil sa chomharsanacht dá féarach capall i bpíosa rannpháirtíochta le príomhbhaill an phobail chun a chinntiú nach ndumpáiltear aoileach capall ar bith sa láthair seo.

Sonraí Foriomlána

D'aontaigh Thorntons iompar a sholáthar dá saoráid chun an 200 tonna de dhramhaíl mheasctha a dhiúscairt. Cuireadh an fál in airde thar roinnt seachtainí. D'íoc Comhairle Cathrach Bhaile Átha Cliath, an Rannóg Forbartha agus Oifig Ceantair Bhaile Formaid/Droimneach an costas le ranníocaíocht de €4000 ón Ionad Eachaí.

Oibreacha breise: Tá baint na toir tar éis dheireadh an tséasúir neadaithe faoi lánseol (roinnfear an costas idir Public Domain agus an tIonad Eachaí agus Thorntons ag soláthar tarlaithe) agus gléasra mar thionscadal leasa pobail. Tá píosa feasachta agus oideachais socraithe ag an ionad eachaí le Horse Power agus leis an bpobal áitiúil a bhfuil baint acu le húinéireacht capall i gcóngaracht Gort na Silíní. Tá plé ar siúl freisin leis an Ionad Eachaí, Rannóg Bainistíochta Dramhaíola agus Leas Ainmhithe Chomhairle Cathrach Bhaile Átha Cliath ar cheadúnú agus diúscairt dramhaíola/leapacha capall d'fhonn athbhreithniú agus treoirthionscadal a bhunú.

Torthaí

- Torthaí: Dumpáil Neamhdhleathach carntha agus baineadh an dumpáil reatha.
- Limistéar cosanta ó dhumpáil sa todhchaí ag fál pailis teorann.
- Píosa For-rochtana Feasachta/Oideachais le Horse Power áitiúil agus leis an bpobal capall áitiúil.
- Iarratas faireachais forfheidhmithe le Forfheidhmiú Dramhaíola chun díriú ar dhumpáil mhídhleathach/bhailiú dramhaíola ag roinnt ball den phobal áitiúil capall (Dumpáil Capall & Tralaí) ar siúl
- Tá plé ar siúl maidir le Tionscadal Píolótach ar shruthanna dramhaíola capall i gceantar Gort na Silíní ar siúl.
- Rannpháirtíocht leis an nGrúpa Cumhachta Capall áitiúil tríd an DSPCA chun leas na gcapall agus diúscairt dramhaíola eachaí comhlíontach a chur chun cinn. (I mí Mheán Fómhair chuaigh Oifigeach Oideachais na RGSPT i dteagmháil le húinéirí capall áitiúla trí chúrsa cúram bunúsach d'úinéirí capall. Bhí sé mar phríomhfhócas ar dhramhaíl eachaí agus ar an modh diúscartha ceart. Chuaigh Bainisteoir Clós COEC i dteagmháil le príomhbhaill den lucht taistil socraithe sa chóiríocht don Lucht Siúil taobh leis. láithreacha Naomh Oilibhéar agus Radharc an Droichid chun muinín a chothú agus tiomantas láidir a fháil chun comhlíonadh a chur chun cinn i ndiúscairt dramhaíola eachaí agus tí).
- Go dtí seo níor dhumpáil a thuilleadh feadh theorainn an Ionaid Eachaí ag Ave na Páirce Thiar/Bóthar Chnoc Seimre.

Dumha 200 tona de dhramhaíl mheasctha seanteorainn na Páirce Thiar/ Bóthar Chnoc Seimre Gort na Silíní

Riosca agus Tionchar

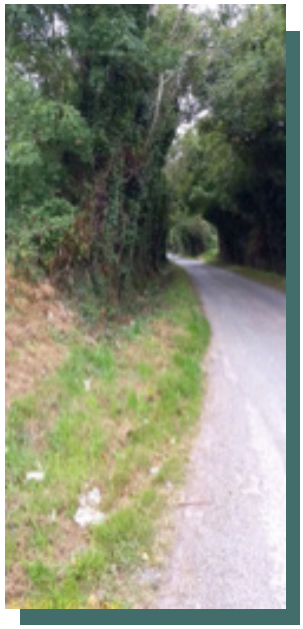

- Cosc a chur ar shláinte an duine i mbaol.
- Cosc a chur ar mhealladh míolra.
- Tionchar ar éiceachórais uisceacha, talún agus aeir a laghdú.
- Díspreagadh tuilleadh dumpála dramhaíola agus dó dramhaíola sa réimse seo.

Costas Foriomlán

€24,354.00

Roimh

Tar éis

Achoimre

Bhí sé mar aidhm ag faireachas ceilte TCI fianaise a fháil ar ghníomhaíochtaí dramhaíola mídhleathacha a bhí ar siúl ar Lána an Chuain. Úsáideadh an faireachas ceilte ansin chun gníomh forfheidhmithe a ghlacadh faoin Acht um Bainistiú Dramhaíola 1996 agus faoin Acht um Thruailliú Bruscair 1997 chun daoine a dhíspreagadh ó thuilleadh dumpála mídhleathaí. Baineadh úsáid as roinnt ceamaraí ceilte a ndearnadh monatóireacht orthu 24/7 chun pictiúr a chruthú ar a raibh ag tarlú ar an talamh, cá raibh na príomhréimsí dubh agus cé a bhí freagrach.

Sonraí Foriomlána

Is láthair dhubh é Lána an Chuain le haghaidh diúscartha mídhleathach, dumpála mídhleathach agus dó dramhaíola. Déanann Roinn Oibríochtaí Chomhairle Contae Fhine Gall méid suntasach dramhaíola ó dhumpáil mhídhleathach a bhaint ar bhonn rialta agus baineann costas suntasach leis seo don Chomhairle. Níor éirigh le bearta coisctheacha mar chomharthaíocht, feachtais feasachta agus méadú ar phatróil bruscair san am a chuaigh thart agus mar thoradh air sin bhí gá le bearta forfheidhmithe breise chun na ciontóirí a aithint.

Cruthaíonn gníomhaíocht dramhaíola mídhleathach agus dumpáil mhídhleathach riosca suntasach do shláinte an duine agus don chomhshaol trí chórais uisceacha, aeir agus talún a bheith truaillithe nuair a fhágtar dramhaíl le lobhadh nó nuair a dhóitear í d'aon ghnó. Chun cabhrú leis an ngníomhaíocht mhídhleathach dramhaíola seo a stopadh agus tuilleadh riosca comhshaoil a chosc, bhí gá le faireachas rúnda CCTV a úsáid chun fianaise a bhailiú le haghaidh ionchúisimh agus chun gníomhú mar chosc ar dhumpáil mhídhleathach breise sa réimse seo. Tháinig laghdú suntasach ar an leibhéal dumpála nuair a thuig daoine go raibh teicneolaíocht TCI á húsáid chun ciontóirí a bhrath a raibh bagairt orthu go ndéanfaí caingean cúirte ina dhiaidh sin.

Torthaí

Bhí líon na dteagmhas agus an méid dramhaíola a dumpáladh sa limistéar seo i bhfad níos ísle mar thoradh ar chomharthaíocht bhreise frithdhumpála a chur suas agus suiteáil ceamaraí faireachais ceilte ag príomhshuímh. Baineadh úsáid as an scannán faireachais TCI chun litreacha rabhaidh agus fíneálacha bruscair a eisiúint agus tá comhad dlíthiúil á ullmhú faoi láthair chun daoine aonair atá freagrach as gníomhaíochtaí mídhleathacha dramhaíola a ionchúiseamh faoin Acht um Bainistiú Dramhaíola, 1996 agus faoin Acht um Thruailliú Bruscair 1997. Leanfar den fhaireachas ar feadh roinnt seachtainí eile. a áirithiú go gcuirfear an teachtaireacht in iúl nach nglacfar le dumpáil mhídhleathach a thuilleadh, agus go ndéanfar beart forghníomhaithe i gcoinne na ndaoine a aimsítear freagrach.

Roimh

Tar éis

Riosca agus tionchar

Is minic gur láithreán dumpála mídhleathaí iad cosáin agus lánaí in eastáit tithíochta. Trí rannpháirtíocht an phobail, bhí sé mar aidhm ag an tionscadal seo braistint úinéireachta a chothú i gcónaitheoirí a chónaíonn in aice leis na lánaí trí na lánaí, i gcomhpháirtíocht le cónaitheoirí áitiúla, a chlaochlú go spásanna bríomhara a bhféadfadh an pobal taitneamh a bhaint astu, rud a laghdódh an dóchúlacht go dtarlódh dumpáil mhídhleathach.

Costas Foriomlán

€19,958.05

Achoimre

Chomhcheangail an tionscadal seo glanadh lánaí i gCathair na Gaillimhe le hoibreacha feabhsúcháin agus imeachtaí pobail. D'oibrigh an Chomhairle le cónaitheoirí a chónaíonn in aice le trí lána sa chathair, le lána amháin (Bóthar na Carraige sa Taobh Thiar) roghnaithe mar shuíomh le haghaidh oibreacha feabhsúcháin suntasacha, lena n-áirítear péinteáil agus plandáil. Chríochnaigh an tionscadal lá gníomhaíochta pobail, agus dhá sheachtain ina dhiaidh sin bhí imeacht oifigiúil ar fhreastail Méara Chathair na Gaillimhe air

Sonraí Foriomlána

Tá cosáin agus lánaí in eastáit tithíochta aitheanta ag Comhairle Cathrach na Gaillimhe mar limistéar ina bhfuil fadhb le dumpáil mhídhleathach. Sna blianta roimhe seo, i dtionscadail atá maoinithe tríd an Tionscnamh Frithdhumpála, rinne an Chomhairle glantacháin ar lánaí ar fud na cathrach agus bhunaigh sí clár de lánaí chun monatóireacht agus bainistíocht leanúnach na láithreán a éascú ag na maoir phobail.

Tógann an tionscadal 'Glasú na Lánaí' ar rath na hoibre roimhe seo trí chomhpháirtíocht leis na pobail a chónaíonn in aice leis na lánaí agus oibriú le chéile ar oibreacha feabhsúcháin agus ar bhainistiú na spásanna san fhadtéarma. Trí obair chomhoibríoch, athraíodh lána neamhfháilteach ina spás bríomhar, spraiúil agus neamhdhíobhálach don dúlra ar féidir leis an bpobal ar fad taitneamh a bhaint as.

Ar dtús, aithníodh trí lána don tionscadal seo. Rinneadh suirbhéanna suímh agus reáchtáladh cruinnithe le cónaitheoirí sa cheantar. Ar deireadh, roghnaíodh lána amháin mar thionscadal píolótach do 2021, Bóthar na Carraige in Iarthar Chathair na Gaillimhe.
Bhí rannpháirtíocht shuntasach pobail agus geallsealbhóirí ar siúl, ag críochnú le Lá Gníomhaíochta Pobail i Meán Fómhair 2021. Chomh maith le cónaitheoirí áitiúla, bhí Féile Ealaíon an Taobh Thiar, scoileanna áitiúla agus an leabharlann áitiúil páirteach freisin. Ar dtús, glanadh an lána, cumhacht-nite agus baineadh gach graifít. Chuir Comhairle Cathrach na Gaillimhe plandálaithe agus foireann ó Roinn Páirceanna na Comhairle ar fáil a chabhraigh le cónaitheoirí áitiúla agus le daoine óga bláthanna, toir agus 'tírdhreach inite' a chur le crainn torthaí, toir sútha talún agus, fiú, plandaí cabáiste. Bhí baint ag muintir na háite freisin le múrmhaisiú bríomhar a phéinteáil ar na téamaí gníomh aeráide, bithéagsúlacht agus frithbhruscair feadh an lána le cabhair ó ealaíontóir gairmiúil.

Ar an Satharn 9 Deireadh Fómhair 2021, nocht Méara Chathair na Gaillimhe, Colette Connolly an lána nua-fheabhsaithe.
Chuir an pobal i gcoitinne agus baill tofa suim shuntasach sa tionscadal, agus moladh roinnt lánaí cheana féin le haghaidh oibreacha comhchosúla in 2022. Fuair an tionscadal clúdach suntasach sna meáin freisin (léirítear ceannlínte samplacha thíos).

Tá físeán gearr den tionscadal ar fáil anseo: https://www.youtube.com/watch?v=-TLipWPb5B0

Seo a leanas anailísí na meán sóisialta:

Torthaí

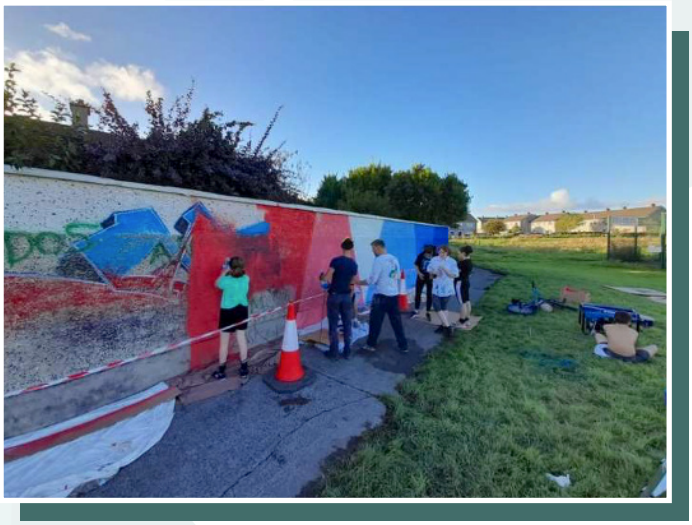

- Laghdú ar dhumpáil mhídhleathach ar lánaí i gCathair na Gaillimhe.
- Laghdú ar graifítí (níl aon graifítí ar an mballa ó péinteáladh é).
- Mothú úinéireachta méadaithe agus mórtas pobail i measc cónaitheoirí a chónaíonn in aice leis na lánaí.
- Feasacht mhéadaithe an phobail, trí rannpháirtíocht an phobail agus clúdach sna meáin.
- Bithéagsúlacht mhéadaithe sa cheantar.
- Fuair an tionscadal tacaíocht ó chomhaltaí tofa na cathrach agus tá suim ann é a leathnú go ceantair eile i gCathair na Gaillimhe.

Large billboard design

Achoimre

D'fhostaigh Comhairle Chontae na Gaillimhe cláir fhógraí leictreonacha ar feadh roinnt seachtainí i mí Mheán Fómhair a léirigh teachtaireacht Frithdhumpála. Suiteáladh iad seo ag áiteanna aitheanta dumpála agus ar na bóithre isteach chuig na bailte móra sa chontae.

Dearadh fógra mór frithdhumpála agus cuireadh ar taispeáint é ar chláir fógraí móra ar fud an chontae.

Ina theannta sin, tá comharthaí maighnéadacha faighte freisin dár veaineanna Maor Pobail a bhfuil teachtaireacht Frithdhumpála orthu.

Sonraí Foriomlána

Beidh na comharthaí leictreonacha agus na cláir fhógraí ina radharc tábhachtach don phobal maidir le dumpáil mhídhleathach agus na hiarmhairtí dóibh siúd a dhéanann amhlaidh. Ardaíonn na comharthaí maighnéadacha dár veaineanna maor feasacht an phobail arís ar sheirbhís na maor pobail agus ar a feidhm maidir le himscrúdú a dhéanamh ar ghearáin dramhaíola agus ar fhorfheidhmiú an Achta um Bainistiú Dramhaíola.

Torthaí

- Feasacht mhéadaithe an phobail ar bhailitheoirí dramhaíola neamhúdaraithe.
- Laghdú ar dhumpáil ag spotaí dubha aitheanta.

Comharthaí teachtaireachta athraitheacha in úsáid ar fud an chontae ag taispeáint teachtaireachtaí éagsúla

Fógra cláir fógraí ar taispeáint i dTuaim, Co na Gaillimhe

Comharthaí maighnéadach do veaineanna

Riosca agus Tionchar

Riosca diúscartha dramhaíola mídhleathach as a dtagann truailliú comhshaoil, lena n-áirítear riosca bruscair, boladh srl.

Costas Foriomlán

€17,712

Achoimre

Dlúth-araidí grianchumhachtaithe ar cíos ag láithreacha éagsúla turasóireachta i gCo. Chiarraí.

Sonraí Foriomlána

Shuiteáil Comhairle Contae Chiarraí 12 aonad dhlúthúcháin gréinechumhachtaithe agus 6 aonad athchúrsála neamhdhlúthaithe ag láithreacha éagsúla i gContae Chiarraí. Clúdóidh maoiniú deontais cíos na mboscaí bruscair seo don tréimhse Márta 2021 go Deireadh Fómhair 2021 san áireamh.

Torthaí

- Méadaíonn an cumas dhlúthaithe toilleadh an bhosca bruscair faoi suas le x10 i gcomparáid le gnáth-araid neamhdhlúthaithe. Tiomsaíonn na bogearraí scamallbhunaithe sonraí ó na boscaí bruscair aonair agus gineann sé foláirimh gan sreang nuair a bhíonn na boscaí bruscair lán agus nuair a bhíonn gá le bailiú. Déanann na bogearraí bealaí bailiúcháin a thiomsú freisin do na boscaí bruscair sin amháin a dteastaíonn seirbhísiú uathu – rud a shábháiltear in am, laghdú ar thrácht agus astuithe gaolmhara agus ar deireadh laghdaítear costais bhailiúcháin.

- Is féidir leis na boscaí bruscair oibriú in aon láthair mar go bhfuil siad faoi thiomáint gréine. Cinntíonn srianadh iomlán go gcoimeádtar bruscar isteach agus go bhfanann lotnaidí amuigh le haghaidh spásanna níos glaine. Tá cuma mhaith ar na boscaí bruscair agus tá lógó na comhairle le feiceáil ar aghaidh na mboscaí bruscair.

Chomhairle Contae Chill Dara

Tionscadal 'Glanta Pobail Chill Dúin'

Comhairle Contae Chill Dara
Kildare County Council

Riosca agus Tionchar

Dumpáil leanúnach as a dtagann carn dramhaíola sofheicthe i limistéar portaigh agus coillearnaí a bheadh tarraingteach ar bhealach eile. Bhí fadhbanna draenála go háitiúil mar thoradh ar dhumpáil freisin.

Costas Foriomlán

€6,481

Achoimre

Tionscnamh faoi stiúir an phobail chun déileáil le dumpáil mhídhleathach ar mhórscála leanúnach ar bhóthar portaigh. Meascán de bhaint dramhaíola ar scála mór, rannpháirtíocht pobail, teachtaireachtaí nuálaíocha agus teicneolaíocht trí TCI chun cosc a chur ar úsáid a bhaint as limistéar le haghaidh dumpála.

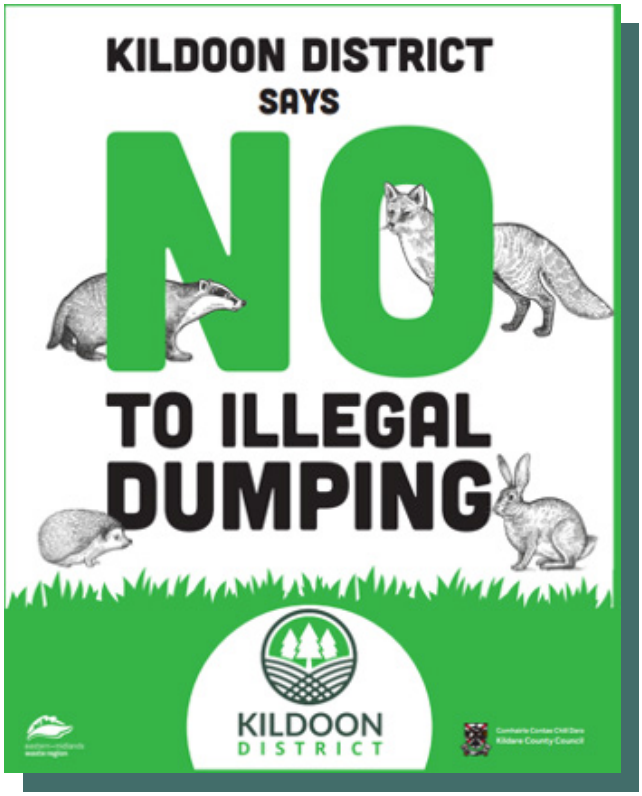

Sonraí Foriomlána

Rinne an Grúpa Meáin Shóisialta Pobail Áitiúil teagmháil leis an gComhairle chun smaointe a fháil maidir le dumpáil mhídhleathach leanúnach. Ba é an comhaontú ar thángthas air ná comharthaíocht shaincheaptha chun an cheist a chur chun suntais i ndáiríre ar stráice iargúlta de bhóthar portaigh sa cheantar. Bhí méid mór dramhaíola tí á dumpáil go rialta isteach sna díoga. Tar éis dhá ghlanadh mór, cuireadh na comharthaí in airde. Baineadh úsáid as na comharthaí ansin chun ceamaraí CCTV a choinneáil chun na dumpairí a bhrath. Tá anailís á déanamh ar shonraí CCTV faoi láthair.

Torthaí

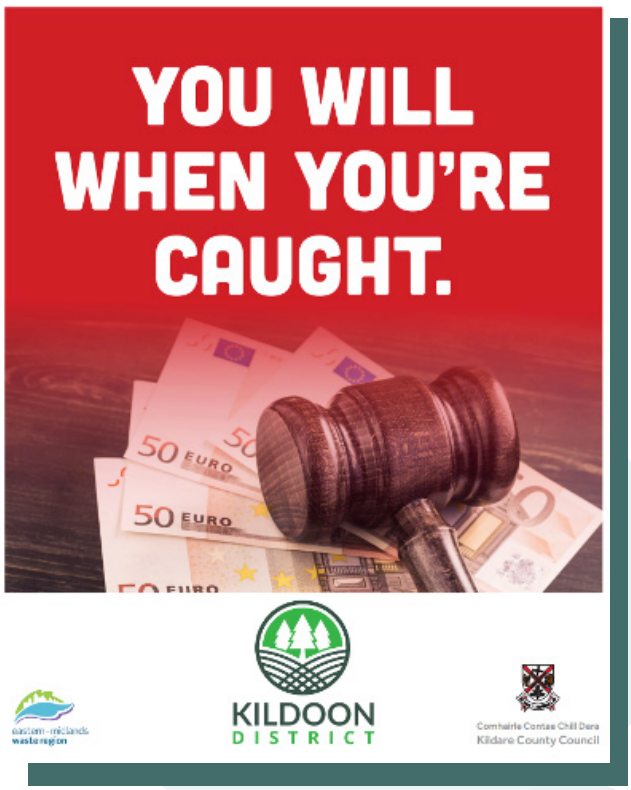

- Bhí próiseas an phobail i mbun dearadh na gcomharthaí an-suntasach – chothaigh sé go leor suim áitiúil mar go bhfuil an dumpáil ag cruthú frustrachais mhór go háitiúil.
- Chuidigh muintir na háite le fáil réidh leis an gcuid is mó den dramhaíl. Fostaíodh conraitheoir speisialtóra chun codanna áirithe den bhóthar a bhainistiú mar gheall ar dhoimhneacht na ndíoga.
- Cuireadh comharthaí in airde in ord chun aird na dtumadóirí a tharraingt agus a chur in iúl go bhfuil an limistéar á bhainistiú go gníomhach.
- Níor tharla dumpáil shuntasach ar bith ó cuireadh na comharthaí in airde, mar sin tá súil againn na comharthaí, mar aon le forairdeall leanúnach mhuintir na háite.
- Baineadh 1.32 tonna dramhaíola le linn an tionscadail, tar éis méid i bhfad níos mó (thart ar cheithre thona) a bhaint díreach sular cuireadh an tionscadal isteach.

Tionscadal Rothair don Afraic

Riosca agus Tionchar

Ní chuirtear aon bhaol ón tionscadal seo seachas na rothair i leataobh agus ní úsáidtear iad. Ar chlé ina luí thart ag deireadh gairdíní nó ar chúl na seideanna sa bhaile. Tá tionchar dearfach an tionscadail seo ar shaol leanaí scoile sa Ghaimbia do-tomhaiste.

Costas Foriomlán

€8,440.00

Achoimre

Ag leanúint ar aghaidh ón seoladh náisiúnta rathúil in 2020, d'éirigh thar barr leis an BFA thar líon mór údarás áitiúil. Mar gheall ar an Covid, rinneadh aonaid an Airm a mbíonn baint acu le rothair a bhailiú go hiondúil a atreorú chun cabhrú leis an vacsaíniú náisiúnta a chur i bhfeidhm. Tá an club Rotary tar éis dul isteach sa bhfolús agus shocraigh siad go mbaileofaí rothair ó na hÚdaráis Áitiúla ar fud na tíre.

Torthaí

Chuir obair le comhpháirtithe áitiúla ar nós An Garda Síochána, Óglaigh na hÉireann agus na Clubanna Rotary go mór le rath an tionscadail seo. Ba chuid mhór den rath a bhí ar an tionscadal seo freisin an fhoireann chairdiúil sa seomra conláiste cathartha

Is bua é-

- Comhshaol – athchúrsáil ar rothair nach dteastaíonn
- Athshlánú – Faigheann daoine a cuireadh chuig an bPríosún post lánbhrí
- An Geilleagar Ciorclach ag obair ar bhealach an-simplí
- Oideachas – Ag tacú le Leanaí na hAfraice oideachas níos fearr a fháil agus ár saoránaigh féin a chur ar an eolas faoin smaoineamh sula gcaitheann tú

Bhí an Covid in 2021 deacair maidir le Rothair a bhailiú. Atreoraíodh na Fórsaí Cosanta a chomhlíonann an ról seo de ghnáth chun cuidiú leis an iarracht náisiúnta vacsaínithe. Deonaíodh úsáid trucail ealaíne do Rotary Ireland i Meán Fómhair 2021 agus chuaigh siad timpeall chuig gach ceann de na háiseanna agus bhailigh siad na rothair iad féin le seachadadh chuig na príosúin oscailte..

Seo iad na Rothair go léir a seachadadh chuig Príosún Lachán

Riosca agus Tionchar

- Poitéinseal do dhumpáil mhídhleathach
- Poitéinseal do thinte cnámh ard-riosca thart ar Oíche Shamhna
- Acmhainneacht d'oibreoirí 'Man in Van'
- Deis laghdaithe d'oibreoirí 'Man in Van'
- Breosla laghdaithe do Thinte Chnámh Oíche Shamhna
- Laghdú ar dhumpáil mhídhleathach

Costas Foriomlán

€22,505.92 (Incl. VAT)

Achoimre

Bhí sé mar aidhm ag an tionscadal seo díriú ar réimsí fadhbacha ina mbíonn dumpáil mhídhleathach go minic agus sruthanna dramhaíola toirtiúla ar nós troscán tí agus tochtanna a ghabháil roimh thinte cnámh Oíche Shamhna. Roghnaíodh na limistéir ar díríodh orthu le haghaidh laethanta bailithe dramhaíola toirtiúla bunaithe ar roinnt glantacháin stairiúla agus ar chumas na dteaghlach dramhaíl toirtiúil a iompar.

Sonraí Foriomlána

Bhí Oíche Shamhna 2020 dúshlánach do Roinn Comhshaoil Chontae Laoise mar gheall ar líon mór sruthanna dramhaíola toirtiúla a bheith á carnadh le haghaidh Thinte Chnámh Oíche Shamhna. Rinneadh glantacháin i mí Dheireadh Fómhair 2020 ar an ábhar stoc-charn, ach is minic a chruthaigh sé seo rioscaí sláinte agus sábháilteachta.

Mar chuid den Tionscnamh Frithdhumpála 2021, bhí Laethanta Bailithe Dramhaíola Toirtiúla sceidealaithe i gceantair chónaithe ar fud an Chontae ag díriú ar cheantair ina mbíonn dumpáil mhídhleathach go minic.

Dhírigh na Laethanta Bailiúcháin Dramhaíola Toirtiúla freisin ar cheantair chónaithe áit a bhfuil an chuma ar an scéal go bhfuil cumas laghdaithe ann do dhaoine aonair sruthanna dramhaíola toirtiúla a iompar chuig an Ionad Áiseanna Cathartha áitiúil. Meastar go n-úsáideann daoine aonair a bhfuil cumas laghdaithe acu na sruthanna dramhaíola seo a iompar iad féin go minic ar úsáid a bhaint as seirbhísí bailitheoirí dramhaíola mídhleathacha lena n-áirítear oibreoirí 'Man in Van'.
Ghlac an tionscadal seo sruthanna dramhaíola toirtiúla ag an bhfoinse agus rinneadh dul chun cinn maidir le bogadh ar shiúl ó bhearta frithghníomhacha agus i dtreo coisctheach.

Bhí na céimeanna seo a leanas i gceist leis an tionscadal seo:

- Feithicil bailithe dramhaíola a chur in áirithe agus a chinntiú go mbíonn príomhfhoireann na Rannóige Comhshaoil ar fáil.

- Bileoga atá sainiúil don suíomh a chruthú le sonraí ar nós an dáta agus an t-am a dhéanfar an bailiú dramhaíola toirtiúla, cad iad na sruthanna dramhaíola a cuireadh san áireamh.

- D'iarramar ar chónaitheoirí glaoch a chur ar an Rannóg Comhshaoil agus a dhearbhú cad iad na míreanna dramhaíola a bhí acu. Thug sé seo tuairim dúinn ar na méideanna a mbeifí ag súil leo agus socruithe a dhéanamh chun iad a láimhseáil.

Torthaí

- Deis laghdaithe do bhailitheoirí mídhleathacha dramhaíola 'Man in Van'.
- Líon na dTeachtaí a bailíodh thart ar 306 @ €10 an tocht
- Bhain tonnáiste de dhramhaíl toirtiúil thart ar 40 tona @ €152.50 in aghaidh an tonna gan CBL san áireamh.

Bulky Waste Collection Day

O Moore Place / Lakeglen Residents Only

We will accept

- Couches (1 couch / suite of furniture per household)
- Armchairs
- Mattresses (2 per household)
- Bed Bases (no bedding)

If you wish to avail of this service you must call 057 86 74321 or 057 86 74330 before 5 p.m. on Tuesday 7th September to book your collection slot.

Items will be collected on Thursday the 9th September between 10 a.m. to 2:30 p.m. Please note that the personnel will not enter any household to facilitate collections in line with covid guidelines.

Please note that Electrical items are not accepted on the day but these can be recycled ***FREE OF CHARGE*** all year round at the Recycling Centre at Kyletalesha. For more information please visit www.laois.ie

This service is for domestic households only.

Riosca agus Tionchar

Tá an láithreán dumpála mídhleathach seo gar do limistéar daonra ard-dlúis agus is guais sláinte é. Laghdú - Chun an limistéar seo a chur ar ais go staid ghlan neamhghuaiseach

Costas Foriomlán

€24,618.70

Achoimre

Sainaithníodh an láthair seo i gcomhar le Roinn Tithíochta Chomhairle Contae Liatroma. Tá an láithreán ina ábhar imní leanúnach don Údarás Áitiúil agus ina ábhar do go leor idirghabhálacha. D'iarr an Roinn Tithíochta cúnamh chun an suíomh a thabhairt ar ais go dtí ardchaighdeán.

Tá méadú tagtha ar chainníocht agus ar mhinicíocht na dumpála ag an láthair seo mar gheall ar ghlas Covid19 agus asraon sóisialta srianta.

Mar gheall ar nádúr guaiseach an ghlantacháin fostaíodh sainghnólacht chun an dramhaíl a bhailiú agus a bhaint.

Sonraí Foriomlána

Críochnaíodh an glantachán thar cheithre lá.

Glanadh 4 bhá folamh, agus baineadh an dramhaíl ar fad. Is éard a bhí sna ceantair seo ná bruscar tí agus fearais.

Tá dumpáil fhairsing de mhíreanna móra agus beaga ag imlíne an láithreáin; bhí leapacha, suíocháin ghluaisteáin, cuisneoirí, teilifíseáin, cathaoireacha, agus líon mór málaí bruscair.

Tógadh iarsmaí carbhán den suíomh freisin.

Gach dramhaíl a bhaintear trí chuideachta chláraithe bainte dramhaíola (scipeáil rolladh as).

Carbhán bainte le leoraí aisghabhála agus a dhiúscairt trí chomhlacht dramhaíola.

Torthaí

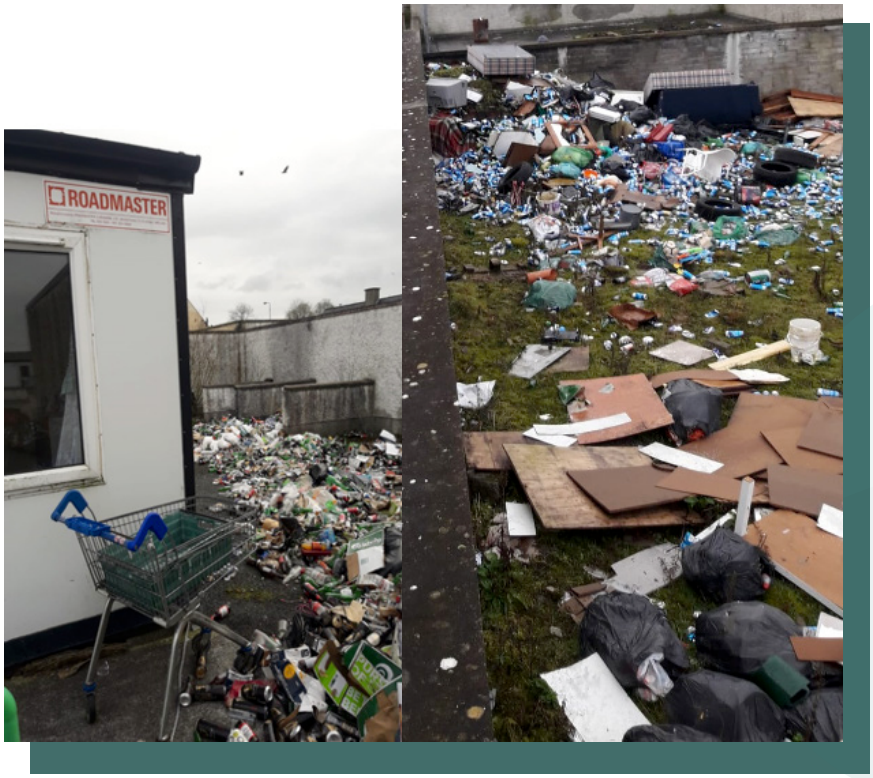

Rinneadh an glantachán a sheachfhoinsiú chuig sainchonraitheoir. Seo a leanas an tonnáiste a bailíodh

	Weight Removed
April 2021	32.8 ton
June 2021 June 2021	34.9 ton 1300kg (caravan)

Achoimre

Tionscadal Uimh.4 Glantachán Chaisleán Uí Chonaill – Ceantar rófhásta, leasaithe agus glanta, cuireadh comhairleoirí áitiúla agus an pobal áitiúil ar an eolas faoin scéim tionscnaimh Frithdhumpála.

Sonraí Foriomlána

Rinne an t-údarás áitiúil comhordú ar ghlanadh an tsuímh a laghdú.

Torthaí

Limistéar Glanta

Comhairle Chontae An Longfoirt

Lána Bhreandáin

Riosca agus Tionchar

Dumpáil mhídhleathach ar scála mór gar do lár Bhaile Longfoirt lena n-áirítear iompar frithshóisialta. Seangán drugaí le paraphernalia drugaí i bhfoirgnimh thréigthe in aice láimhe. Tionchar amhairc agus comhshaoil ar an gceantar áitiúil.

Costas Foriomlán

€14,635.66

Achoimre

Glanadh lána cúil & timpeallaithe gar do lár Bhaile Longfoirt. Tá cáil ar an réimse seo mar gheall ar iompar frithshóisialta. Brú ó na Gardaí chun an limistéar a ghlanadh agus cuidiú leis an limistéar a dhéanamh sábháilte.

Sonraí Foriomlána

Bhain an tionscadal seo le breis agus 13.5T de dhramhaíl mheasctha tí a bhaint ó láithreáin amach ó lána a nascann trí phríomhshráid i mBaile Longfoirt. Tá aithne ag na Gardaí áitiúla ar an gceantar seo mar gheall ar iompar frithshóisialta leanúnach. Bhí comhoibriú agus cumarsáid le trádálaithe áitiúla agus úinéirí talún riachtanach. Áiríodh leis an obair freisin fálú a dhéanamh ar láithreáin fholmha chun deireadh a chur le dumpáil agus geata a chur suas chun limistéar oscailte a dhúnadh chun deireadh a chur le limistéar crochta d'iompar frithshóisialta.

Torthaí

- Baineadh an dramhaíl agus glanadh an limistéar.
- Chabhraigh úinéirí talún áitiúla leis an nglanachán – bhain siad earraí dramhaíola agus drugaí as tréigthe foirgnimh ar a dtailte.
- D'éirigh le húinéirí talún a gcuid foirgneamh a dhaingniú chun cosc a chur ar dhaoine rochtain a fháil.
- Geataí móra curtha suas ar limistéar oscailte chun deireadh a chur le limistéar crochta amach le haghaidh iompar frithshóisialta.
- Suíomhanna daingnithe trí fhál a chur suas ionas nach dtarlóidh dumpáil arís.
- Rannóg Athghiniúna Chomhairle Contae Longfoirt ag suiteáil soilse poiblí breise.
- Cuirfidh Bailte Slachtmhara Áitiúla an ceantar seo san áireamh ar a bpatról.
- Limistéar sábháilte do choisithe, do thrádálaithe áitiúla agus do chustaiméirí.

Is í an phríomhfhadhb sa réimse seo ná diúscairt mhídhleathach agus dó dramhaíola tí ag cónaitheoirí agus ag bailitheoirí dramhaíola mídhleathacha ar limistéar glas an eastáit atá ina thaitneamhacht phoiblí do leanaí ag imirt agus do chónaitheoirí ag siúl.

Costas Foriomlán

€23,375.37

Miondealú ar Chostais:

Cíosú Gléasra agus Innealra = €8,473.92

Fruiliú Meaisín Riain, Mullaigh, Luchtaire Íseal agus Leoraithe chun uisce a dhiúscairt = €7,921.20

Diúscairt dramhaíola 205 tonna x €30 an tonna = €6,980.25

Achoimre

Áiríodh leis an tionscadal seo fáil réidh agus diúscairt dramhaíola ar an limistéar glas idir An Mhóin Mhór agus Páirc Labhráis, Droichead Átha, Co. LÚ.

Sonraí Foriomlána

Is éard a bhí i gceist leis an obair fáil réidh le dramhaíl a diúscraíodh go mídhleathach, fáil réidh le sean-teachín tréigthe a bhí mar phointe fócasach do ghníomhaíochtaí dumpála agus dumpála mídhleathacha, tírdhreachtú ar limistéar glas chun gnáthghearradh féir a fheabhsú agus baint spallaí cloiche chun infheictheacht an limistéir a fheabhsú.

Riosca agus Tionchar

Mar thoradh ar thinte cnámh scaoiltear dé-ocsainí agus truailleáin eile san atmaisféar agus bíonn dumpáil mhídhleathach earraí toirtiúla ar nós tochtanna ina bhagairt ar thruailliú comhshaoil.

Costas Foriomlán

€29,767.47

Achoimre

Dhírigh an tionscadal seo ar 'Oíche Tine Chnámh', traidisiún ar fud iarthar na hÉireann ar an 23 Meitheamh. Tá an tionscadal ar siúl le trí bliana anuas agus tá bailiúcháin dramhaíola toirtiúla saor in aisce i gceist leis i réimsí fadhbacha ina bhfuil go leor ábhar dramhaíola i ndóiteáin, chomh maith le baint roinnt tine chnámh mór roimh dó.

Sonraí Foriomlána

Ba é fócas tosaigh an tionscadail laethanta bailithe dramhaíola toirtiúla a eagrú i gceantair imeallacha an chontae agus na n-oileán amach ón gcósta. Sna codanna seo den chontae, tá traidisiún na tine chnámh an-láidir, agus is féidir leis an bhfad go dtí taitneamhachtaí cathartha a bheith coscach ar dhiúscairt údaraithe dramhaíola. Reáchtáladh Laethanta Dramhaíola Toirtiúla In Aisce i mBéal an Mhuirthead agus Acaill, agus d'éirigh thar barr leo. Seoladh scipeanna chuig dhá oileán amach ón gcósta, áit a bhfuil sé thar a bheith deacair diúscairt dramhaíola toirtiúla údaraithe a bhaint amach. Mar thánaisteach air seo, baineadh roinnt tine chnámh an-mhór díreach roimh an 23 Meitheamh, rud a chabhraigh leis an teachtaireacht a athdhearbhú nach nglacfar le tinte cnámh dramhaíola.

Torthaí

I gcomhar le Preab ar ais Recycling, reáchtáladh dhá Lá Dramhaíola Toirtiúla saor in aisce in áiteanna iargúlta sa chontae, áit a bhfuil daonra suntasach fós ar fud an cheantair i gcoitinne. Níl aon láithreáin Áiseanna Cathartha in aice leis na pobail seo agus is iad na ceantair is láidre traidisiún oíche tine chnámh.

Fógraíodh an dá imeacht go háitiúil trí fheachtas póstaer agus comharthaíochta agus fógraíodh iad freisin ar na meáin shóisialta gar do na dátaí. Bhí na himeachtaí ar siúl ar an dá Shatharn roimh an 23 Meitheamh (i.e. 12 agus 19 Meitheamh). Glacadh go maith, agus líonadh ceithre choimeádán (thart ar 19t dramhaíl toirtiúil agus 350 tocht). Soláthraíodh scipeanna dramhaíola toirtiúla freisin d'Inis Toirc agus d'Oileán Chliara. Arís, chuir na pobail áitiúla fáilte roimh an tseirbhís, agus bhí glacadh maith arís ann le 7 scipeanna (15t) á mbailiú.

Tonnáiste dramhaíola bainte: thart ar 30t.

Tonnáiste dramhaíola toirtiúla, más infheidhme: thart ar 19t.

Líon na dTeachtaí a Bailíodh: thart ar 350.

Roinnt íomhánna de Preab ar ais Athchúrsáil ag bailiú le linn Lá Earraí Toirtiúla

CLEANING UP THE COUNTY

5,000 SACKS OF RUBBISH... HUNDREDS OF LOCAL HEROES

Communities across the county have risen up against the scourge of littering and illegal dumping

GAVAN BECTON

THOUSANDS of bags of rubbish - which would measure almost the same distance end-to-end as the 5k distance restriction - have been cleaned from Meath ditches by community groups in the last month.

A total of 170 groups and individuals used their daily 5k walk around their area to collect vast volumes of rubbish - filling TEN 40ft skips in the process.

Today we celebrate our local heroes cleaning up their communities and leaving a lasting legacy on their county.

» WAR ON LITTER: 7-PAGE SPECIAL STARTS P19 »

Nearly 60 bags of litter and other dumped materials collected.

Comhairle Contae Mhuineacháin

Cluain Eois – Ceantar Bardasach Bhéal Átha Beithe

Riosca agus Tionchar

D'oibrigh Co Mhuineacháin le Grúpaí Pobail chun cuidiú le glanadh suas na suíomhanna oidhreachta.

Costas Foriomlán

€24,135.87

Achoimre

Glanadh forbairt tithíochta amháin neamhchríochnaithe atá i dtionscadal a haon atá in aice le láithreán dramhaíola neamhúdaraithe féideartha.

Ba é an dara tionscadal ná cúlchlaí a ghlanadh siar ó eastát údaráis áitiúil a raibh fadhbanna aige le cónaitheoirí ag dumpáil ábhar.

Ba é an tríú tionscadal ná tacú le Bailte Slachtmhara Chluain Eois áit a ghlanadh suas agus geata a chur suas.

Sonraí Foriomlána

Roinneadh tionscadal a haon ina dhá chéim – ba í céim a haon glanadh limistéar a bhí molta do thithíocht ach nár tógadh air. Áirítear leis seo méid mór dramhaíola a bhaint ar an láithreán go háirithe ábhar tógála nach bhfuil in úsáid agus nach dteastaíonn. Ba é an dara céim ná balla teorann a thógáil idir an suíomh agus an réadmhaoin tadhlach. Tá an réadmhaoin tadhlach á fhiosrú faoi láthair mar shuíomh dramhaíola féideartha neamhúdaraithe. Táthar ag súil gur féidir dul i ngleic leis na ceisteanna seo trí oibriú leis an úinéir talún.

Torthaí

Baineadh 24 tonna d'ábhar – balla á chur suas faoi láthair.

Obair idir lámha

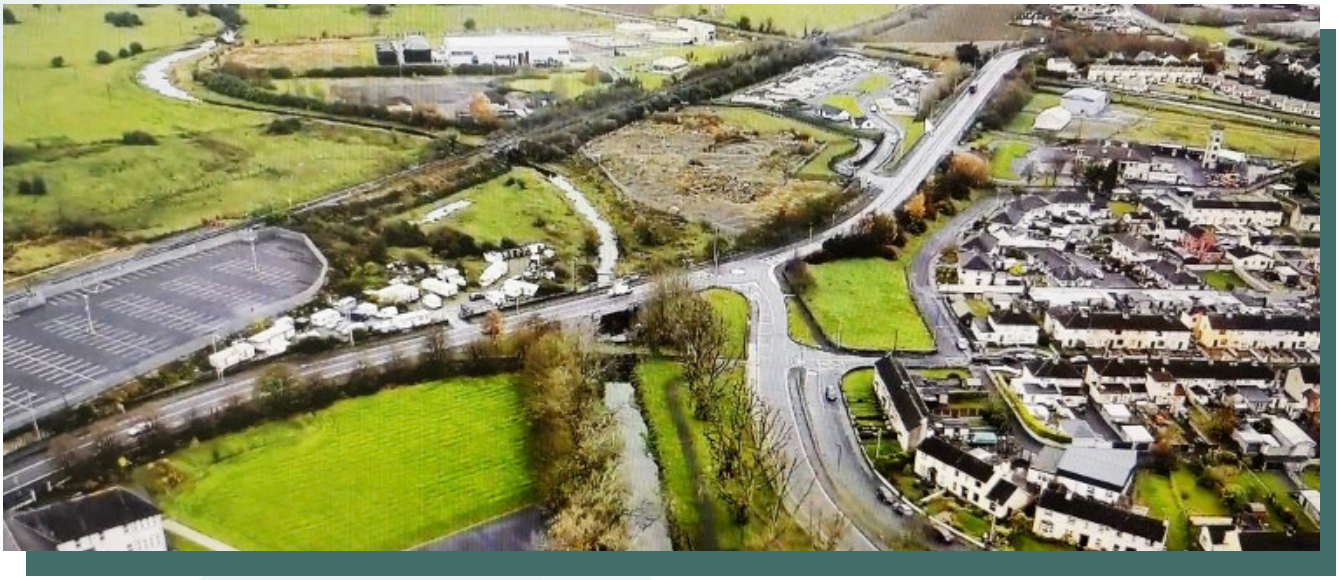

Tionscadal ceantair na mBailte Slachtmhara Chluain Eois – laghdú agus cosc

Riosca agus Tionchar

Abhainn na Tulaí Móire – Cáilíocht Uisce –
Gnáthóga Flóra agus Fána – SAC Choill an Rátha

Costas Foriomlán

€18,206.13

Achoimre

Ghlan Comhairle Contae Uíbh Fhailí le tacaíocht ó Fo-Uisce Shannonside, Bailte Slachtmhara Thulach Mhór agus oibrithe deonacha dramhaíl ó Abhainn na Tulaí Móire ag Cill Chruitín.

Sonraí Foriomlána

Tá tionchar mór ag dumpáil thar na blianta ar an Tulach Mhór ag stráice Chill Chruitín. Tharraing grúpaí iascaireachta, siúlóirí agus páirtithe leasmhara eile (gníomhaireachtaí) an fhadhb chun suntais do Chomhairle Contae Uíbh Fhailí – cuireadh an dramhaíl i ngrinneall na habhann ag cur isteach ar an ngliomach fionnuisce – gnáthóga eireaball bán agus dobharchú.

Ghlan Comhairle Contae Uíbh Fhailí le tacaíocht ó Fo-Uisce Shannonside, Bailte Slachtmhara Thulach Mhór agus oibrithe deonacha dramhaíl ó Abhainn na Tulaí Móire ag Cill Chruitín. Díreach tar éis deireadh a chur leis an dramhaíl tugadh faoi deara an sreabhadh san abhainn, is cinnte go gcabhróidh sé seo le haerú an uisce agus le feabhas a chur ar cháilíocht an uisce.

Samhlaítear gur ócáid bhliantúil a bheidh san imeacht seo.

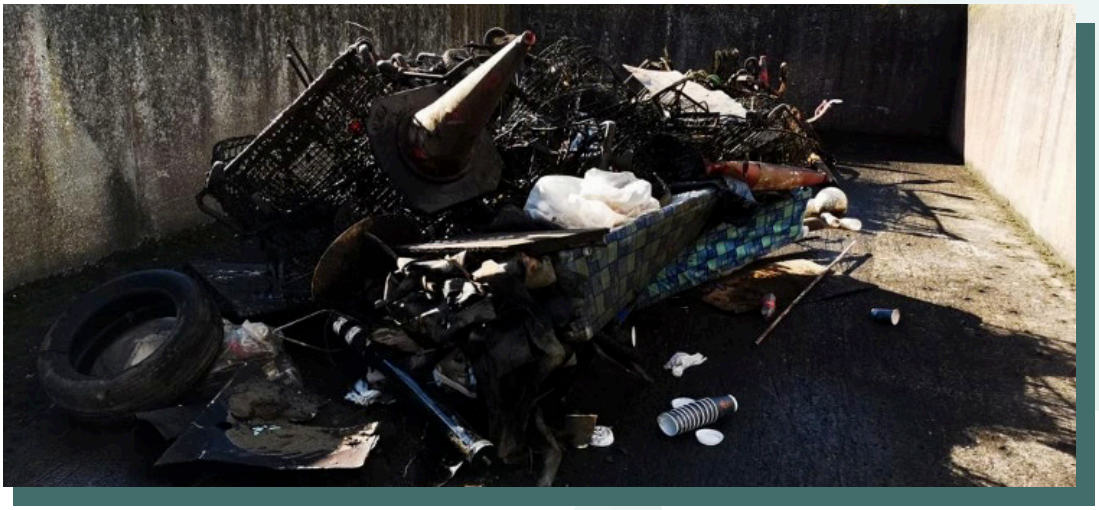

Torthaí

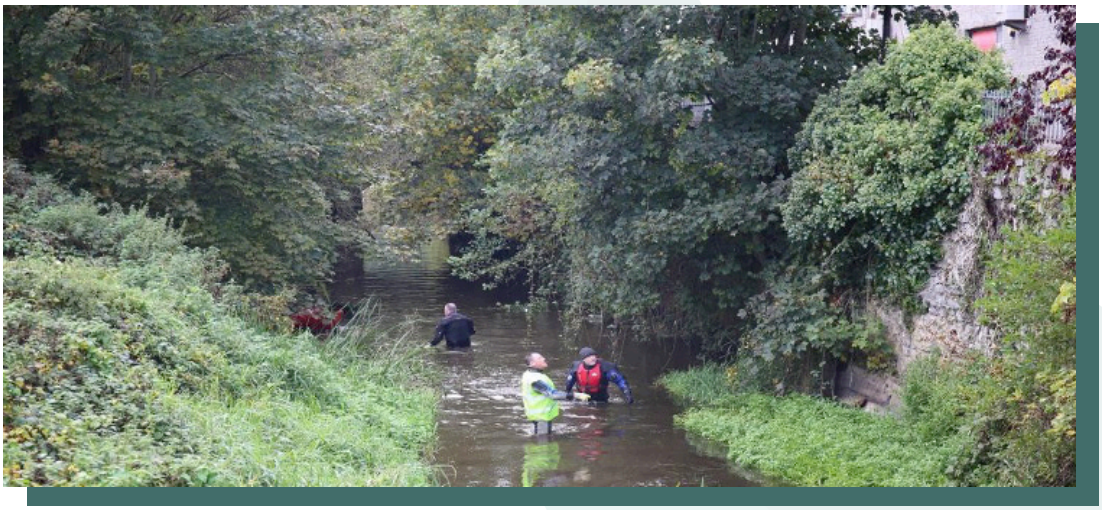

Comhoibriú leanúnach leis na páirtithe go léir a bhí páirteach chun timpeallacht na hAbhann a chothabháil chun na gnáthóga flóra agus fána a fheabhsú.

Fócas poiblí ar an Abhainn.

Baineadh 20 tralaí siopadóireachta, Wide Screen TV, 3 rothar, troscán gairdín agus bugaí as an abhainn.

- 1.5 Tonnáiste Dramhaíola Toirtiúil agus costas in aghaidh gach míre Dramhaíola Toirtiúla

Comhairle Contae Ros Comáin

Bailiúchán Earraí Toirtiúla

Comhairle Contae Ros Comáin
Roscommon County Council

Riosca agus Tionchar

Is minic a fhaightear tochtanna, toilg agus cathaoireacha a dhumpáiltear inár bportaigh. Nuair a fógraíodh an bailiúchán earraí toirtiúla, bhí suim ollmhór ann.
Thug an pobal 62,540 kg de dhramhaíl toirtiúil chuig na Láithreáin Áiseanna Cathartha thar 4 lá.

Costas Foriomlán

€61,390.58

Achoimre

Maoiniú tosaigh de €51,000 ceadaithe chun Bailiúchán Earraí Toirtiúla a choinneáil, áfach, le ceadú CU WERLA ba é an méid deiridh a caitheadh ná €61,390.58.

I measc na gcineálacha míreanna a bailíodh bhí troscán upholstered, couches, cathaoireacha uilleacha, tacair itheacháin lasmuigh, cairpéid, tochtanna, seomraí folctha agus leapacha divan.

Reáchtáladh ceithre bhailiúchán i mí Mheán Fómhair 2021 – ceann amháin ag gach Láithreán Fóntas Cathartha de chuid Chomhairle Contae Ros Comáin

- Ros Comáin
- Boyle
- Bealach an Doirín
- An Caisleán Riabhach

Sonraí Foriomlána

- Tionóladh ceithre bhailiúchán ar fud an chontae.
- Bhailigh Gluaiseacht Lucht Siúil na Gaillimhe t/a Athchúrsáil Preabtha ar ais agus atreoraíodh ó líonadh talún iad Couches, Cathaoireacha Armtha, Teachtaí & Bunáit Leapacha Divan.
- Bhain 702 úsáideoir leas as an tseirbhís thar na ceithre lá bailiúcháin.
- Fógraíodh go forleathan é ar na meáin áitiúla (nuachtáin & raidió) agus ar na meáin shóisialta Chomhairle Contae Ros Comáin.
- Dáileadh bileoga ag Láithreáin Áiseanna Cathartha roimh an imeacht chun baill den phobal a chur ar an eolas faoi na dátaí bailiúcháin a bhí le teacht.
- D'éirigh thar barr leis na bailiúcháin – bhí róchaiteachas os cionn €10K ar an tionscadal
- Laghdóidh sé seo go mór líon na n-earraí toirtiúla a dhiúscraítear inár bportaigh in 2022

Dumpáil mhídhleathach i limistéar taitneamhachta tuaithe

Scriosadh taitneamhacht radhairc an cheantair

Costas Foriomlán

€21,000

Achoimre

Tá Lána Chill Tulach (L306) suite thart ar 1 km ó dheas ó acomhal Chill an Ardáin leis an N81 i dTamhlacht. Tuairiscíodh 133 gearán comhshaoil maidir le bruscar agus dumpáil mhídhleathach feadh an lána 700m seo ó 2019 i leith.

Sonraí Foriomlána

Dhírigh an tionscadal ar na limistéir dhumpála mhídhleathacha ba rialta feadh Lána Chill Dalua. Bronnadh Grád 'D' ar an lána roimhe seo sa tuarascáil is déanaí ó IBAL in aghaidh an Bhruscair don bhliain 2020 agus aibhsíodh go sonrach é mar gurbh é L3016 Lána Chill Tulach an láthair ba mhó bruscair ar fad a ndearnadh suirbhé air i dTamhlacht – ní hamháin gur bruscar ócáideach a bhí sa láthair dhubh bruscair seo. ach faoi réir leibhéil ollmhóra dumpála.

Chuimsigh na hoibreacha roinnt glantacháin d'ábhair dumpáilte, tugadh isteach 7 gcolún soilsithe poiblí chun lána dorcha eile a lasadh. Is é is aidhm do shoilsiú poiblí mar aon le díreach faoi bhun 100m d'fhálú teorann daoine aonair a mhealladh ó ghníomhaíochtaí dumpála mídhleathacha a dhéanamh.

Suiteáladh TCI ceilte ar feadh tréimhse 4 seachtaine ag clúdach na tréimhse Oíche Shamhna chun a fháil amach cé chomh maith agus a d'éirigh leis na bearta a cuireadh i bhfeidhm. Tá athbhreithniú á dhéanamh ar phíosa scannáin faoi láthair.

C. Torthaí

1. Tá an limistéar curtha ar ais ag na hoibreacha go dtí staid nádúrtha roimhe seo.
2. Cuirfear deireadh leis an láthair dhumpála.
3. Bí ar aon dul le tosaíocht 1.1 um Fhorfheidhmiú Náisiúnta Dramhaíola 2021 'Ag dul i ngleic le gníomhaíocht mhídhleathach dramhaíola'.
4. Cloífidh sé le moladh thuarascáil IBAL Anti- Bruscair League 2020 ar Thamhlachta.
5. Cabhróidh monatóireacht cheilte TCI le monatóireacht agus forfheidhmiú más gá.

Comhairle Chontae Shligigh

Glantachán Pháirc Carton

Sligo County Council
Comhairle Chontae Shligigh

Riosca agus Tionchar

An baol truaillithe comhshaoil de bharr dumpála mídhleathaí a laghdú.

Costas Foriomlán

€8,458.02

Achoimre

Is ceantar i gContae Shligigh é Cartronplank agus é suite in aice le Clochán, agus soir ó thuaidh ó Dhroim Fada.

Mar chuid de ADI 2021, rinne Comhairle Contae Shligigh glantachán ar an suíomh seo áit ar tharla cuid mhór dumpála.

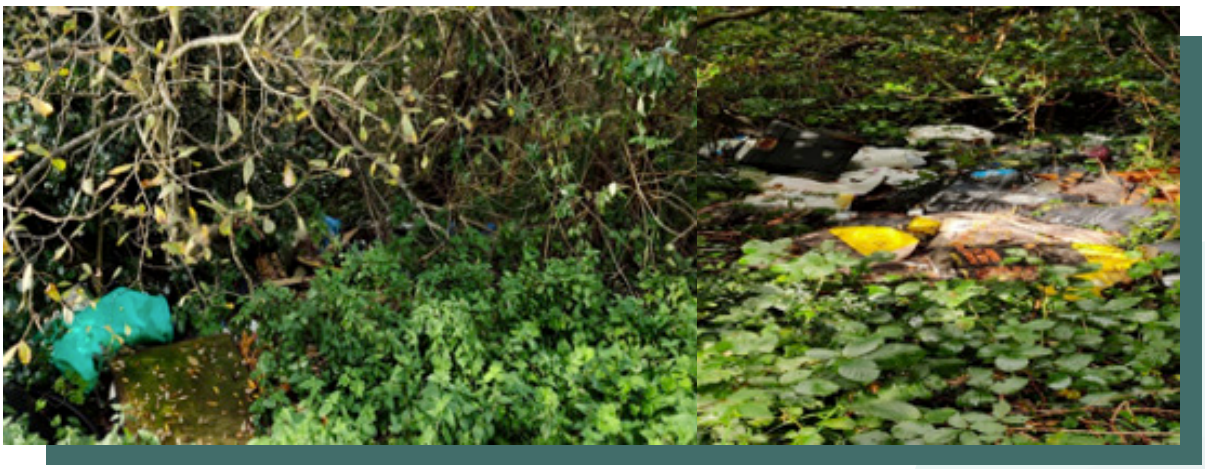

Sonraí Foriomlána

Roghnaíodh an suíomh seo toisc gur limistéar é a raibh cuid mhór dumpála mídhleathaí ann. Baineadh an dramhaíl ar fad agus glanadh an suíomh. Ba iad cosc agus laghdú na príomhbhearta ar díríodh orthu maidir leis an tionscadal seo. Méadóidh comharthaíocht mhéadaithe i réimsí éagsúla feasacht agus oideachas maidir leis an bpobal i gcoitinne.

Torthaí

Glanadh an suíomh seo ar an 11 Lúnasa 2021 agus baineadh an dramhaíl ar fad ón talamh seo agus cuireadh an suíomh ar ais ina bhunsraith.

San iomlán, baineadh 20.76 tonna dramhaíola ón suíomh seo, rud a bhí rófhás go substaintiúil agus ní raibh an chuid is mó den dramhaíl le feiceáil go héasca go dtí go raibh glanadh ar bun.

Roimh

Tar éis

Riosca agus Tionchar

Caitheamh mídhleathach dramhaíola ar an tuath a laghdú.

Feasacht a chruthú le cónaitheoirí maidir le dramhaíl a dhiúscairt i gceart.

Costas Foriomlán

€24,515.46

Achoimre

Dumpáil stairiúil a ghlanadh ar an tuath in aice le láithreán socraithe don lucht siúil, agus cosc a chur ar dhumpáil amach anseo trí fhál ard a chur suas timpeall an bhalla teorann. A chur in iúl do na cónaitheoirí go ngearrfar pionóis faoi reachtaíocht chomhshaoil ar aon mhinicíocht dumpála sa todhchaí agus chun a chinntiú go gcuirfidh cónaitheoirí seirbhís údaraithe bruscair i bhfeidhm.

Sonraí Foriomlána

Measúnú ar an suíomh, díog teorann a bhaint, a chuimsigh cainteanna le Páirceanna Náisiúnta agus Fiadhúlra. Seirbhísí bailitheoir dramhaíola údaraithe a fhostú chun taiscí dramhaíola stairiúla a bhaint.

Pointe agus deisigh balla teorann agus cuir fál in airde chun dumpáil a chosc amach anseo.
Comhoibriú le hOifigeach Idirchaidrimh Pobail na Rannóige Tithíochta chun an tionscadal a phlé le cónaitheoirí agus comhairle a chur ar fáil maidir le dumpáil mhídhleathach agus gabháil le seirbhís údaraithe dramhaíola dramhaíola.

Nuair a cuireadh tús leis an díog teorann a bhaint, thángthas ar fhosuithe substaintiúla dramhaíola.

Torthaí

Suíomh dramhaíola glanta, balla pointeáilte agus fál in airde
Tá an láithreán fós glan, níor tharla aon dumpáil ó cuireadh tús leis an tionscadal.
Úsáideann cónaitheoirí Láithreán Áiseanna Cathartha an Chaisil chun dramhaíl a dhiúscairt.

Tonnáiste dramhaíola bainte agus costas in aghaidh an Tona, más infheidhme – baineadh 36.1 tonna dramhaíola.

Tionscadal críochnaithe

Tionscadal Mara Inbhear Phort Láirge

Riosca agus Tionchar

Bruscar muirí ag níochán síos na Siúire ag dul i bhfeidhm ar an bhfiadhúlra agus ar an limistéar dobharshaothraithe sliogéisc, ag cur isteach ar an SAC freisin.

Costas Foriomlán

€12,894.08

Achoimre

Bhí an tionscadal seo le dul i ngleic le bruscar mara a théann isteach san fharraige ó dhumpáil dramhaíola in Abhainn na Siúire agus a craobh-aibhneacha.

Sonraí Foriomlána

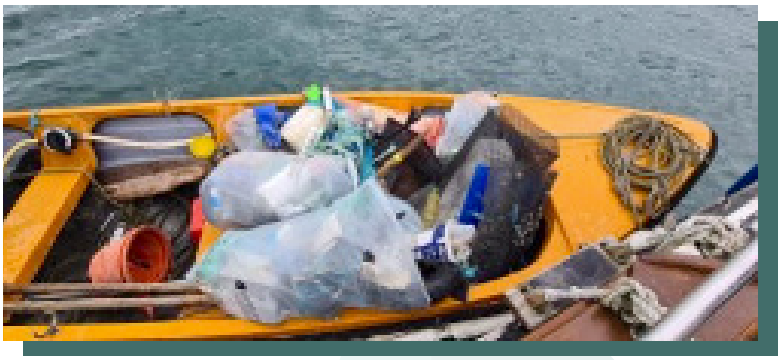

Téann méid suntasach bruscair, go háirithe plaisteach, isteach san fharraige gach bliain, de ghnáth trí aibhneacha agus inbhir mhóra. Is plaisteach é go leor den bhruscar mara seo a eascraíonn as dumpáil dramhaíola tí, tráchtála agus C&D in aice le nó in aibhneacha agus sruthanna. Níonn go leor de seo suas ar thránna ar féidir le hoibrithe deonacha iad a ghlanadh srl, ach ní féidir teacht ar áiteanna áirithe ina bhfuil an bruscar ag bailiú ach le bád, mar shampla ag bun na n-aillte. Fostaíodh 4 bhád beaga iascaireachta agus criú chun na limistéir dorochtana seo a ghlanadh. Íocadh ranníocaíocht de €200 in aghaidh an lae le gach criú iascairí i leith speansais ar nós na n-árachas riachtanach, oiliúint sábháilteachta farraige agus breosla (bunaithe ar chostais BIM a íocadh nuair a úsáideann siad báid iascaireachta le haghaidh obair shuirbhé).

Torthaí

Bailíodh thart ar 4 thona dramhaíola plaisteach in 2021 ó Inbhear Phort Láirge

4 TONNES OF PLASTIC REMOVED FROM RIVER
MONDAY, OCTOBER 04, 2021
AN anti-pollution river drive led by those involved in fishing locally, and Waterford City & County Council has resulted in the removal of four tonnes of plastic from the river Suir. Last year, a similar amount was also retrieved.
Welcoming another year of the initiative were Cllr. Jody Power (GreenP) and Cllr. Donal Barry (IND).
Speaking about the need for this initiative locally, they said, " The scourge of plastic pollution in our rivers and oceans continues unabated despite the widely communicated messages of the damage this pollution causes to the marine eco system. We hope that people will start to appreciate that our beautiful river , the source of so much life, is not a dump."

Comhairle Chontae na hlarmhi

Maoir Taitneamhachta Séasúrach

Riosca agus Tionchar

De bharr srianta covid tháinig méadú ollmhór ar líon na gcuairteoirí a bhain úsáid as ár n-áiseanna allamuigh áitiúla san larmhí. Mar thoradh air seo tháinig méadú ar bhruscar agus méadú ar an mbaol iompair fhrithshóisialta uaireanta i rith an tsamhraidh.

Costas Foriomlán

€17,656.77

Achoimre

Fostaíodh beirt Mhaor Taitneamhachta chun patról a dhéanamh ar 24 limistéar mór cuairteoirí sa chontae. D'fheidhmigh na maoir polasaí oideachas agus eolas a chur ar an bpobal chun iompar frithshóisialta agus saincheisteanna bruscair a dhíspreagadh. Buailfeadh siad le daoine agus meabhróidís dóibh an beartas um fhágáil gan rian a chuir an Chomhairle i bhfeidhm. Bhí na maoir feistithe le málaí brandáilte chun bruscar a bhaint a tugadh saor in aisce don phobal. I measc na n-áiseanna a ndearnadh patról orthu bhí cladaigh locha, féarbhealaí,

Sonraí Foriomlána

D'oibrigh maoir thaitneamhachta gach deireadh seachtaine agus uaireanta sínte ar dheireadh seachtaine saoire bainc. Baineadh úsáid astu chun oideachas a chur ar an bpobal agus iad a chur ar an eolas faoi bhruscar a chaitheamh agus iompar frithshóisialta a chosc ag na conláistí is gnóthaí againn. Rinne siad patróil ar 24 láthair ar bhonn róta. Chuaigh siad i dteagmháil leis an bpobal ar bhealach an-fheiceálach. D'iompair siad pacáistí bruscair freisin a d'fhéadfaí a thabhairt don phobal nuair ba ghá. Chuir siad cuairteoirí chuig an gceantar ar an eolas faoi Fhodhlíthe áitiúla maidir le dó oscailte agus gníomhaíochtaí eile a d'fhéadfadh fadhbanna a chruthú. Díríodh ar chosc agus ar oideachas don phobal. Caidreamh cairdiúil neamhchoimhlinteach a chothú le grúpaí níos mó chun bruscar a dhíspreagadh.

Torthaí

Bhí freagairt an phobail thar a bheith dearfach. Chuaigh na maoir i dteagmháil le daoine ar bhealach an-dearfach cairdiúil agus chuir siad in iúl dóibh má bhí fadhb ann. Tugadh pacáistí bruscair do theaghlaigh, do ghrúpaí nó do dhaoine aonair a raibh dramhaíl bia nó dramhaíl eile acu chun diúscairt shábháilte agus cheart dramhaíola a éascú.

Chonaiceamar comhlíonadh maith ar an iomlán maidir le bruscar ar fud an chontae agus choinnigh muid ag leibhéal inbhainistithe é. Is limistéir speisialta caomhantais iad cuid den limistéar ar a ndearnadh patról agus chuimsigh siad freisin limistéar Oidhreachta Náisiúnta a coinníodh glan i rith an tsamhraidh. Chonaiceamar freisin feasacht mhéadaithe ag an bpobal ar dhlíthe bruscair agus ar fhodhlíthe áitiúla. Thug sé deis dúinn freisin comhpháirtíocht a thógáil le gnóthas áitiúil a chuir na maoir ar fáil chun gníomhaíochtaí dramhaíola a chur chun

Comhairle Contae Loch Garman

Amnesty Tochta

Comhairle Contae Loch Garman
Wexford County Council

Riosca agus Tionchar

D'fhéadfadh go n-éireodh sean-thochtanna ar bhealaí dramhaíola mídhleathacha agus d'fhéadfaí iad a dhumpáil faoin tuath nó lánaí cúil i gceantair uirbeacha.

Costas Foriomlán

€34,538.40

Achoimre

D'fhógair Comhairle Contae Loch Garman "Amnesty Tochta" sna páipéir áitiúla agus ar na meáin shóisialta agus preasráiteas a bhí ar siúl ar feadh 4 seachtaine as a chéile ag gach ceann de na 4 Ionad Athchúrsála Tí de chuid WCC i nGuaire, Inis Córthaidh, Ros Mhic Thriúin agus Baile Holmes, Loch Garman ó 17 Lúnasa go 10. Meán Fómhair 2021.

Sonraí Foriomlána

Reáchtáil Comhairle Contae Loch Garman ollmhaithiúnas tochta i gcomhar leis an Tionscnamh Frithdhumpála ó 2017 lena n-áirítear ollmhaithiúnas tochta agus tochta in 2019. gach ceann de na 4 Ionad Athchúrsála Tí sna príomhbhailte. Bhí sé ar siúl idir 17 Lúnasa agus 10 Meán Fómhair. San iomlán fuarthas 2,808 tocht le haghaidh athchúrsála ag cuideachta áitiúil. Baile Holmes, Loch Garman a fuair an líon ba mhó tochtanna agus Inis Córthaidh ina dhiaidh sin.

Fógraíodh an Amnesty trí phreaseisiúint, Facebook & Twitter, raidió áitiúil, páipéir áitiúla, bileoga agus póstaeir agus ag Cruinnithe Ceantair na Comhairle áitiúla. Tá os cionn 9,500 tocht bailithe ag Comhairle Contae Loch Garman ó cuireadh tús leis na tionscnaimh. Chabhraigh sé seo le laghdú a dhéanamh ar líon na tochtanna a bhíonn á ndumpáil go mídhleathach faoin tuath agus lánaí cúil i gceantair uirbeacha. Laghdaigh sé freisin an t-ábhar a bhí ar fáil le linn shéasúr tine chnámh Oíche Shamhna. Tá moladh ag dul d'obair chrua na Foirne Comhshaoil go léir ag na hIonaid Athchúrsála Tí agus an fhoireann tacaíochta.

Torthaí

- San iomlán bailíodh 2,808 tocht ó na 4 ionad athchúrsála thar 4 seachtaine.
- Bailíodh thart ar 66 tonna tochtanna le haghaidh athchúrsála..
- Ba é an costas iomlán ná €34,538.40 nó €12.30 an tocht.
- Fuair an Chomhairle poiblíocht sna nuachtáin agus ar na meáin shóisialta dá 4 Ionad Athchúrsála Tí mar shaoráidí dlisteanacha chun dramhaíl toirtiúil a láimhseáil.

Comhairle Contae Chill Mhantáin

Glantachán Faiche Burnaby

Riosca agus Tionchar

Dumpáil neamhúdaraithe ábhar dramhaíola as a dtagann cur isteach diúltach amhairc, cailliúint taitneamhachta agus fadhbanna le bolaithe agus míolra.

Costas Foriomlán

€8,046.71 incl VAT

Achoimre

Rinneadh glantachán chun líon mór dramhaíola glas a bhaint a bhí measctha le dramhaíl eile a bhí bailithe le tamall de bhlianta ar thalamh poiblí a úsáidtear mar phasáiste idir eastát Burnaby Lawn agus Bóthar an Mhuilinn sna Clocha Liatha.

Sonraí Foriomlána

Rinneadh 49.86 tonna dramhaíola a thochailt agus a bhaint de phíosa talún poiblí a úsáidtear mar phasáiste idir Eastát Burnaby Lawn agus ollmhargadh Mill Road/Aldi. Thar thréimhse ama bhí roinnt cónaitheoirí sa cheantar ag dumpáil dramhaíl ghlas go príomha ach a dhóthain dramhaíola eile chun an dramhaíl ghlas a éilliú. Aistríodh an fuíoll go Láithreán Líonadh Talún Bhaile na gCanán lena dhiúscairt.

Cuireadh roinnt beart i bhfeidhm chun cosc a chur ar leanúint leis an dumpáil sa réimse seo.

(1) Cuireadh dhá ceamara CCTV in airde chun an limistéar a chlúdach

(2) Fuair gach áit chónaithe sa cheantar litir ó WCC ag soiléiriú saincheisteanna a bhain leis an dumpáil.

Torthaí

Ní dhearnadh a thuilleadh dumpála ag an láthair seo ó cuireadh an glantachán i gcrích

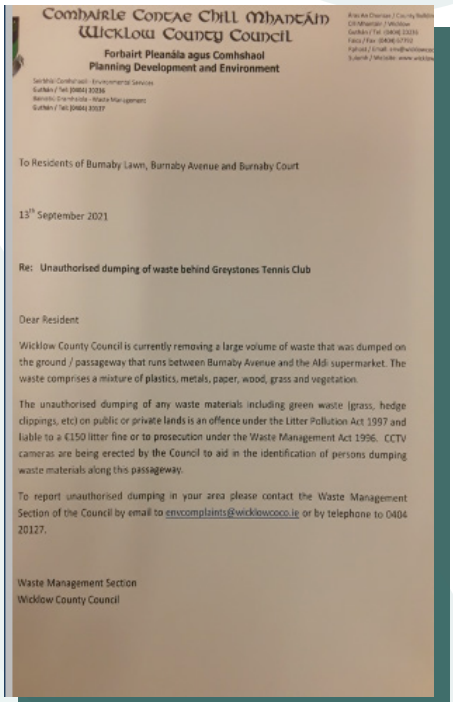

- 49.86 Tonnes of waste removed at a cost per Tonne of €123.42 , (incl gate fee, plant hire and transport)

Re: Unauthorised dumping of waste behind Greystones Tennis Club

Dear Resident

Wicklow County Council is currently removing a large volume of waste that was dumped on the ground / passageway that runs between Burnaby Avenue and the Aldi supermarket. The waste comprises a mixture of plastics, metals, paper, wood, grass and vegetation.

The unauthorised dumping of any waste materials including green waste (grass, hedge clippings, etc) on public or private lands is an offence under the Litter Pollution Act 1997 and liable to a €150 litter fine or to prosecution under the Waste Management Act 1996. CCTV cameras are being erected by the Council to aid in the identification of persons dumping waste materials along this passageway.

To report unauthorised dumping in your area please contact the Waste Management Section of the Council by email to envcomplaints@wicklowcoco.ie or by telephone to 0404 20127.

FOREWORD

The Anti-Dumping Initiative (ADI) was introduced in 2017 aimed at encouraging a collaborative approach between local authorities, communities, and other State Agencies to tackle the problem of localised illegal dumping. To date funding of over €12 million has been provided by the Department of Environment, Climate and Communications (DECC) under this initiative, which has supported the delivery of almost 1,300 projects across the 31 local authorities.

Illegal dumping is primarily a matter of individual responsibility and compliance with the law. While enforcement in this area is the responsibility of local authorities, a multi-faceted approach is encouraged by combining enforcement, public awareness and education and public participation through the ADI clean-ups.

The ADI is co-ordinated through the Waste Enforcement Regional Lead Authorities (WERLAs). The initiative was developed to work in partnership with local authorities and community organisations in identifying high risk or problem areas, developing appropriate enforcement responses and carrying out clean-up operations.

€3 million in funding was provided in 2021 and a total of 263 projects were funded, some of which are detailed in this report. Building on the 2020 campaign, funding to the amount of €100,000 was provided to the Regional Waste Management Planning Offices (RWMPOs) to carry out a national awareness campaign around localised illegal dumping. Other projects funded include community clean-ups, Bikes for Africa projects, mattress & WEEE amnesties, localised multimedia awareness campaigns and bulky waste collections.

The WERLAs acknowledge the commitment through funding and a continuing annual programme of the DECC and believe that this initiative is of great benefit nationally working with communities, local authorities and other agencies.

ANTI-DUMPING INITIATIVE 2021

The 2021 ADI aimed to reduce incidents of illegal dumping nationally by providing funding for projects to tackle the problem using a collaborative approach involving local authorities, communities, and other State Agencies. In 2021, the focus was on four key areas and projects were assessed, and funding provided based on their potential impact in the following areas:

(i) Prevention,
(ii) Abatement,
(iii) Education and
(iv) Enforcement.

The department also continued to strongly encourage innovative projects that recognised waste as a resource that could be repurposed for use in a Circular Economy.

Investment in preventative measures forms a fundamental strategic part of the solution to illegal dumping. Measures such as the provision of signage, the installation of lighting and barriers, landscape maintenance and amnesty events for challenging waste streams such as bulky furniture and mattresses can be effective tools in limiting illegal dumping activities. The continued roll-out of the waste presentation bye-laws by all local authorities is another crucial prevention measure that was supported under the 2021 ADI programme. It should be noted that the provision of routine infrastructure such as standard on-street refuse bins is expressly not supported under the ADI initiative.

Application Process

The ADI circular received from the department outlined the Project Selection Criteria and Application Process and invited local authorities to submit projects for consideration by the relevant WERLA.

The projects were submitted through an online application, which was set up by the WERLA office to streamline the application process.

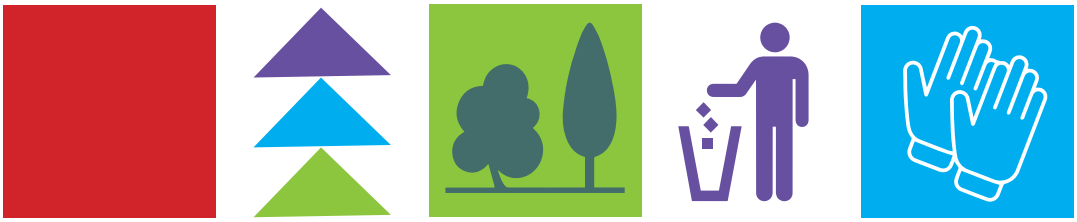

The deadline for receipt of applications was the 5th of May and the appropriate WERLA notified successful applicants within one month of this closing date. Some applicants were required to submit further information prior to the commencement of works and all applicants had to engage with the relevant WERLA for the duration of the project.

Applicants for approved projects were required to submit the following information to the appropriate WERLA.

Prior to the commencement of the project:
A project plan - to include details of how awareness of the impact of illegal dumping were to be raised by the project.

After completion of the project:
All projects had to be completed by October 8th, 2021, and a submission made to the WERLAs to include a project report, final financial report and an invoice on a template provided by the DECC.

Project Selection Criteria

Appendix II in the circular outlined those applications received under Anti-Dumping Initiative 2021 would be assessed under the following criteria for 2021:

1. Proposed actions that focused on the four key measures referred to in Circular WP 04.21 i.e.

   (i) prevention,
   (ii) abatement,
   (iii) education & awareness and
   (iv) enforcement.

2. Areas identified under the recent Irish Business Against Litter (IBAL) report.

3. Alignment with National Waste Enforcement Priorities 2021.

4. The extent of illegal dumping in the proposed project area. Photos had to be submitted to support this criterion.

5. Proximity to Special Areas of Conservation / National Heritage Areas

6. Proposed actions that reinforced the national waste enforcement message and encouraged the use of existing national waste enforcement tools e.g. the national complaints line, the newly developed Anti-Dumping Toolkit and the See It? Say It! App (www.epa.ie).

W7. Proposed actions that looked to further the national understanding of the causes of illegal dumping, i.e. what are the social and economic factors driving this behaviour?.

8. In the context of waste management, the use of modern technology can reduce the impact and contribute to a long term reduction in illegal dumping incidents. Proposals could include products, services or applications, such as solar powered compactor bins and aerial imagery tools such as drones.

9. Proposed actions that demonstrated a measurable impact on the specific risk – elimination or substantial mitigation.

10. Details of any proposed project partnerships with voluntary organisations such as:

    a. Community Groups.
    b. Tidy towns Committees
    c. Sports Clubs.

and/or from other State Agencies such as:

    d. Probation Service.
    e. Civil Defence etc.

11. Details on how the project would be evaluated to determine its effectiveness post completion.

12. Budget breakdown.

PROJECTS

The nature and scale of the projects submitted for consideration were varied and included:

- Projects in SACs / proposed NHAs
- Rivers / River Walks
- Beaches
- Inhabited Islands
- Scenic Walking routes / Tourist Attractions
- Residential Areas susceptible to dumping
- Areas susceptible to illegal settlement
- Bring Banks
- Side Streets in Urban Areas susceptible to illegal dumping
- Mattress Amnesty
- Hazardous Waste Amnesty
- Bulky waste Removal
- Purchase of Audio-Visual Devices
- Bikes for Africa

Local authorities developed partnerships with many state agencies on projects.

Grant Funding Criteria

1. Project areas must be located on publicly accessible land or in any place that is visible to any extent from a public place.
2. Projects which involve the clean-up of illegally dumped material should consider the further implementation of preventative measures to reduce any re-occurrence.
3. Projects which demonstrate an integrated approach involving other State Agencies such as An Garda Síochána, the Special Investigation Unit of the Dept. of Social Protection and/or Revenue/Customs will be favourably considered.
4. Applicants must be able to provide details of the extent of illegal dumping occurring within the project area. This should include a map of the project area indicating the current dumping location and an estimate of the amount and type of waste to be cleaned up.
5. Funding will not be provided for projects for which alternative funding is available – e.g. diesel laundering clean-ups, historical sites, Anti-Litter & Anti-Graffiti Awareness Grant Scheme etc.
6. Salaries/wages will not be funded.
7. The applicant must demonstrate that project activities will be completed during 2021 and will support initiatives such as:
    - National Spring Clean, which traditionally has taken place throughout the month of April, but is likely to run throughout the summer due to the ongoing Covid situation This campaign encourages every sector of society to actively participate and take responsibility for conducting litter clean ups in their local environment and is strongly endorsed by the Department.
    - Clean Coast Projects.
    - Local Authority Clean Up Weeks.
8. The applicant must demonstrate that investigations have been completed and that enforcement actions have been initiated where appropriate.
9. Successful applicants must regularly engage with the WERLA in their Region and report on both progress and media promotion of the project.

Communications Initiative

Environmental education allows individuals to explore environmental issues, engage in problem solving and take action to improve the environment. As a result, individuals develop a deeper understanding of environmental issues and have the skills to make informed decisions. In the Irish context the Government has supported the drive to educate the public about waste through funding the development of www.mywaste.ie – Ireland's Official Guide to Waste Management.

This portal and associated social media accounts are at the forefront of explaining why and how citizens can actively engage in proactive waste management. Informing and educating leads to individual and collective positive actions to manage waste and resource use, all of which contribute significantly to the national effort on climate action. Before the establishment of www.mywaste.ie there were inconsistencies in waste messaging and no central official source.

To rectify this www.mywaste.ie was established in 2018 and has continued to develop content on all matters relating to waste. The development of national campaigns and communication assets by the Prevention Officer Team under the mantle of My Waste also results in significant cost savings across the local authority sector. Savings are achieved by developing creative content nationally instead of each local authority sourcing assets locally. There is also significant benefit in the development of consistent messaging; being exposed to the same message in multiple locations or across several digital platforms leads to enhanced awareness of the subject matter.

The campaign material produced also reflect WERLA priorities including:	
Bulky goods	Abandoned Vehicles
"Man in a van" illegal activities	Waste Presentation Byelaws/Accessing a waste collection service
C&D Waste	

For local authorities customised press adverts and posters each containing contact details for each local authority were complimented with additional generic assets including a flyer, GIFS, video & social media assets.

For community groups the assets produced are generic and were designed to allow groups to download & customise accordingly.

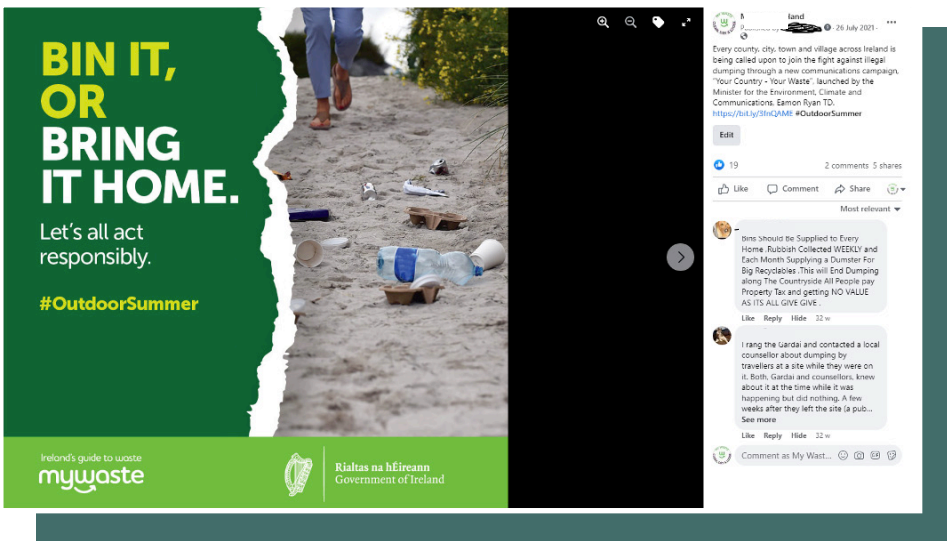

Communications Initiative (Cont.)

In addition to the 1,000 plus assets created in 2020, new material placing focus on littering of beaches and towns was created. All assets are available to download on the ADI hub on mywaste.ie. The local authority page is password protected whilst there is open access for community groups.

An advertising campaign ran across all My Waste social channels, digital and radio throughout the summer, with a focus being made on littering of beaches, towns and local beauty hot spots.

APPENDIX A

Case Studies

ANTI-DUMPING INITIATIVE 2021

Carlow County Council

ELV "End of the road"

CARLOW COUNTY COUNCIL
COMHAIRLE CHONTAE CHEATHARLACH

Risk and Impact

Address illegal cash for car businesses in Carlow. Large presence on low or no cost social media sites.

Summary

Tackle increase in illegal "Cash for Cars" operators from Carlow Area.

Overall Details

BEE Visible (potential reach of 44k per day):
6 Bee Visible signs x 2cycles Aug 11-24th / Aug 25- Sept 7th
Billboard Hacketstown Road 22nd Sept – 19th October

KCLR:.
2 x 30 second adverts. Week commencing 23/08/2021. 42 adverts (Middle to older age demographic)
Interviews on 2 most popular programmes on KCLR

BEAT FM:
30 second advert. Week commencing 23/08/2021 4 times per day over 7 days.
Total amount of adverts = 28. (Younger demographic)

Carlow Nationalist:
10th August 2021. Double page spread.

Carlow Credit Union:
TV advertising August 2021 -November 2021. (Accessing Carl Loans)

Poster and information drop

- All public offices – Carlow County Council
- Motor Tax
- Motor factors in Carlow Town and County
- Libraries
- Garages / repair garages in Carlow Town & County
- Repair / Auto Body business

Outcomes

- Investigation of local operator (reported by the public following awareness campaign). Operator has waste collection permit and now includes same on all advertising.
- No local advertising on social media for Cash for Cars.
- Large volume of queries to Carlow County Council Environment Department / Significant increase in public awareness.
- Constant contact with ATFs to recommend and encourage them to sign up with ELVES, one ATF has engaged with Repak.
- Support to ELVS on their campaign which was launched following the "End of the Road" ADI project which reinforced the Carlow message.

Cavan County Council

Education Measures

Comhairle Contae an Chabháin
Cavan County Council

Waste Prevention and Education Project

Educating future generations

Project Time: 36 hours

(does not include time spent by schools on the Picker Pals Programme)

Summary

This was a waste prevention and education project undertaken by Cavan County Council in collaboration with VOICE Ireland and the Picker Pals Programme. It involves interacting with our "future generation" through the Green Schools Programme and providing students and their families with litter-picking tools and education through music, story books and classroom activities to inspire primary school children to take their families litter-picking and inspire others by telling the story of their adventures. Additional measures including the printing of information booklets which will be distributed to the Green Schools Network as part of our Green Schools Programme and awareness campaigns including promoting the Council's Waste Presentation Byelaws which were introduced in December 2019.

Overall Cost

€10,479.37

Overall Details

In March 2021 Cavan County Council engaged with VOICE Ireland to run a pilot Picker Pals programme with St. Mogue's NS, Currin, Ballyconnell. Due to the success of that programme and the level of interest it raised with teachers and students alike, Cavan County Council sought to extend this programme to as many primary schools as possible in the County through funding secured through the 2021 Anti-Dumping Initiative.

In April 2021, Cavan County Council ran an anti-litter awareness poster competition for all primary schools in the County. One of the prizes for the winning entries was for their class to receive litter picking tools and participation in the interactive education programme through Picker Pals. Three winning entries were selected per Municipal District and the programme was offered to 9 No. different primary schools across the County in September 2021.

Picker Pals is an integrated content and activity environmental programme designed for primary school children and their families. Litter-picking activity is motivated through immersion in a Picker Pals story world and a Picker Pack containing adult and child litter-picking tools, taken home by a different student every week. Irish communities care about litter and see it as an area where real action has real effects.

In addition to the Picker Pals Programme, the Council replenished their stock of information leaflets and booklets which will be available to the public across all libraries in the County and will be distributed across the Green Schools Network throughout the school year.

Finally, we ran an extensive awareness campaign throughout the month of September 2021 to remind the public that Waste Presentation Byelaws are in place in the County and to remind them of how they can comply with these Byelaws and the penalties for non-compliance.

Selection of Winning Posters

Outcomes

Picker Pals gives schools and communities a starting point, engaging children at a younger age than other similar action programmes. Picker Pals is led by the children of the family, giving them a sense of ownership of their action and responsibility for their environmental impact. Through ADI funding, Cavan County Council will provide 12 No. classes with this education programme. This programme is being supplemented by additional funding from the Department of Environment, Climate and Communications allowing another 18 No. classes to participate.

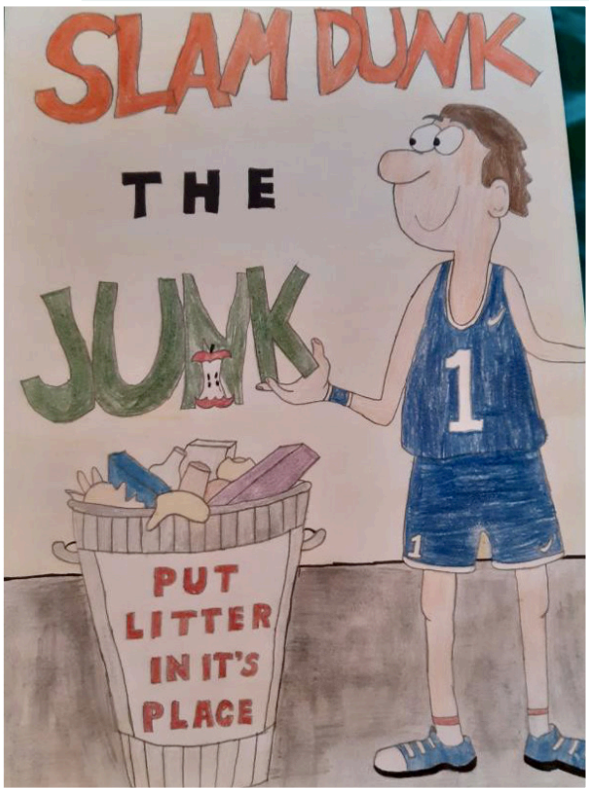

Full details are outlined below:

School Name	Number Of Classes	Number Of Students	Funding
Kilnaleck Mixed NS	2	31	Cavan County Council
St. Patrick's NS, Castletara	4	35	Cavan County Council
Killyconnan NS, Stradone	2	23	Cavan County Council
St. Mary's NS, Arva	2	22	Cavan County Council
Scoil Bhride, Killeshandra	2	9	Cavan County Council
St. Felim's NS, Cavan	5	22	DECC
Kill NS	2	25	DECC
Butlersbridge NS	4	31	DECC
St. Clare's NS, Ballyjamesduff	6	18	DECC
St. Mogue's NS, Currin (continuation from initial pilot scheme)	1	19	DECC
Total	**30**	**235**	

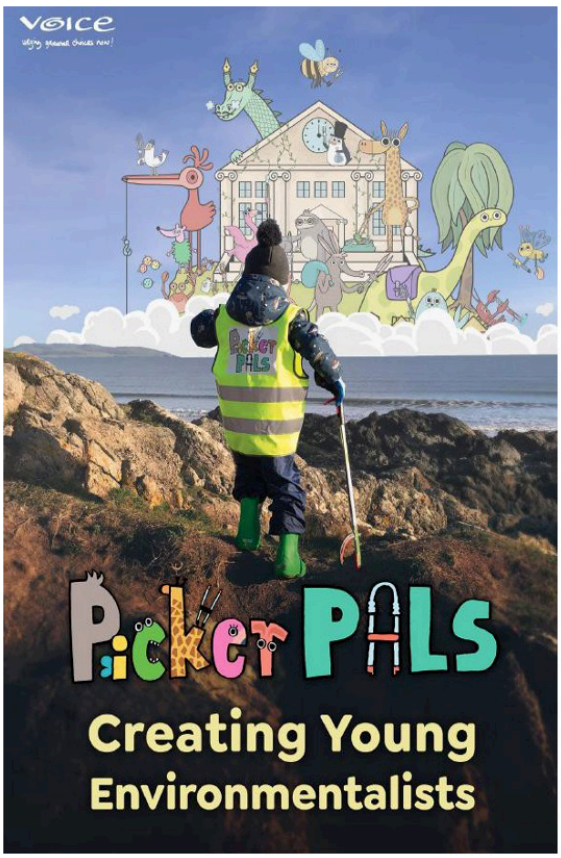

Our awareness raising strategy employed a vast range of different ways in communicating about the project, ranging from print media to digital media and word of mouth through interactions with Tidy Towns, Green Schools, other departments within the Council and other stakeholders. We will be implementing this strategy for the entire duration of the project and beyond in order to ensure a wide reach amongst other stakeholders and the general public.

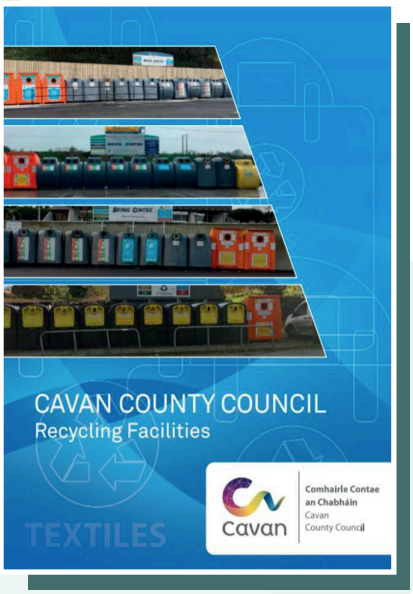

Selection of Winning Posters

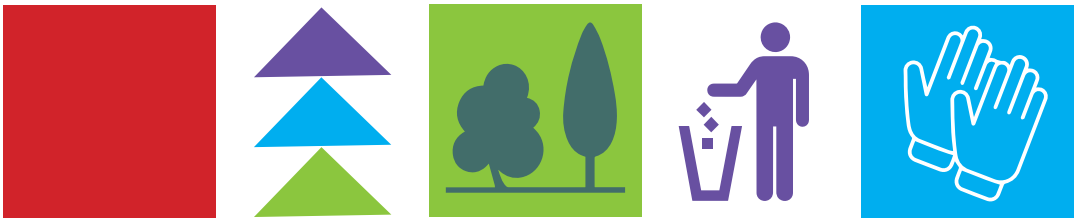

Picker Pals Education Programme

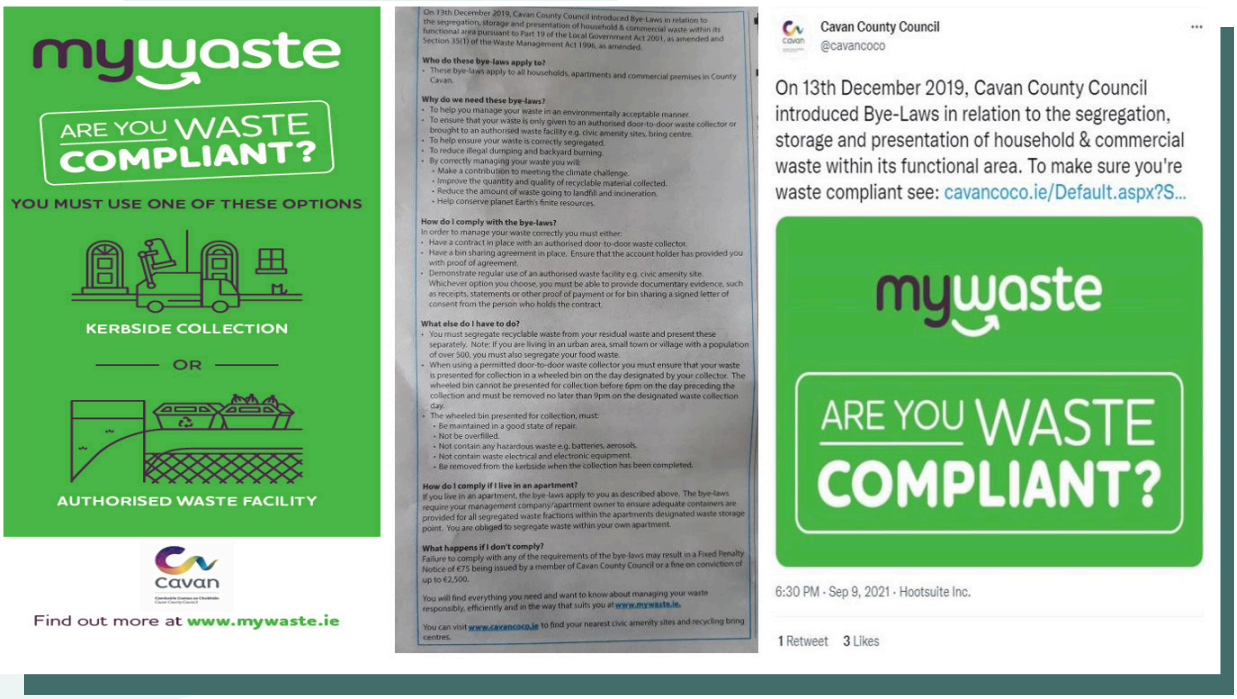

Printing of information booklets

Printing of information booklets

Promotion of Waste Presentation Byelaws – Printing of information leaflets, Notice in Anglo Celt Newspaper, social media awareness campaign

Clare County Council

Fencing Project, St. Michael's Place, Kilmihil

COMHAIRLE CONTAE AN CHLÁIR
CLARE COUNTY COUNCIL

Risk and Impact

Dumping of household waste from a council estate into the adjoining fields was causing environmental pollution and a risk to human health.

Overall Cost

€2,780.75

Summary

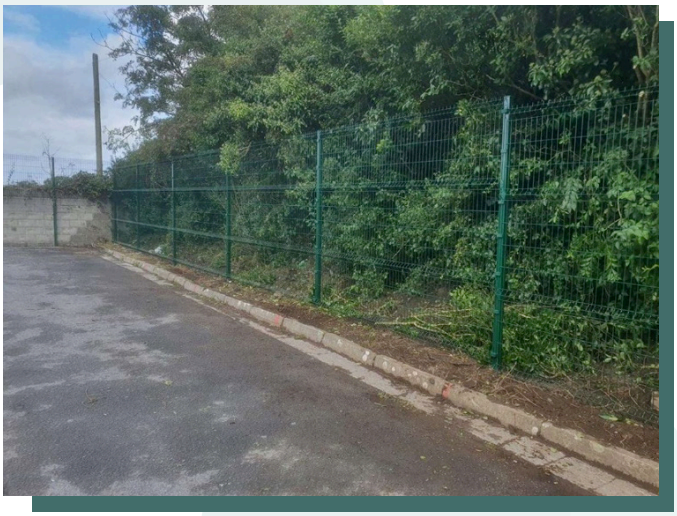

The was a persistent problem with dumping at St Michael's Place, Kilmihil. Last year €7,771.35 of ADI money was used to erect a fence along the boundary of this estate, preventing dumping over the wall into the adjacent field. This year the dumping moved further along the estate boundary, to an unfenced section of a neighbouring property so a further €2,780.75 was spent on extending the fence line, fully enclosing the estate. All residents in the estate have now also been written to under the Waste Management Bye Laws asking them to provide evidence of their waste disposal method.

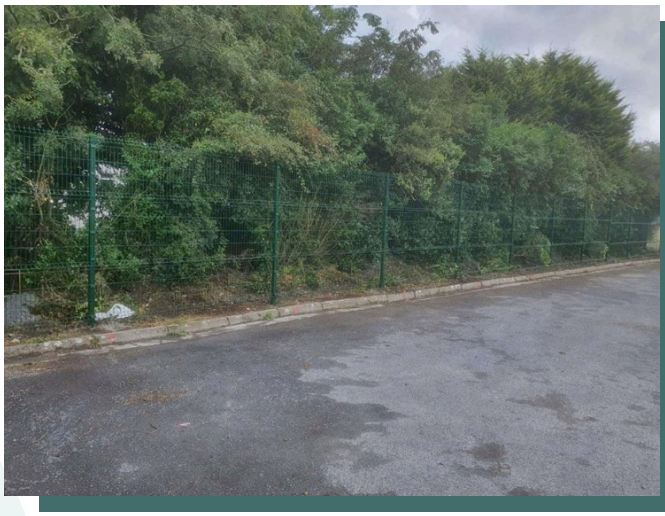

Overall Details

St. Michael's Place, Kilmihil is a predominately council-owned estate, adjacent to a field and a children's playground. There was a persistent problem with illegal dumping from this estate over the estate boundary wall. Last year the open area seen above was fenced off. The dumping then moved to an unfenced section of the boundary. This year the unfenced section was fenced, fully separating the estate from adjoining properties. As stated above, all residents in the estate have now also been written to under the Waste Management Bye Laws asking them to provide evidence of their waste disposal method, and our Community Warden continues to patrol the estate in an effort to curb the problem.

Outcomes

Potential environmental pollution was prevented by erecting a fence around the entire boundary of this estate. The Waste Management Bye Laws were applied here by asking residents to provide evidence of their waste disposal methods. It is hoped that using the Bye Laws, in conjunction with the fence will alleviate the problem.

Fencing Erected

Cork City Council

Segregation of Waste

Cork City Council
Comhairle Cathrach Chorcaí

Risk and Impact

Environmental awareness to educate and prevent littering and promote proper segregation in apartment complexes.

Overall Cost

€3,152

Summary

Cork City Council waste enforcement section in conjunction VOICE have come together to introduce Upgrading Shared bin Experience project, to examine the unique issues around shared bin facilities in Multi Unit Developments and to develop solutions to contamination in the shared bin. This project has already been successfully run by other organisations and therefore we thought it might be beneficial in relation to several apartment blocks where we are currently having issues and have already engaged with the management companies

Overall Details

Purpose and Scope
The engagement of VOICE is to provide Cork City Council the following:

- To run the USE pilot project with 2 additional sites: Elderwood Apartments (50 units) and Manor Wood Avenue (142 units). To a total of 192 units.

This will include the following materials and support per site:

- 1 Recycling bag per unit (192 total)
- 1 food waste caddy per unit with 1 roll of compost bags and food waste sticker
- 1 workshop for management agency staff and ground staff
- 1 workshop for residents
- 3 bin area signs covering recycling, food waste and general waste
- 6 common area signs
- 1 communications plan for management agency
- Ongoing support relating to the programme through to January 2022.

Outcomes

Better segregation of waste

More bins available

More education and awareness among tenants and management companies

Cork County Council

Sherkin and Heir Island Clean Up

Comhairle Contae Chorcaí
Cork County Council

Risk and Impact

Waste collected will be inspected for identifiable evidence and enforcement action taken where possible.
Clearing the sites will prevent further buildup of redundant fishing gear and anti-dumping signage will be utilised.

Overall Cost

€5,001.94

Summary

Both islands have very active Clean Coast groups who are continuously undertaking clean ups on the islands. Historically it was near impossible to dispose of waste goods from an island. However, improvements in transport and infrastructure have changed this. Disposal of goods via cargo ferry, in partnership with Cork County Council is an affordable and accessible way of removing waste from the island and is accessible to all.

Overall Details

In partnership with Cork County Council, the harbor area was cleaned along with the amenity areas. Debris and marine litter which was washed up on the shore and harbor area was removed from the island for disposal by licensed waste operators.

The following stakeholders took part in this project.

- Cork County Council
- The island residents
- Island Development Groups

As the issue of marine litter is unlikely to be resolved soon, each year all parties work tirelessly to clean the beaches, piers, and roadsides to ensure the islands look well for the summer months.

This application is being made on behalf of two Islands, namely Sherkin Island & Heir Island. Both Islands suffer an ongoing problem of tidal litter debris washed up from the Atlantic Ocean following inclement weather and sea storms. When it arrives on shore, there is no other option but to pick it and remove it from the Island(s).
Heir Island has no facility where discarded goods can be stored or disposed of. Sherkin Island is fortunate enough to have a small centre that can store waste goods.

- As with all aspects of Island life, everything is dependent on tide and weather. Therefore, one may not be able to dispose of larger items for months at a time.
- Collecting/Disposing of coastal/marine plastic litter debris washed up on the coastline / beaches of Sherkin & Heir Islands. Removing old fishing nets/redundant fishing gear from the beach areas.
- Supporting the Island Community & Clean Coast Volunteers

Connacht Ulster WERLA

SMART Technology

connacht - ulster
waste region

Risk and Impact

The purchase of the drone by the CU WERLA will enhance waste enforcement capabilities for Local Authorities throughout the region when investigating and assessing authorised and unauthorised waste facilities under the Waste Management Act 1996, as amended.

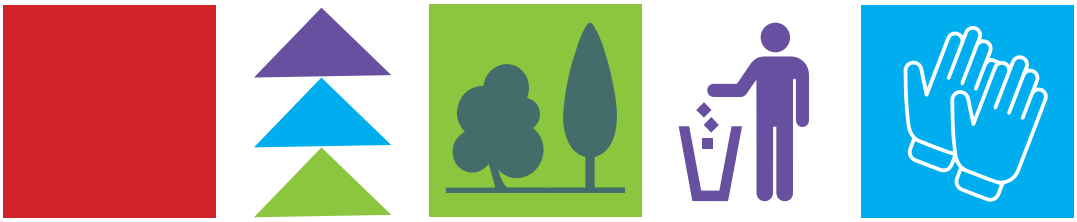

Overall Cost

€20,642.49

Summary

The CU WERLA purchased a Matrice 300 RTK survey drone to enhance the service capabilities of the office for the region. The drone has a commercial specification which can capture high quality imagery using a full frame camera. This imagery combined with RTK functionality allows for high accuracy and the ability to facilitate 3D mapping and waste volumetric calculations. The drone has enhanced features such as a 55-minute flight time, IP45 rating, supports multiple payloads, health management system and 6 directional sensing and positing for enhanced in-flight safety.

Overall Details

In April 2021 the CU WERLA published a Data Protection Impact Assessment (DPIA) for the overt use of drones at authorised and unauthorised waste facilities to prevent, detect and prosecute breaches of waste management legislation. The DPIA is based on the CU WERLA operations, and it was developed in consultation with the Data Protection Commission (DPC). The endorsement of the DPIA by the DPC underpinned the use of drone technology for waste enforcement and the CU WERLA purchased a new commercial specification drone to enhance enforcement capabilities for Local Authorities throughout the region.

Outcomes

The European Union introduced new regulations (Regulation (EU) 2019/947) for the operation of Unmanned Aircraft Systems (UAS) which details rules and procedures for UAS operation, remote pilot competency and limitations of use. Being mindful of this regulation change and the purchase of a new drone, the CU WERLA commenced a review of drone operational manuals, flight risk assessments and pilot competency. Following this review, CU WERLA staff undertook retraining obtaining a UAS remote pilot competency certificate as required under the new regulatory regime. The operational manual and flight risk assessments were identified for redrafting to meet higher regulatory requirements. This work is ongoing in consultation with a drone specialist with completion of the task anticipated in early 2022. The CU WERLA will disseminate learnings from the process with constituent Local Authorities in due course.

Dun Laoghaire Rathdown County Council

Waste Collection' Project

Risk and Impact

Risk: Hazardous waste is disposed of in wheelie bin collection, dumped or disposed of down drains.

Impact: Reduce the amount of household hazardous waste that is given to unauthorized waste collectors or illegally dumped.

Overall Cost

€21,562.56

Summary

Hazardous Waste Collection was held on 11th September 2021 at Dun Laoghaire Harbour.

Overall Details

This is an amnesty event for household hazardous waste which is run as a prevention measure. Hazardous waste that may have been given to unauthorised waste collectors will end up being handled properly and then this will prevent the illegal dumping of this waste throughout the County.

Outcomes

A total of 14.599 tonnes of hazardous waste was collected on the day.

Not all hazardous waste is dumped illegally but this event aims to reduce the amount that is.

- Advertised on social media, facebook twitter and instagram.
- Signs at Ballyogan Recycling Park, Eden Park Recycling Centre and Shanganagh Recycling Centre and 10 locations near the area advertising the event.
- Councillors were informed in advance and promoted the event.
- Community groups were informed in advance and promoted the event.

Donegal County Council

ADI Awareness Campaign

Comhairle Contae Chorcaí
Cork County Council

Risk and Impact

To promote the ADI Awareness campaign developed by www.mywaste.ie

Overall Cost

€239.85

Summary

To promote the ADI Awareness campaign developed by my waste in 2020 through the display of selected images through selected Gateway signage for a 2 week period. These signs will then be used in strategic locations in Donegal.

To promote the ADI Awareness campaign developed by www.mywaste.ie in 2020 through the display of selected images in two local papers.

This initiative was discussed at the CUWERLA Operations Meetings and it is an initiative that is being called for.

Overall Details

The assets developed by the team at www.mywaste.ie were used to target the source of the problem through very good images and messages.

Outcomes

Using nationally produced imagery and messaging to capture the attention of the public in Co. Donegal.
It is hoped that the project will help deliver on the aims of the Anti Dumping Initiative and let people see how waste is managed in the county and improvement the service that is being offered to our community.

Dublin City Council

Cherry Orchard Reclaim to Graze Project

Comhairle Cathrach Bhaile Átha Cliath
Dublin City Council

Risk and Impact

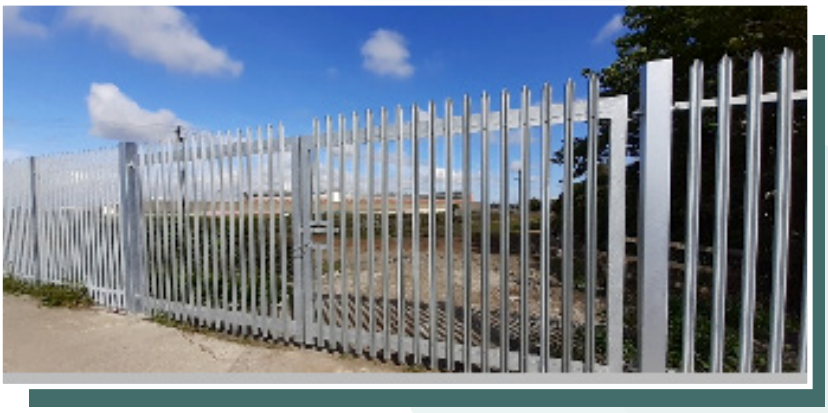

- Fencing for prevention
- Clean up and repurpose 200 tonnes
- Community outreach awareness and support.
- Surveillance operation
- Cherry Orchard illegal waste collection & dumping

Overall Cost

€40,904.31
€15,623.00 claimed via ADI funding.

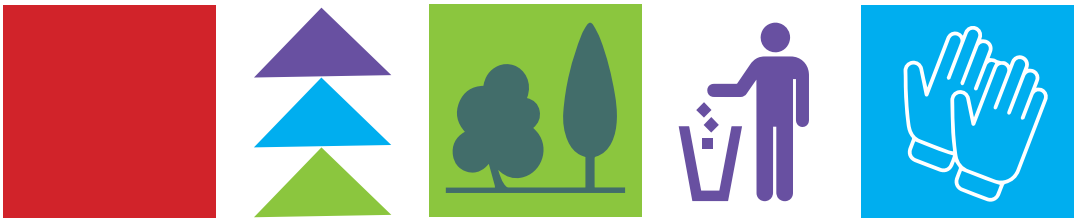

BEFORE - Horse manure waste & illegally dumped materials

AFTER- Area cleaned, palisade fence & gate, realigned boundary

Summary

200 tonnes of mixed waste was removed by Thorntons and fencing erected to secure the additional lands granted on lease to the Equine Centre to reclaim grazing land for their animals. The fencing is to be paid for by Dublin City Council - the Ballyfermot Drimnagh Area Office contributing 5K &Development Section paying the balance. The Equine Centre agreed to contribute €4,000. The land will be seeded to allow for grazing at a cost of approx 2k provided by the Equine Centre. Additional clearance of adjoining public lands used by neighbouring Traveller accommodation for their horse grazing agreed in engagement piece with key community members to ensure no further dumping of any horse bedding/manure at this location.

Overall Details

Thorntons agreed to provide haulage to their facility to dispose of the 200 tonnes of mixed waste. The fence was erected over a number of weeks. The cost was borne by Dublin City Council, Development Section and the Ballyfermot/Drimnagh Area Office with a contribution of €4000 from The Equine Centre.

Additional works: Shrubbery removal after the end of nesting season is underway (the cost will be shared by Public Domain and the Equine Centre with Thorntons providing haulage) and plant as community benefit project. The equine centre have arranged an awareness and education piece with Horse Power and the local community involved in horse ownership in the vicinity of Cherry Orchard. A discussion is also taking place with the Equine Centre, Dublin City Council Waste Management and Animal Welfare Section on licencing and disposal of horse waste/bedding with a view to establishing a review and possible pilot project.

Outcomes

- Illegal Dumping accumulated and current dumping removed.
- Area protected from future dumping by boundary palisade fence.
- Awareness/Education Outreach piece with local Horse Power and the local horse community.
- Ongoing surveillance with Waste Enforcement to target illegal dumping/waste collection.
- Discussion re Pilot Project on horse waste streams in the Cherry Orchard area ongoing.
- Engagement with local Horse Power Group through DSPCA promoting horse welfare and compliant equine waste disposal. (In September DSPCA Education Officer engaged with local horse owners through a horse owners basic care course. Equine waste and correct method of disposal was a key focus. The COEC Yard Manager has engaged with key members of the settled travelling community in the adjoining Traveller accommodation sites of St Oliver's and Bridgeview to build trust and obtain a strong commitment to promote compliance in equine and domestic waste disposal).

To date no further dumping along the boundary of Equine Centre at Park West Ave/Cloverhill Rd.

200 tonnes mound of mixed waste old boundary Park West Ave/Cloverhill Rd Cherry Orchard. Pre -ADI 2021

Fingal County Council

Bay Lane Anti-Dumping Project

Comhairle Contae Fhine Gall
Fingal County Council

Risk and Impact

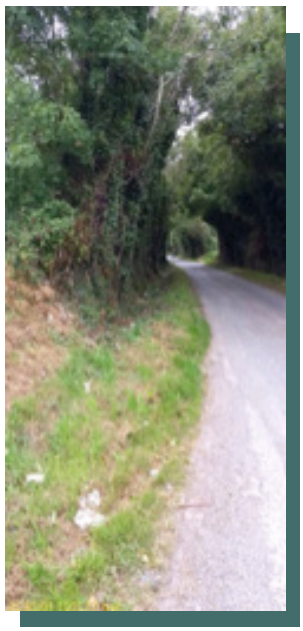

- Prevent endangerment to human health.
- Prevent the attraction of vermin.
- Reduce impact on aquatic, terrestrial and air ecosystems.
- Deter further waste dumping and waste burning in this area.

Overall Cost

€24,354.00

Before

After

Summary

The aim of the covert CCTV surveillance was to capture evidence of illegal waste activities taking place on Bay Lane. The covert surveillance was then used to take enforcement action under the Waste Management Act 1996 and the Litter Pollution Act 1997 to deter people from further illegal dumping. Several covert cameras were used that were monitored 24/7 to build up a picture of what was happening on the ground, where the key blackspot areas were and who was responsible

Overall Details

Bay lane is a known black spot area for fly-tipping, illegal dumping and burning of waste. A significant amount of waste from illegal dumping is removed by Fingal County Council's Operations Department on a regular basis and this comes at considerable cost to the Council. Preventative measures such as signage, awareness campaigns and increased litter patrols proved unsuccessful in the past and as a result additional enforcement measures were warranted to identify the offenders.

Illegal waste activity and illegal dumping poses a significant risk to human health and the environment by means of aquatic, air and terrestrial systems becoming polluted when waste is left to decompose or is deliberately burned. In order to help stop this illegal waste activity and prevent further environmental risk, the use of covert CCTV surveillance was required to gather evidence for prosecution and to act as a deterrent from further illegal waste dumping in this area. The level of dumping decreased significantly once individuals realised that CCTV technology was being used to detect offenders with the threat of court action to follow.

Outcomes

The number of incidents and the volume of waste dumped in this area was significantly lower as the result of erecting additional anti-dumping signage and the installation of covert surveillance cameras at key locations. The CCTV surveillance footage was used to issue warning letters and litter fines and a legal file is currently being prepared to prosecute individuals responsible for illegal waste activities under the Waste Management Act, 1996 and the Litter Pollution Act 1997. Surveillance will continue for several more weeks to ensure that the message gets out there that illegal dumping will no longer be tolerated, and that enforcement action will be taken against those found responsible.

Before

After

Galway City Council

Greening the Laneways 2021

Comhairle Cathrach na Gaillimhe
Galway City Council

Risk and Impact

Alleyways and laneways in housing estates can often be a site for illegal dumping. Through community engagement, this project aimed to instil a sense of ownership in residents living close to the laneways by transforming the laneways, in partnership with local residents, into vibrant spaces for the community to enjoy, thereby reducing the likelihood of illegal dumping.

Overall Cost

€19,958.05

Summary

This project combined the clean-up of laneways in Galway City with enhancement works and community events. The Council worked with residents living near three laneways in the city, with one laneway (Rocky Road in Westside) chosen as the location for significant enhancement works, including painting and planting. The project culminated in a community action day, followed two weeks later by an official event attended by the Mayor of Galway City.

Overall Details

Alleyways and laneways in housing estates have been identified by Galway City Council as a problem area for illegal dumping. In previous years, in projects funded through the Anti-Dumping Initiative, the Council has carried out clean-ups of laneways throughout the city and has established a register of laneways to facilitate on-going monitoring and management of the sites by the community wardens.

This 'Greening the Laneways' project builds on the success of this previous work by partnering with the communities living beside the laneways and working together on enhancement works and on managing the spaces in the longer term. Through collaborative work, an unwelcoming laneway was transformed into a vibrant, playful and nature friendly-space for all of the community to enjoy.

Initially, three laneways were identified for this project. Site surveys were carried out and meetings were held with residents in the area. In the end, one laneway was chosen as a pilot project for 2021, the Rocky Road in the Westside of Galway City.

Significant community and stakeholder engagement took place, culminating in a Community Action Day in September 2021. In addition to local residents, the Westside Arts Festival, local schools and the local library were also involved. Initially the laneway was cleaned, power-washed and all graffiti removed. Galway City Council supplied planters and staff from the Council's Parks Department helped local residents and young people plant flowers, shrubs and an 'edible landscape' with fruit trees, strawberry bushes and, even, cabbage plants. Locals were also involved in painting vibrant murals on the themes of climate action, biodiversity and anti-littering along the laneway with the help of a professional artist.

On Saturday 9th October 2021, the newly-enhanced laneway was unveiled by the Mayor of Galway City, Colette Connolly. The project has garnered significant interest from the general public and from elected members, with a number of laneways already suggested for similar works in 2022. The project also gained considerable media coverage (sample headlines are shown below).

A short video of the project is available to view here: https://www.youtube.com/watch?v=-TLipWPb5B0

Social media analytics are as follows:

Greening the Laneways Social Media Analytics: September - October 2021

Outcomes

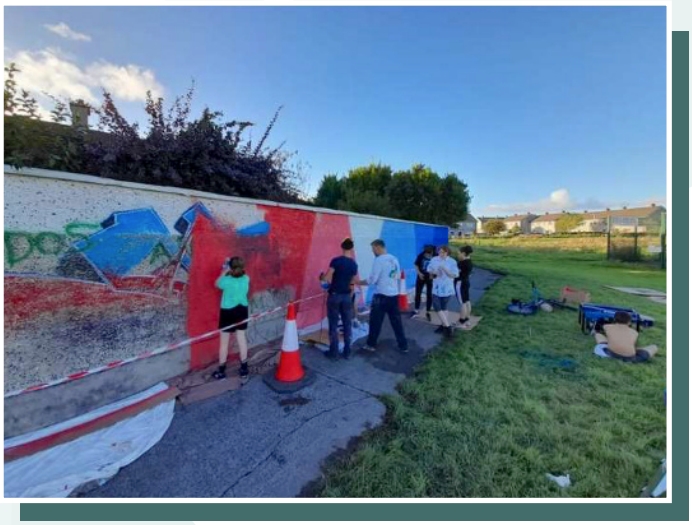

- Reduction in illegal dumping in laneways in Galway City.
- Reduction in graffiti (there has been no graffiti on the wall since it was painted).
- Increased sense of ownership and community pride amongst residents living close to the laneways.
- Increased public awareness, through public participation and media coverage.
- Increased biodiversity in the area.
- The project garnered the support of elected members in the city and there is interest in extending it to other areas of Galway City.

Galway County Council

8 Billboards & Electronic Signs

Comhairle Chontae na Gaillimhe
Galway County Council

Overall Cost

€7,489.47

Large billboard design

Summary

Galway County Council hired electronic billboards for a number of weeks in September displaying an Anti-Dumping message. These were installed at known dumping blackspots and on the approach roads to the major towns in the county.

A large anti-dumping advertisement was designed and was displayed on large billboards throughout the county.

In addition, magnetic signs for our Community Warden vans with an Anti-Dumping message have been also been procured.

Overall Details

The electronic signs and billboards will serve as an important visual to the public about illegal dumping and the consequences for those that do. The magnetic signs for our warden vans again raises awareness to the public of the community warden service and its function in investigating waste complaints and the enforcement of the Waste Management Act.

Outcomes

- Increased public awareness re unauthorised waste collectors.
- Reduction in dumping at known black spots.

Variable message signs deployed throughout the county displaying different messages

Billboard advertisement on display in Tuam, Co Galway

Magnetic signs for warden vans

Kerry County Council

Rental of Solar Compact Bins

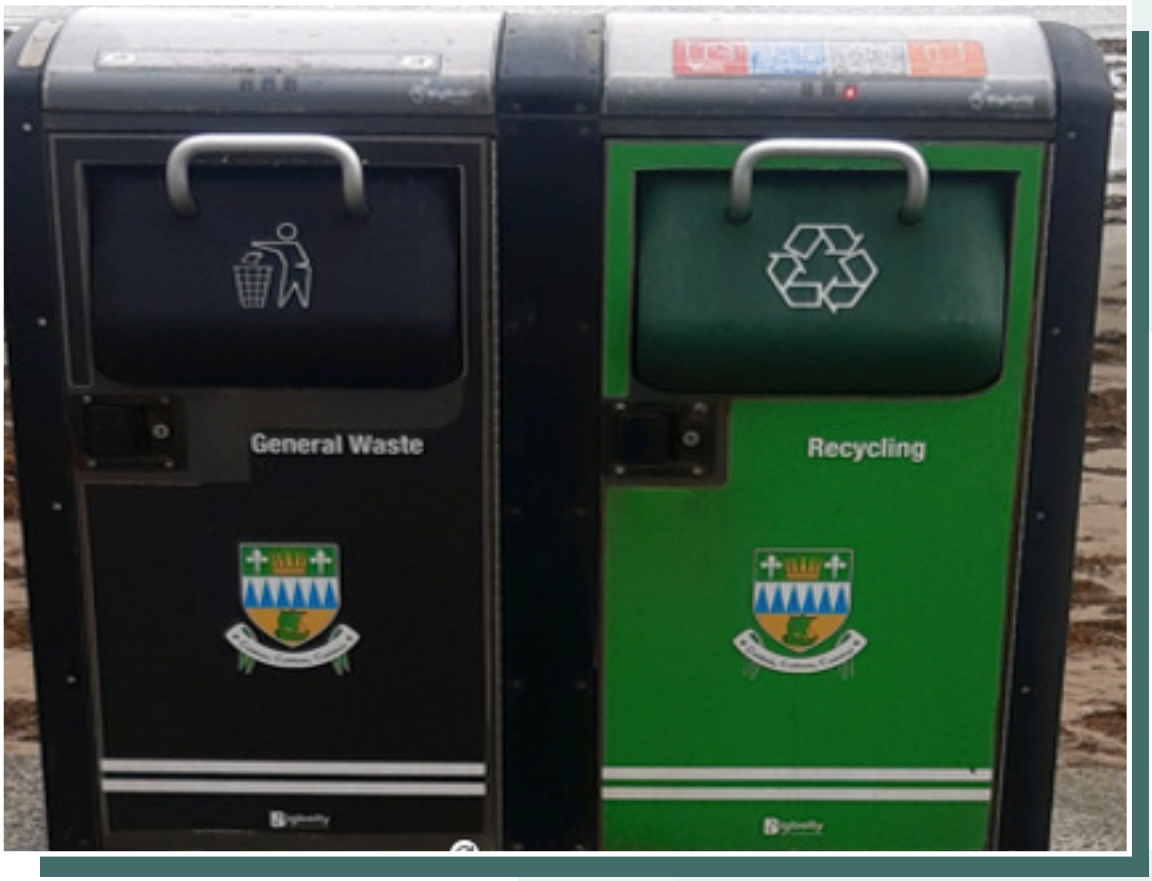

Comhairle Contae Chiarraí
Kerry County Council

Risk and Impact

Risk of illegal waste disposal resulting in environmental pollution, including risk of littering, odour etc.

Overall Cost

€17,712

Summary

Rental of solar-powered compact bins located at various popular tourist locations in Co. Kerry.

Overall Details

Kerry County Council installed 12 solar powered compaction units and 6 non compaction recycling units at various locations in County Kerry. Grant funding will cover the rental of these bins for the period March 2021 to October 2021 Inclusive.

Outcomes

- The compaction capability increases the bin capacity by up to x10 compared to a normal non-compacting bin. The cloud-based software compiles data from the individual bins and generates wireless alerts when bins are full and in need of collection. The software also compiles collection routes for only those bins requiring servicing – saving on time, reducing traffic and associated emissions and ultimately cutting collection costs.

- The bins can work in any location as they are solar powered. Total containment ensures that rubbish is kept in and pests stay out for cleaner spaces. Visually the bins look well and the council's logo appears on the front of the bins.

Kildare County Council

'Kildoon Community Cleanup' Project

Comhairle Contae Chill Dara
Kildare County Council

Risk and Impact

Ongoing dumping leading to visible piles of waste in an otherwise attractive bog and woodland area. Dumping was also leading to drainage issues locally.

Overall Cost

€6,481

Summary

Community-led initiative to deal with ongoing large-scale illegal dumping on a bog road. A mix of large scale waste removal, community engagement, innovative messaging and technoloy through CCTV to prevent area being used for dumping.

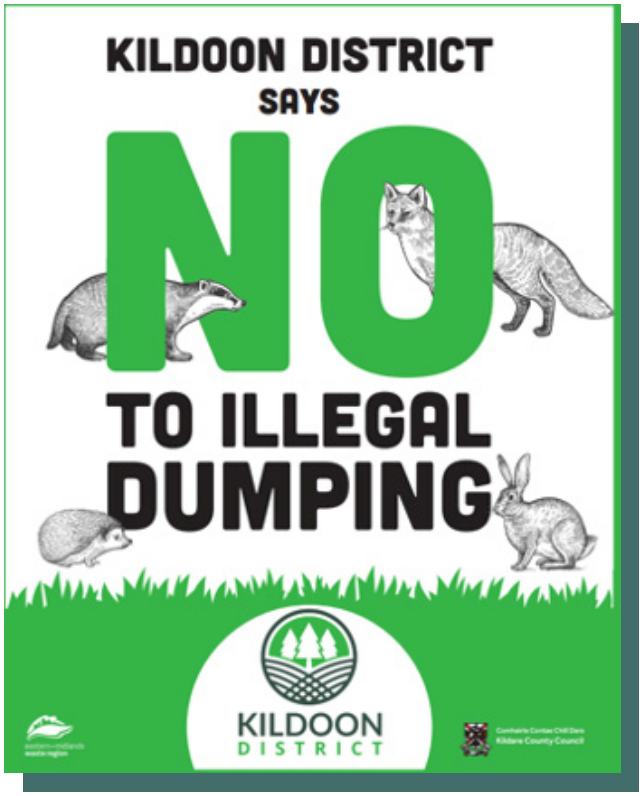

Overall Details

The Council was contacted by Local Community Social Media Group to come up with ideas dealing with ongoing illegal dumping. The consensus reached was for bespoke signage to really highlight the issue on an isolated stretch of bog road in the area. Large amounts of domestic waste were being routinely dumped into the ditches. Following two large clean-ups, the signs were erected. The signs were then used to house CCTV cameras to detect the dumpers. CCTV data is currently being analysed.

Outcomes

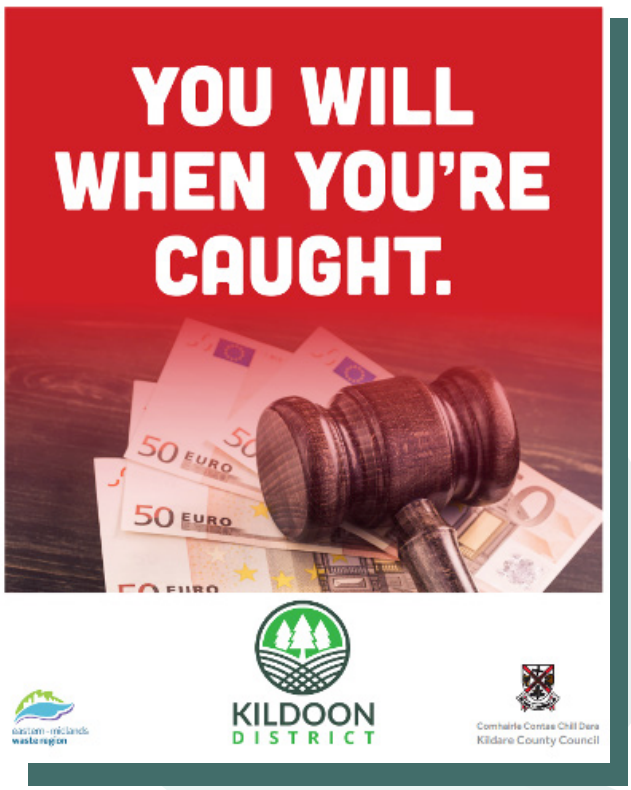

- The process of the community engaging in the design of the signs was very significant- it generated a lot of local interest as the dumping is causing great frustration locally.
- Locals assisted in the removal of most of the waste. A specialist contractor was hired to manage some sections of the road due to the depth of the ditches.
- Signs were erected in sequence to catch the attention of the dumpers and to convey that the area is actively managed.
- No significant dumping has occurred since the signs were erected.
- 1.32 tonnes of waste removed during project, after a much larger quantity (approx. four tonnes) was removed just prior to the project being submitted.

Bikes for Africa Project

Kilkenny County Council
Comhairle Chontae Chill Chainnigh

Risk and Impact

No risk from this project other than the bicycles are discarded and not used. Left lying around at the end of gardens or at the back of sheds at home. The positive impact of this project on the lives of school children in the Gambia is immeasurable.

Overall Cost

€8,440.00

Summary

Following on from the successful national launch in 2020 the BFA has been a resounding success across a large number of local authorities. Due to Covid the Army units normally involved in the collection of bikes had been diverted to assist with the national vaccine role out. The Rotary club has step into the void and arranged for collection of bikes form the LA's around the country.

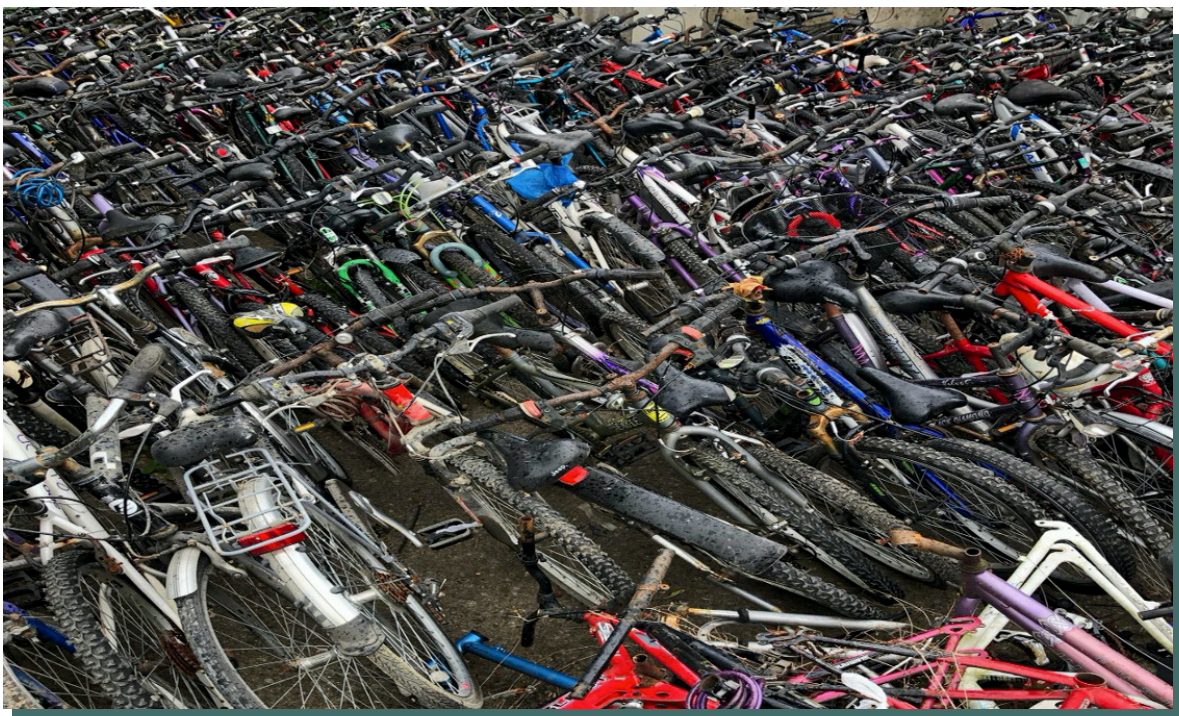

Outcomes

Working with local partners such as An Garda Siochanna, Defence Forces and the Rotary Clubs has really increased the success of this project. The friendly staff at the civic amenity site was also a huge part of the success story around this project

It's a win-

- Environment – recycling unwanted bikes
- Rehabilitation – People who have been sent to Prison get a meaningful job
- The Circular Economy at work in a very simple way
- Education – Supporting African Children to get a better education and making our own citizens aware of thinking before you throw away

Covid in 2021 proved to be difficult for the collection of bikes. The Defence Forces which normally carryout this role was diverted to assisting in the national vaccination effort. Rotary Ireland were donated the use of an artic truck in September 2021 and they went around to each of the facilities and collected the bicycles themselves for delivery to the open prisons. To date in 2021, 965 bikes have been collected.

This is all the Bikes been delivered to Loghan Prison

Laois County Council

'Bulky Waste Amnesty' Project

Laois County Council
Áras an Chontae, Portlaoise, Co. Laois

Risk and Impact

- Potential for illegal dumping
- Potential for high risk bonfires around Halloween
- Potential for 'Man in Van' operators
- Reduced opportunity for 'Man in Van' operators

Overall Cost

€22,505.92 (Incl. VAT)

Summary

The aim of this project was to target problem areas of frequent illegal dumping and capture bulky waste streams such as household furniture and mattresses in advance of Halloween bonfires. The areas targeted for bulky waste collection days were selected based on a number of historic clean-ups and on the capability of households to transport bulky wastes.

Overall Details

Halloween 2020 proved to be challenging for the Environment Department of Laois Co Co due to large quantities of bulky waste streams being stockpiled for Halloween Bonfires. Clean ups were carried out in October of 2020 of the stockpiled material, however this often presented health and safety risks.

As part of the 2021 Anti-Dumping Initiative Bulky Waste Collection Days were scheduled in residential areas across the County targeting areas of frequent illegal dumping.

The Bulky Waste Collections Days also focused on residential areas where there appears to be reduced capacity for individuals to transport bulky waste streams to the local Civic Amenity Centre. It is considered that individuals with reduced capacity to transport these waste streams themselves often resort to utilising services of illegal waste collectors including 'Man in Van' operators.

This project captured bulky waste streams at source and was progress in moving away from reactive measures and towards preventative.

This project involved the following steps:

- Book waste collection vehicle and ensure availability of key Environment Section staff.
- Create location specific leaflets with details such as the date and time that the bulky waste collection will happen, what waste streams were included.
- We requested residents to ring into the Environment Section and confirm what waste items they had. This provided us with an idea of what quantities to expect and make arrangements to handle same.

Outcomes

- Reduced opportunity for 'Man in Van' illegal waste collectors.
- No. of Mattresses collected approximately 306 @ €10 per mattress
- Tonnage of Bulky waste removed approximately 40 tonnes @ €152.50 per tonne exclusive of VAT

Bulky Waste Collection Day

O Moore Place / Lakeglen Residents Only

We will accept

- Couches (1 couch / suite of furniture per household)
- Armchairs
- Mattresses (2 per household)
- Bed Bases (no bedding)

If you wish to avail of this service you must call 057 86 74321 or 057 86 74330 before 5 p.m. on Tuesday 7th September to book your collection slot.

Items will be collected on Thursday the 9th September between 10 a.m. to 2:30 p.m. Please note that the personnel will not enter any household to facilitate collections in line with covid guidelines.

Please note that Electrical items are not accepted on the day but these can be recycled ***FREE OF CHARGE*** all year round at the Recycling Centre at Kyletalesha. For more information please visit www.laois.ie

This service is for domestic households only.

eastern · midlands wasteregion

This project is part of the National Anti Dumping Initiative 2021 co-ordinated by Laios County Council and WERLA Midlands & Eastern Region

Leitrim County Council

'Illegal Dumping at Shannonside'

Leitrim County Council
Comhairle Chontae Liatroma

Risk and Impact

This illegal dump site is close to a high-density population area and constitutes a health hazard.

Abatement - to restore this area to a clean non-hazardous state

Overall Cost

€24,618.70

Summary

This location was identified in collaboration with the Housing Department of Leitrim County Council. The site has been an ongoing concern to the Local Authority and the subject of many interventions. The Housing Department requested assistance in bring the site back to a high standard.

The Covid19 lockdowns and restricted social outlet has increased the quantity and frequency of dumping at this location.

Due to the hazardous nature of the clean-up a specialist firm was engaged to collect and remove the waste.

Overall Details

The clean-up was completed over four days.

4 empty bays were cleared and all waste removed. These areas consisted of domestic rubbish and appliances.

The perimeter of the site has extensive dumping of large and small items; items included beds, car seats, fridges, TV's, chairs, and a large quantity of bags of rubbish.

The remains of a caravan was also removed from the site.

All waste removed via registered waste removal company (roll off skip).

Caravan removed with a recovery lorry and disposed of via waste company.

Outcomes

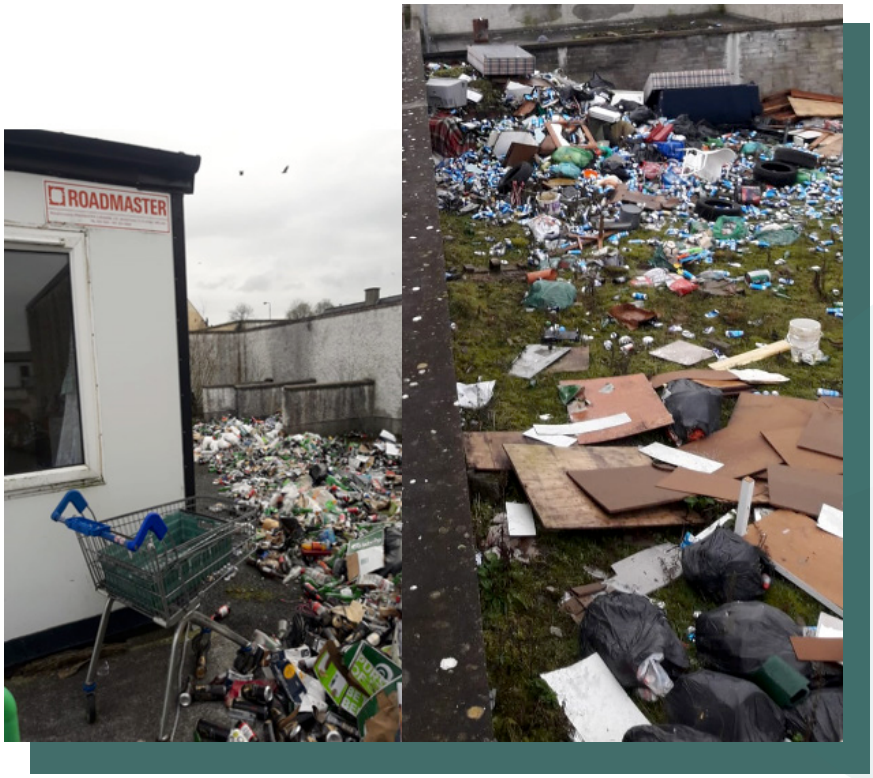

The clean-up was outsourced to a specialist contractor. The tonnage collected is as follows:

	Weight Removed
April 2021	32.8 ton
June 2021 June 2021	34.9 ton 1300kg (caravan)

Abatement - The area was restored to a clean non-hazardous state

Limerick County Council

Project No.4 Clean Up Castleconnell

Comhairle Cathrach & Contae Luimnigh
Limerick City & County Council

Risk and Impact

Abatement

Overall Cost

€5,902.00

Summary

Project No.4 Clean up Castleconnell – Overgrown area, remediated and cleared, local councillors and local community were notified about the Anti-Dumping initiative scheme.

Overall Details

Local authority co-ordinated the clean-up of the abatement of site.

Outcomes

Area Cleaned

Longford County Council

Breadan's Lane Area Clean Up

Risk and Impact

Large scale illegal dumping close to the centre of Longford Town including anti-social behaviour. Drug den with drug paraphernalia in nearby derelict buildings. Visual and environmental impact on the local area.

Overall Cost

€14,635.66

Summary

Clean up of a back lane & surrounds close to centre of Longford Town. This area is known for anti-social behaviour. Pressure from Guards to clean up area and assist in making the area safe.

Overall Details

This project involved removing over 13.5T of mixed domestic waste from sites off a laneway that connects three of the main streets in Longford Town. This area is known to the local Guards for on-going antisocial behaviour. Co-operation and communication with local traders and landowners was essential. Work also included fencing off vacant sites to eliminate dumping and erecting a gate to close off an open area to eliminate a hang out area for anti-social behaviour.

Outcomes

- Waste removed and area cleaned up.
- Local landowners assisted in the clean-up – they removed waste and drug paraphernalia from derelict buildings on their lands.
- Landowners secured their buildings to prevent individuals gaining access.
- Large gates erected on an open area to eliminate a hanging out area for anti-social behaviour.
- Sites made secure by erecting fencing to avoid reoccurrence of dumping.
- Regeneration Section of Longford County Council installing extra public lights.
- Local Tidy Towns will include this area on their patrol.
- Safe area for pedestrians, local traders and customers.

Louth County Council

Moneymore, Drogheda Clean-Up Project

Comhairle Contae Lú
Louth County Council

Risk and Impact

The main problem in this area is the illegal disposal and burning of domestic waste by residents and illegal waste collectors on the green area of estate which is a public amenity for children playing and residents walking.

Overall Cost

€23,375.37

Breakdown of Costs:

Plant and Machinery Hire = €8,473.92

Hire of Track Machine, Mulchers, Low Loader and Lorries for disposal of water = €7,921.20

Disposal of 205 Ton waste x €30 per Ton = €6,980.25

Summary

This project included the removal and disposal of waste on the green area between Moneymore and Laurence's Park, Drogheda, Co. Louth, which is a problematic area for the disposal and burning of domestic waste by illegal waste collectors.

Overall Details

Work involved the removal of illegally disposed waste, the removal of old derelict cottage which was a focal point for dumping and fly-tipping activities, landscaping of green area to improve routine grass cutting and the removal of stone rubble to improve visibility of area.

Mayo County Council

'Bulky Waste & Bonfire Night'

Comhairle Contae Mhaigh Eo
Mayo County Council

Risk and Impact

Bonfires result in the release of dioxins and other pollutants to the atmosphere and the illegal dumping of bulky goods such as mattresses pose a threat of environmental pollution.

Overall Cost

€29,767.47

Summary

This project focused on 'Bonfire night', which is a tradition across the west of Ireland on June 23rd. The project has run for the past three years and involves free bulky waste collections in problem areas where fires contain a lot of waste material, as well as the removal of some large bonfires prior to burning.

Overall Details

The initial focus of the project was the organising of bulky waste collection days in peripheral areas of the county and the off-shore islands. In these parts of the county, the bonfire tradition is particularly strong, and the distance to civic amenities can be prohibitive to authorised waste disposal. Free Bulky Waste Days were held in Belmullet and Achill, which were very successful. Skips were sent to two off-shore Islands, were authorised bulky waste disposal is extremely difficult to achieve. Secondary to this, some very large waste bonfires were removed immediately prior to June 23rd which has helped to reiterate the message that waste bonfires will not be tolerated.

Overall Details

In conjunction with Bounce Back Recycling, two free Bulky Waste Days were held in remote parts of the county, where there is still a substantial population across the wider area. These communities have no Civic Amenity sites nearby and are the areas where the tradition of bonfire night is strongest.

Both events were locally advertised through a poster and signage campaign and were also advertised on social media close to the dates. The events were held on the two Saturdays prior to June 23rd (i.e. June 12th and 19th). There was a good uptake, with four containers being filled (approx. 19t bulky waste and 350 mattresses).

Bulky waste skips were also provided to Inishturk Island and Clare Island. Again, the local communities welcomed the service, and there was again a good uptake with 7 skips (15t) being collected.

Tonnage of waste removed: 30t approx.

Tonnage of bulky waste, if applicable: 19t approx.

No. of Mattresses collected: 350 approx.

Some images of Bounce Back Recycling collecting during Bulky Goods Day

BALLINA

'Green KM' Project

Risk and Impact

Removal of litter and waste from our roadsides throughout the county.

Overall Cost

€19,405.71

Summary

230 groups took part in the Green Kilometre Scheme in Meath in 2021.

Overall Details

Groups were encouraged to collect litter, either as an individual, family unit, or socially distanced group, as they went about their daily exercise routine, within their 2km/5km area, during the first lockdown.

The scheme proved to be immensely popular and continues today with a tree planting programme planned for Q4, 2021.

Outcomes

- Over 6,000 bags of waste collected which is picked up by Meath County Council for disposal.
- Increase in number of volunteers and community groups.
- Noted decrease in litter particularly in rural areas.
- Feel good positive campaign generating huge amount of good will across the whole county.
- Tree Planting project to commence in November 2021.

CLEANING UP THE COUNTY

5,000 SACKS OF RUBBISH... HUNDREDS OF LOCAL HEROES

Communities across the county have risen up against the scourge of littering and illegal dumping

GAVAN BECTON

THOUSANDS of bags of rubbish - which would measure almost the same distance end-to-end as the 5k distance restriction - have been cleaned from South ditches by community groups in the last month.

A total of 170 groups and individuals used their daily 5k walk around their area to collect vast volumes of rubbish- filling TEN 40ft skips in the process.

Today we celebrate our local heroes cleaning up their communities and leaving a lasting legacy on their county.

Green Kilometre Scheme with @meathcoco. Six black bags full from 500m either side of the house. With some help from the best picker uper'er! #greenkm

Mike Bray @BrayMike · Mar 21

Super work done in Fordstown, Girley, Chamberlainstown, Drewstown and Piercetown yesterday as part of the **Green Kilometre** initiative.

Nearly 60 bags of litter and other dumped materials collected.

Monaghan County Council

'Green KM' Project

Risk and Impact

Monaghan Co Co worked with Community Groups to help with the clean-up of legacy sites.

Overall Cost

€24,135.87

Summary

Project one was the clean-up of one unfinished housing development which is also beside a potential unauthorised waste site.

Second project was to clean up back alleys of a local authority estate that had issues with residents dumping material.

Third project was to support Clones Tidy Towns clean up an area and erect a gate.

Overall Details

Project one was broken into two phases. Phase one was the clean-up of an area that had been proposed for housing but never built on. This includes the removal of a large volume of waste on site particularly unused, unusable and unwanted construction material. Phase two was the construction of a boundary wall between the site and adjoining property. The adjoining property is currently being investigated as a potential unauthorised waste site. It is hoped that by working with the landowner these issues can be addressed.

Outcomes

24 tonnes of material were removed – wall currently being erected.

Work in progress

Clones Tidy Towns area project – abatement and prevention

Offaly County Council

'Kilcruttn' Project

Comhairle Chontae Uíbh Fhailí
Offaly County Council

Risk and Impact

Tullamore River- Water Quality – Flora and Fauna habitats – Charleville Wood SAC

Overall Cost

€18,206.13

Summary

Offaly County Council supported by Shannonside Sub Aqua, Tullamore Tidy Towns and individual volunteers cleaned waste from the Tullamore River at Kilcruttin.

Overall Details

The Tullamore River at Kilcruttin stretch is heavily impacted from dumping over the years. Fishing groups, walkers and other stakeholders (agencies) had highlighted the problem to Offaly County Council – the waste was lodged in the bed of the river impacting on the crayfish – white tail and otter habitiats.

Offaly County Council supported by Shannonside Sub Aqua, Tullamore Tidy Towns and individual volunteers cleaned waste from the Tullamore River at Kilcruttin. Immediately after the removal of the waste the flow in the river was observed, this will certainly help aerate the water and help with improving water quality.

It is envisaged that this event will become an annual event.

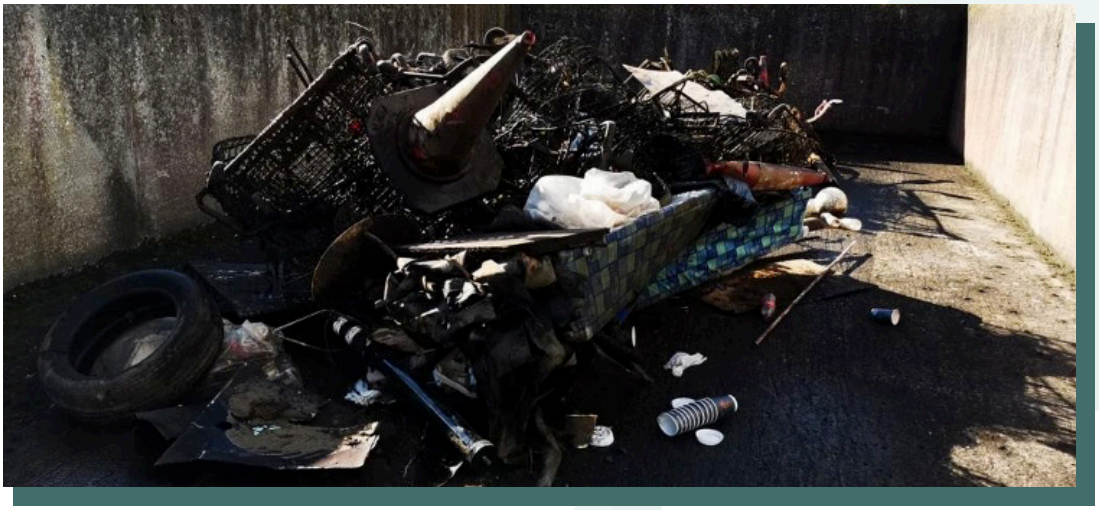

Outcomes

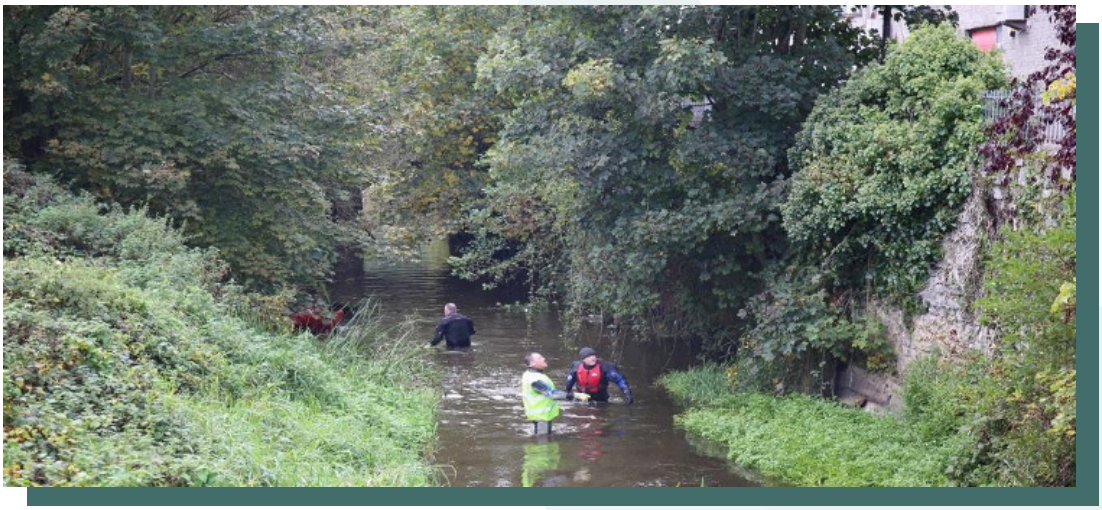

Continued collaboration with all parties involved to maintain the river environment to improve the flora and fauna habitats.

Public focus on the river.

20 shopping trolleys, Wide Screen TV, 3 bikes, Garden furniture and a buggy were removed from the river.

- 1.5 Tonnage of Bulky waste and cost per bulky waste item

Roscommon County Council

Bulky Goods Collection

Comhairle Contae Ros Comáin
Roscommon County Council

Risk and Impact

Mattresses, sofas and chairs are items often found dumped in our bogs.
Once the bulky goods collection was advertised, there was an enormous interest.
The public brought 62,540 kg of bulky waste to the Civic Amenity Sites over 4 days.

Overall Cost

€61,390.58

Summary

Initial funding in the amount of €51,000 approved to hold Bulky Goods Collection, however, with the approval of CU WERLA the final amount spent was €61,390.58.

Type of items collected included upholstered furniture, couches, armchairs, outdoor dining sets, carpets, mattresses, bathroom suites and divan beds.

Four collections held during September 2021 – one at each Roscommon County Council Civic Amenity Site

- Roscommon
- Boyle
- Ballaghaderreen
- Castlerea

Outcomes

- Four collections were held county-wide.
- Couches, armchairs, mattresses & divan bed bases were collected by Galway Traveller Movement t/a Bounce Back Recycling and diverted away from landfill.
- 702 users availed of the service across the four collection days.
- It was advertised widely on local media (newspapers & radio) and on Roscommon County Council social media.
- Flyers were handed out at Civic Amenity Sites prior to the event to inform members of the public of the upcoming collection dates.
- Collections were a massive success – there was a project over spend by over €10K
- This will significantly reduce the number of bulky items disposed of in our bogs in 2022

Roscommon Civic Amenity Site – Tuesday 14th September 2021

Ballaghaderreen Civic Amenity Site – Tuesday 21st September, 2021

South Dublin County Council

Kiltalown Lane Phase 1

Comhairle Contae
Átha Cliath Theas
South Dublin County Council

Risk and Impact

Illegal dumping in rural amenity area

Destroyed visual amenity of area

Overall Cost

€21,000

Summary

Kiltalown Lane (L306) is situated approximately 1 Km south of the Killinarden junction with the N81 in Tallaght. There have been 133 reported environmental complaints in relation to litter and illegal dumping along this 700m lane since 2019

Overall Details

The project concentrated on the most regular illegal dumping areas along Kiltalown Lane. The lane had previously been Graded 'D' in the most recent IBAL Anti-Litter League report for 2020 and was specifically highlighted as by far the most heavily littered site surveyed in Tallaght was L3016 Kiltalown Lane – this litter blackspot wasn't just casually littered but subject to huge levels of dumping.

Works consisted of a number of clean ups of dumped materials, the introduction of 7 No. public lighting columns to light an otherwise dark lane. The provision of the public lighting along with just under 100m of boundary fencing aim at dissuading individuals from carrying out illegal dumping activities.

Covert CCTV was installed for a period of 4 weeks covering the Halloween period to determine the success of the measures put in place. Footage is currently under review.

Outcomes

1. Works have returned area to former natural state.
2. Will eliminate dumping blackspot.
3. Be in line with 2021 National Waste Enforcement priority 1.1 'Tackling illegal waste activity'.
4. Will comply with recommendation of IBAL Anti-litter League 2020 report on Tallaght.
5. Covert CCTV monitoring will assist in monitoring and enforcement if required.

Sligo County Council

'Cartronplan Clean-Up'

Sligo County Council
Comhairle Chontae Shligigh

Risk and Impact

To reduce the risk of environment pollution caused by illegal dumping.

Overall Cost

€8,458.02

Summary

Cartronplank is a locality in County Sligo and is situated nearby to Cliffony, and northeast of Drumfad.

Sligo County Council as part of ADI 2021 undertook a clean-up of this site where a large amount of dumping has taken place

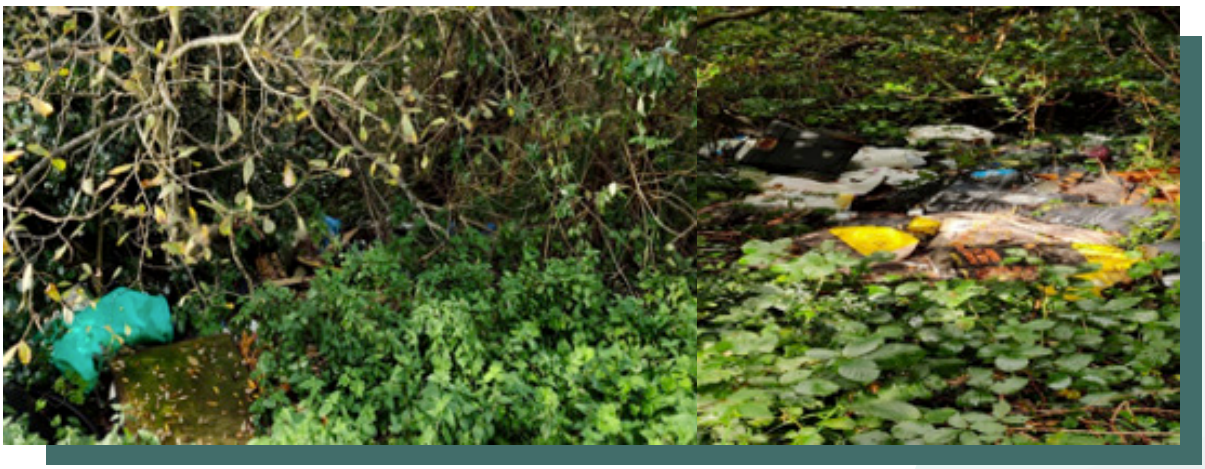

Overall Details

This site was chosen as it was an area with a substantial amount of illegal dumping. All waste was removed and the site was cleared off. Prevention and abatement were the main measures focused on in relation to this project. Increased signage in various areas will also raise awareness and education in relation to the general public.

Outcomes

This site was cleared off on the 11th of August 2021 and all waste was removed from this land and the site was restored to its original state.

In total, 20.76 tonnes of waste were removed from this site which was substantially overgrown with the bulk of the waste not easily visible until clearance was underway.

Tipperary County Council

'Knocksaintlour Cashel' Project #2 of 9

Comhairle Contae Thiobraid Árann
Tipperary County Council

Risk and Impact

To reduce the illegal discarding of waste on countryside.

To create an awareness with residents to dispose of waste properly.

Overall Cost

€24,515.46

Summary

To clean-up historic dumping on countryside beside a settled traveller site, and to prevent future dumping by erecting a high fence around boundary wall. To outline to the residents that any incidence of future dumping will incur penalties under environmental legislation and to ensure that residents implement an authorised refuse service.

Overall Details

Assessment of the site, removal of a boundary ditch, which involved discussions with National Parks and Wildlife.
Engage services of an authorised waste collector to remove historic deposits of waste.
Point and repair boundary wall and erect a fence to prevent future dumping.

Collaborate with Housing Section Community Liaison Officer to discuss the project with residents and provide advise regarding illegal dumping and engaging an authorised waste refuse service.

On the commencement of removing the boundary ditch, substantial waste deposits were discovered.

Outcomes

Cleaned site of waste, pointed wall and erect fencing
Site remains clean, no dumping occurred since commencement of project.
Residents utilise Cashel Civic Amenity Site to dispose of waste.

36.1tonnes of waste removed.

Completed Project

Waterford City & County Council

Comhairle Cathrach & Contae Phort Lá
Waterford City & County Council

Waterford Estuary Marine Project

Risk and Impact

Marine litter washing down the River Suir impacting the wildlife and shellfish aquaculture area, also impacting on the SAC.

Overall Cost

€12,894.08

Summary

This project was to tackle Marine litter entering the sea from dumping of waste in the River Suir and its tributaries.

Overall Details

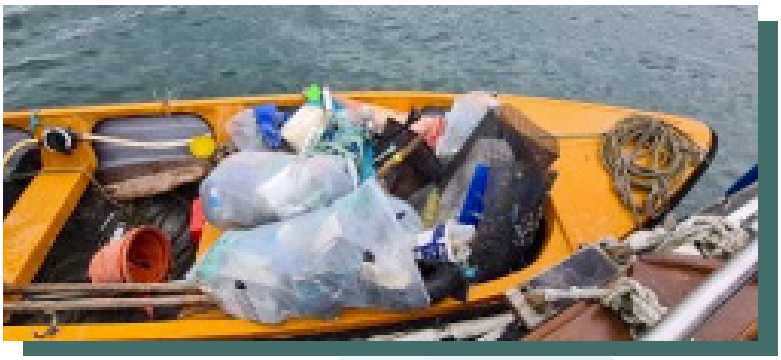

A significant amount of litter especially plastic enters the sea each year, this is usually via large rivers and estuaries. A lot of this marine litter is plastic which results from dumping of domestic, commercial and C&D waste near or in rivers and streams. A lot of this washes up on beaches which can be cleaned by volunteers etc, but some areas where the litter accumulates is only accessible by boat, such as at the base of cliffs. 4 small fishing boats and crews were employed to clean these inaccessible areas. A contribution towards expenses such as the necessary insurances, sea safety training and fuel was paid to each crew of fishermen of €200 per day (based on BIM expenses paid when they use fishing boats for survey work).

Outcomes

Approximately 4 tonnes of plastic waste were collected in 2021 from Waterford Estuary

Waterford News & Star
HOME NEWS VIEWS SPORT WELL! CONTACT
4 TONNES OF PLASTIC REMOVED FROM RIVER
MONDAY, OCTOBER 04, 2021
AN anti-pollution river drive led by those involved in fishing locally, and Waterford City & County Council has resulted in the removal of four tonnes of plastic from the river Suir. Last year, a similar amount was also retrieved.
Welcoming another year of the initiative were Cllr. Jody Power (GreenP) and Cllr. Donal Barry (IND).
Speaking about the need for this initiative locally, they said, " The scourge of plastic pollution in our rivers and oceans continues unabated despite the widely communicated messages of the damage this pollution causes to the marine eco system. We hope that people will start to appreciate that our beautiful river , the source of so much life, is not a dump."

Westmeath County Council

Amenity Wardens

Risk and Impact

Due to covid restrictions Westmeath experienced a massive increase of visitors using our local outdoor amenities. This led to an increase in litter and an increase risk of anti-social behaviour at times during the summer period.

Overall Cost

€17,656.77

Summary

Two Amenity Wardens were employed to patrol 24 high volume visitor areas in the county. The wardens operated a policy of educate and inform with the public to deter anti-social behaviour and littering issues. They would meet with people and remind them of the leave no trace policy implemented by the Council. The wardens were equipped with branded bags for litter removal which were given free of charge to the public. The amenities patrolled included lakeshores, greenways, canals and other busy public amenities.

Overall Details

Amenity wardens worked every weekend and extended hours on bank holiday weekends. They were used to educate and inform the public on littering and deterring anti-social behaviour at our busiest amenities. They patrolled 24 locations on a rota basis. They engaged with the public in a highly visible manner. They also carried litter packs which could be handed out to the public when required. They informed visitors to the area of local Bye-laws on open burning and other activities which may cause issues. Their focus was on prevention and education of the public. Building a friendly non-confrontational rapport with larger groups to discourage littering.

Outcomes

Reaction from the public was overwhelmingly positive. The wardens engaged with people in a very positive friendly manner and informed them if there was an issue. Litter packs were given to families, groups or individuals who had food waste or other waste in order to facilitate the safe and proper disposal of waste.

We saw an overall good compliance on littering throughout the county and kept it at a manageable level. Some of the area patrolled are special areas of conservation and also included a National Heritage area which were all kept clean throughout the summer. We also saw an increased awareness by the public of litter laws and local bye laws. It also allowed us to build a partnership with a local business who provided the wardens to promote waste activities. We had a noticeable reduction in litter after they started patrolling estimated at 30%.

Wexford County Council

Mattress Amnesty 2021. Project 2.

Comhairle Contae Loch Garman
Wexford County Council

Risk and Impact

Old mattresses may end up in illegal waste channels and could be dumped in the countryside or back lanes of urban areas.

The amnesty provides householders with an opportunity to deal with bulky waste legally. It helps prevent some illegal dumping.

Overall Cost

€34,538.40

Summary

Wexford County Council advertised a "Mattress Amnesty" in local papers and on social media and a press release that took place for 4 consecutive weeks at each of WCC's 4 Household Recycling Centres in Gorey, Enniscorthy, New Ross and Holmestown Wexford from 17th August to 10th September 2021.

Overall Details

Wexford County Council has held a mattress amnesty in conjunction with the Anti-Dumping Initiative since 2017 including a mattress and sofa amnesty in 2019. Due to the COVID-19 Pandemic the Council arranged for the mattress amnesty to be held over a series of weeks at each of the 4 Household Recycling Centres in the main towns. It was held between 17th August and 10th September. In all 2,808 mattresses were received for recycling by a local company. Holmestown, Wexford received the most mattresses followed by Enniscorthy. The Amnesty was advertised through a press release, Facebook & Twitter, local radio, local papers, leaflets and posters and at local Council District Meetings.

Wexford County Council has collected over 9,500 mattresses since the start of the initiatives. This has helped reduce the number of mattresses ending up being dumped illegally in the countryside and back lanes of urban areas. It has also cut down on the material available during the Halloween bonfire season. Credit due to the hard work of all the Environment Staff at the Household Recycling Centres and support staff.

Outcomes

- In all 2,808 mattresses were collected from the 4 recycling centres over 4 weeks.
- An estimated 66 tonnes of mattresses were collected for recycling.
- The total cost was €34,538.40 or €12.30 per mattress.
- The Council received newspaper and social media publicity for its 4 Household Recycling Centres as the legitimate facilities for handling bulky wastes.

Mattress Amnesty Enniscorthy

Mattress Amnesty Gowran

Wicklow County Council

Burnaby Lawn Clean-Up

Risk and Impact

Unauthorised dumping of waste materials resulting in a negative visual intrusion, loss of amenity and problems with odours and vermin.

Overall Cost

€8,046.71 incl VAT

Summary

A clean-up was undertaken to remove a large volume of green wastes mixed with other wastes that had accumulated over a number of years on public land that is used as a passage way between the Burnaby Lawn estate and the Mill Road in Greystones.

Overall Details

49.86 tonnes of wastes were excavated and removed from a piece of public land that is used as a passage way between the Burnaby Lawn Estate and the Mill Road / Aldi supermarket. Over a period of time some residents in the area were dumping primarily green waste but sufficient other wastes to contaminate the green wastes. The wastes were removed to the Ballynagran Landfill for disposal.

In order to prevent a continuation of the dumping in this area a number of measures were implemented.

(1) Two CCTV cameras were erected to cover the area.

(2) All residences in the area received a letter from WCC clarifying issues relating to the dumping.

Outcomes

There has been no further dumping at this location since the clean-up was completed.

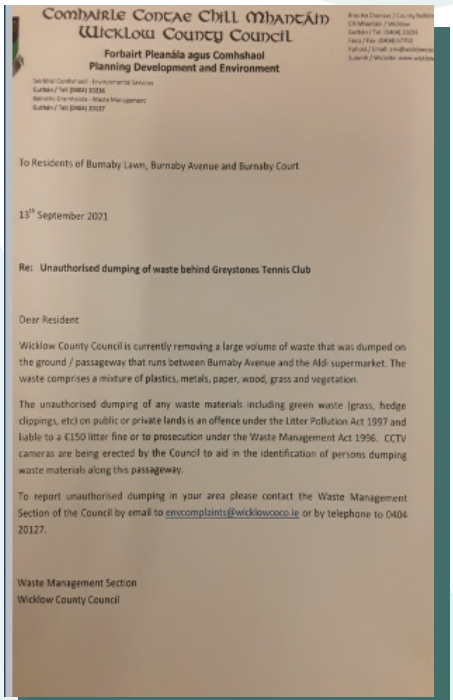

- 49.86 Tonnes of waste removed at a cost per Tonne of €123.42 , (incl gate fee, plant hire and transport)

Planning Development and Environment

To Residents of Burnaby Lawn, Burnaby Avenue and Burnaby Court

13th September 2021

Re: Unauthorised dumping of waste behind Greystones Tennis Club

Dear Resident

Wicklow County Council is currently removing a large volume of waste that was dumped on the ground / passageway that runs between Burnaby Avenue and the Aldi supermarket. The waste comprises a mixture of plastics, metals, paper, wood, grass and vegetation.

The unauthorised dumping of any waste materials including green waste (grass, hedge clippings, etc) on public or private lands is an offence under the Litter Pollution Act 1997 and liable to a €150 litter fine or to prosecution under the Waste Management Act 1996. CCTV cameras are being erected by the Council to aid in the identification of persons dumping waste materials along this passageway.

To report unauthorised dumping in your area please contact the Waste Management Section of the Council by email to envcomplaints@wicklowcoco.ie or by telephone to 0404 20127.

Waste Management Section
